# THE WORD & SPIRIT

A wide-angle photograph of a dry, hilly landscape. In the foreground, there are rocky, light-colored hills with sparse green shrubs. The middle ground shows a valley with patches of green vegetation and small clusters of buildings. A winding road or path is visible. In the background, more hills are visible under a clear blue sky. A faint, multi-colored rainbow is visible in the sky, arching over the valley.

## Principles For Possessing The Spiritual Promised Land

*And Joshua rose early in the morning; and they removed from Shittim, and came to Jordan, he and all the children of Israel, and lodged there before they passed over. And it came to pass after three days, that the officers went through the host; And they commanded the people, saying, When ye see the ark of the covenant of the LORD your God, and the priests the Levites bearing it, then ye shall remove from your place, and go after it. Yet there shall be a space between you and it, about two thousand cubits by measure: come not near unto it, that ye may know the way by which ye must go: **for ye have not passed this way heretofore.** And Joshua said unto the people, Sanctify yourselves: for to morrow the LORD will do wonders among you. And Joshua spake unto the priests, saying, Take up the ark of the covenant, and pass over before the people. And they took up the ark of the covenant, and went before the people.*

(Joshua 3:1-6)

### Revelation From The Lord Jesus Christ

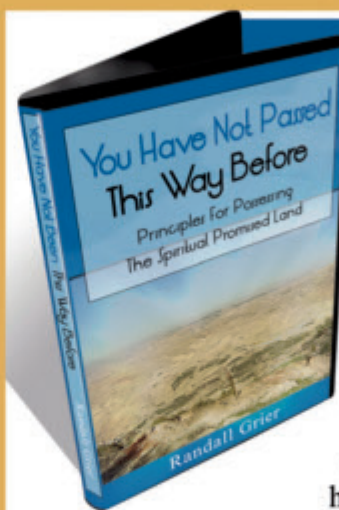

On January 10-14, 2010, while praying with Pastors Joe and Misti Coyne at Harvest Church in North Carolina, the Lord Jesus Christ revealed things to me, by His Spirit. He said, "You are entering into a place in the Spirit that you haven't been before. Prepare yourself and tell my

people to prepare themselves, by developing the character of God in their lives. You will not be able to contain the power of God without the character of God." I was then impressed to read Joshua chapters one, two and three. These chapters tell how Israel prepared to enter the Promised Land. Spiritual principles from these scriptures are necessary for the church to understand, and to possess the Promised Land of the Spirit that is before us.

### We Should All Hear From The Spirit Of God

I certainly don't know it all and I am not the only person that hears from the Lord. All of us that are Christians should hear from the Lord on a continual basis. I truly believe the Lord is communicating a lot more things to us than we pick up spiritually or understand.

I am also human and realize I could miss it. My prayer and faith is that the Lord will keep me balanced in the Bible and all spiritual things. I want to thank all my friends for your prayers and support as we serve the Lord together. I found that others have received revelation on what I am seeing, also. I discovered that everyone that sought the Lord for the outpouring of the Spirit received it.

## You Have Not Passed This Way Before

Principles For Possessing The Spiritual Promised Land

The year of 2010 has brought the body of Christ into an era of the Spirit that we have never been in before. In Joshua 3:4, Joshua told the people that they had not passed this way before.

This series will give you revelation and principles that are necessary for you to move into the Spiritual Promised Land. We must commit, dedicate, and consecrate ourselves unto the will of the Lord in this day.

### 100 Year Prophecy Of Rev. Charles Parham

Rev. Charles Parham was stirred to seek God in the late 1800's and early 1900's for an outpouring of the Spirit of God, as found in Acts chapter two. He had a vision, while praying, of a house in Topeka, Kansas and the Lord told him He wanted him to start a Bible school there. He didn't know where the house was, but the Lord led him to it. He found a man there doing yard work. He told the man about his vision and what the Lord had said to him.

