DOMINION OVER EVIL SPIRITS

Behold, I give unto you power to tread on serpents and scorpions, and over all the power of the enemy: and nothing shall by any means hurt you. (Lk. 10:19)

PATTI RANDALL, & RANDALL GRIER JR.

The New Testament is filled with the revelation of our redemption through Jesus Christ. Our redemption includes our freedom from Satan and