The man turned out to be the owner but lived in California. He gave the house to Rev. Parham to start the Bible school. Students were led there supernaturally and the Bible school began. They were praying for the baptism of the Holy Ghost.

On January 1, 1901, at one minute past midnight, their prayers were answered. One of the students, a missionary named Agnes Ozman, declared her belief that the baptism of the Holy Spirit with the power and manifestations seen in Acts 2 was, indeed, for believers today. So brother Parham laid hands on her according to the Word of God and prayed for her to receive it. When he did, a light came upon her and she began to speak fluently in other tongues.

For three days and nights, Agnes Ozman was unable to speak any English at all. Instead, she spoke continually in a language that was distinctly oriental. A linguist called in from the local university determined the language was Chinese, specifically the Mandarin dialect. The miracle was so complete, that when others would ask her a question, she was able to write the answer in Chinese. Many others began to receive this supernatural baptism of the Holy Ghost.

Rev. Parham prophesied back in 1906 that in 100 years there would be another spiritual outpouring when the former and latter rains of the Holy Spirit would come together. After that outpouring of glory, he said, Jesus would return. He prophesied this at the beginning of the Azusa Street revival.

Before Brother Kenneth E. Hagin went home to be with the Lord, in 2003, he prophesied that 2006 would be the year of the glory. He said the outpouring of God's glory would begin to be poured out in 2006. He said it was so glorious that he couldn't describe it. He prophesied, *"It's coming, It's coming! A mighty deluge of God's Glory, a mighty deluge of God's power! (Con't.)"*

**Rev. Hagin**

### 100 Year Prophecy Of Rev. William Seymour

Rev. Parham, his family, and some of his students left Topeka, and went to Galena, Kansas, where a notable revival took place, then traveled through Oklahoma and into Texas. Eventually, some of them settled in Houston where they again opened a Bible school.

It was there that a young, black minister named William Seymour met them. Brother Seymour, aflame with desire for more of the Lord, eagerly embraced what the Parham company taught—that the baptism of the Holy Spirit with the evidence of speaking in tongues is still available to believers today. Though, he was not able to immediately receive the baptism himself, he boldly began to proclaim it with authority.

Shortly thereafter, William Seymour was invited to Los Angeles to serve as assistant pastor in a Holiness Church. His heart still aflame with this newfound truth, he preached the message of the baptism of the Holy Spirit there on a Sunday morning. The leaders of the church did not receive it and were furious. When brother Seymour returned on Sunday night, he found the doors to the church padlocked and the service canceled. The hungry believers who had come to hear him, however, would not be deterred. They moved the meeting to a house on Los Angeles' Bonnie Brae Street where a small prayer meeting began and continued for several nights.

**Rev. Seymour**

On the fourth night, April 9, 1906, the meeting was flooded with the power of God. The believers, as if struck by lightening, were all thrown off their chairs and began speaking in other tongues. One woman, Miss Jenny Moore, who had never possessed any musical abilities suddenly found she could play the piano and sing like an angel. This supernatural ability remained with her for the rest of her life.

The news traveled fast and before long, the crowd extended out into the yard and eventually so many people gathered on the porch that the porch fell in! Clearly, another meeting place was needed. So, the group acquired an old Methodist Church on Azusa Street that had been turned into a livery stable. They cleaned out the place and held their first meeting there on April 16, 1906.

In 1910 William Seymour prophesied that in 100 years there would be an outpouring of God's Spirit and His Shekinah Glory that will be greater and far more reaching than what was experienced at Azusa. Greater because this time, it would be all over the world. I believe, Rev. Parham and Rev. Seymour saw the day that we live in. *(Con't.)*

### **Rev. Wigglesworth Prophesied In 1947**

Rev. Smith Wigglesworth prophesied in 1947, *"When the new church phase is on the wane, there will be evidence in the churches of something that has not been seen before: a coming together of those with an emphasis on the word and those with an emphasis on the Spirit. When the word and the Spirit come together, there will be the biggest move of the Holy Spirit that the nation, and indeed, the world has ever seen. It will mark the beginning of a revival that will eclipse anything that has been witnessed before. The outpouring of God's Spirit will flow and will begin a missionary move to the ends of the earth."*

**Rev. Wigglesworth**

Rev. Wigglesworth, I believe, saw our day and this move of the Spirit I and others are seeing. The title of this newsletter and the meetings RGM puts on is *"Word and Spirit."* The Lord told me to call them that about a year and a half ago. I believe we have entered into the season for all these things to occur.

### **Rev. Kathryn Kuhlman Prophesied In 1961**

Rev. Kuhlman prophesied by the Spirit of God that we are coming to the end of this dispensation or spiritual era. She prophesied a restoration of all the Ministry Gifts and the Gifts of the Spirit, that was right upon us at that time. This agrees with the Word of God, because the Bible says Jesus is coming back for a glorious church.

I believe she was seeing the times or days that we live in now. This also agrees with what Rev. Kenneth E. Hagin prophesied in February 2003 before he moved to Heaven. He also said that there was coming a restoration of all spiritual things to the church of the Lord Jesus Christ.

### **Rev. Tommy Hicks Had A Vision In 1961**

Rev. Tommy Hicks declared, "The greatest thing...that has ever been given to the Church...lies straight ahead. It is so hard to help men and women realize and understand the outpouring of the Spirit that God is trying to give to His people in the end-time. God is going to give the world a demonstration of His Spirit and power in this last hour, such as the world has never seen or known."

In his vision, he saw a giant in the earth that was overcome by hideous-looking creatures. He realized that this represented the church of the Lord Jesus Christ. He saw the giant try to get up but would fall back down. He saw this giant try to get up several times. Suddenly, the giant reached his hand towards Heaven and the Spirit of God came upon him and caused him to arise. Rev. Hicks realized he was seeing the church coming into its final glory in the last day move of God. (Con't)

He saw multitudes anointed with the power of God going throughout all the earth, setting people free that were held captive by Satan. In this vision, it seemed as if the church would never arise. The Lord God is always able to take the seemingly impossible and make it possible. I believe Rev. Hicks saw our day.

### **Last Words I Heard From Rev. Kenneth E. Hagin**

The Lord spoke to me in 2002 and told me if I would see Dad Hagin when he was taken up, that I would receive an impartation through him. The Lord reminded me that Elisha saw Elijah when he was carried up into Heaven. I knew in my spirit that it meant for me to continue to follow him closely, and attend all his meetings that I possibly could. That is why I was with him in his last meeting in August 2003, in Canada, before he moved to Heaven.

### **Dad Hagin Tongues And Interpretation 2003**

I was invited to eat with Dad Hagin after the services in Mississauga, Canada. On August 13, 2003, while we were eating, he suddenly proclaimed, *"My Lord! I sense the Holy Ghost!"* The Spirit of God spoke to me and said, "Get your notebook and pen and write down what he says." Dad Hagin spoke in other tongues and then gave the interpretation. The Spirit of God said through him, *"Listen and yield to the Spirit! He has led you in the smaller things of the Spirit, now He is going to lead you into the larger things, then He is going to lead you into a place in the Spirit that you have never been before. When you arrive there your going to say, my, my, my, I didn't even know that this world existed!"*

**Rev. Hagin**

The Spirit of God came on me sitting there and I began to quietly worship the Lord, as I continued to listen. I knew the Spirit of God was speaking to me. I also know it is for whosoever will receive it! We have now come to a place in the Spirit that we have never been before, just like the Holy Ghost said!

We have not passed this way before. This generation, nor any other generation of the church era, has passed this way of the Spirit before. This wave is a coming together of the *Word and Spirit*, which has never happened before. The Ministry Gifts and the Gifts of the Spirit will be in full operation, manifestation and demonstration. The Glory of God and the Fire of God will be seen with the physical eye. Miracles that we have read about, will be common to the church and a witness to the world that Jesus Christ is alive today in all His Glory! (Con't. page 5)

## Kenneth E. Hagin Weeps In August 2003

I was taking notes on August 13, 2003, in Canada, when Dad Hagin began to weep. I was greatly concerned and wondered what he was weeping about. I finally realized it was the Holy Spirit weeping through him. (Romans 8:26) Suddenly, he said, "My, my, my, we have got to get back to having extended meetings! We have got to get back to having extended meetings! The Holy Ghost is grieved with this generation, because they will not take time to wait upon Him. We need to have longer meetings to give the Spirit time to move. We can't tell the Spirit when to move and make Him fit into our schedule, we must wait upon Him. The Holy Spirit is grieved when we try to make Him fit into our plans and He won't move but so far. Don't make your plans without seeking the Lord in prayer first. Make sure it is His will and He will bless those plans abundantly!"

Dad Hagin began to tell stories of how they waited on God in extended meetings and how the miracles of God would take place. He told stories of praying for the same sick, near death, person for two weeks in a row, in the same extended meeting and nothing happened. On the third week he prayed for the person and the Gifts of the Spirit went into operation and a spectacular miracle occurred! He said, "It was always the third week of the meeting's before any notable miracle happened." I believe that we will find ourselves in these extended meetings shortly. I am doing a three week meeting this year. It will be in my schedule soon. The thought occurs, who will come? Of course, the Lord Jesus Christ and the Holy Ghost. No, this generation has not passed this way before. In prison, we had meetings seven days a week for months on end and the Glory of God was in great demonstration! I was the prison pastor, I know.

## WE HAVE NOT PASSED THIS WAY BEFORE

Remember, on January 10 - 14, 2010, the Lord Jesus Christ revealed things to me, by His Spirit. He said, "You are entering into a place in the Spirit that you haven't been before. Prepare yourself and tell my people to prepare themselves, by developing the character of God in their lives. You will not be able to contain the power of God without the character of God." He also revealed to me that Joshua chapters 1-3 contains the principles, in types and shadows, that would lead us into the Spiritual Promised Land. I will only cover principles in Joshua chapter three in this article. Obtain my CD's on this for more revelation on the subject. I believe the Lord will reveal many things to you also.

### Spiritual Principles To Pass This Way

*And Joshua rose early in the morning; and they removed from Shittim, and came to Jordan, he and all the children of Israel, and lodged there before they passed over. (Joshua 3:1)*

*We have to go after God - He has already gone after us!* The Lord did not have to wake Joshua up, he got up himself. We must decide to obey the leading of the Lord ourselves. He is not going to make us possess this Promised Land, it is our choice. I made a decision, in prison, that I would seek the Lord to win those prisoners around me to Jesus. After a few months of praying and seeking the Lord, the Glory fell and many were delivered from demons, saved, and healed! My church grew from eleven people to seventy-five in four days and grew to over one hundred and twenty, soon thereafter. Nothing would have happened if I had not sought the Lord myself. He did not seek me, in a sense, I sought Him.

*And it came to pass after three days, that the officers went through the host; And they commanded the people, saying, When ye see the ark of the covenant of the LORD your God, and the priests the Levites bearing it, then ye shall remove from your place, and go after it. (Josh. 3:2-3)*

*We must follow the Lord and be led by the Spirit.* The usual position of the Ark, when the Israelites were at rest, was in the center of the camp, and during a march, in the middle of the procession. This was a different protocol from Heaven. This time the Ark would lead the people. This declares that God must lead us into the land, all of the natural plans of man are no good to cross Spiritual Jordan.

In prayer, while in prison, the Lord gave me specific directions to follow that caused His Power and Glory to be revealed in that prison. I would get on my knees and ask the Lord what He wanted to do in our Church. (Con't.)

I had no spiritual education and very little natural education, so I had to trust in the Lord to lead me. The Lord would tell me what songs He wanted us to sing and what scriptures to read. The anointing would come upon us all in our prison church services! We can't do church as usual. It will not get you there. Pray...until!!!

*Yet there shall be a space between you and it, about two thousand cubits by measure: come not near unto it, that ye may know the way by which ye must go: for ye have not passed this way heretofore. (Joshua 3:4)*

*They had a great respect and reverence for the Lord and we must too.* This generation has lost the sense of respect, even in the natural world. Many children are raised with a do what you want attitude. They tell their parents to shut-up and I will do what I want too! Rebellion is rampant throughout the world we live in.

This rebellion has gotten into the church and it is our fault as ministers. We don't want to tell people that, "This is not Burger King and you cannot have it your way. It is going to be God's way or no way!" The younger generation is being allowed to take over by their elders, who endure it to appease them. The younger generation must be led into the reverence and respect of the spiritual things of the Lord, in the church. Elders of the church must and will arise and take their place. *(Con't.)*

*And Joshua said unto the people, Sanctify yourselves: for tomorrow the LORD will do wonders among you. (Joshua 3:5)*

*We must develop the character of God in our lives.* This was especially true in this situation because the Ark was without the protective covering of the holy of holies. The raw Power of God will be in great demonstration in this wave and sin cannot come into the presence of our Holy God. Ananias and Sapphira, fell dead for lying to the Holy Ghost in the first outpouring in the book of Acts.

Many ministers died prematurely in the last major move of God that began in 1947. Cover yourself in the blood of Jesus, but also walk in the Spirit and do not fulfill the lusts of your flesh. Consecrate yourself to God today!

*And Joshua spake unto the priests, saying, Take up the ark of the covenant, and pass over before the people. And they took up the ark of the covenant, and went before the people. (Joshua 3:6)* *Ministers must partake of the power and lead the way.* On this historic occasion the Ark was to be set in the front ranks and carried, not by Levites of the family of Kohath, but by priests. Of course, all of us are kings and priests today but the five-fold ministries are to lead the way; so all the Levites (Christians) can follow in the way we have not been before. *We are crossing over!!! (Obtain CD Series For More Information) (End)*

# God-Controlled Emotions

by Patti Grier

Everyone has a desire, especially teenagers, to be accepted, belong, and feel wanted and needed. However, some times they let their emotions get in the way and emotions are not a good guide. This desire to be accepted, feel needed and wanted, and to belong is so strong that some will find the fulfillment of these in the wrong places even when they know better.

This desire has driven many teenagers, boys and girls alike, to compromise their beliefs and standards, just to feel accepted. And it's not just teenagers. Sometimes it's adults too. It drives them to dress in ways they know are not right. The way we look and how we dress portrays the image of who we are inside. Christians should not dress to cause anyone to be sexually attracted to them, as the world does..

No teenage boy, girl, man, or woman should advertise what they do not plan to give away. That is unbiblical, unholy, and not what a Christian should do. And many parents, even Christians, are too busy working and running to notice how their teenagers dress or act, then wonder why they get pregnant or get someone else pregnant.

There is nothing wrong with being "old fashioned" or "old school", if it saves our sons and daughters from disaster. The Bible says to stay away from all appearances of evil. Even if you're not doing something, just being around it gives the impression that you are. Putting yourself in compromising situations that you know are wrong, offers a strong temptation, and is almost 100% of the time accompanied by peer pressure. Of course some teens, and grown-ups for that matter, say that it will never happen to them. They say it may happen to someone else, but never in their life. Peter said the same thing. But those are the same ones that get caught up in sin, like Peter did.

Proverbs 4:23 says, "Above all else, guard your heart, for it is the wellspring of life." We must guard our hearts and our lives, from the enemy who is always trying to make us fall. We must keep the Word of God in our hearts, mind, and in our mouth to live a victorious life and free from sin. I have the strictest confidence in you that you will always do what the Bible tells you to.
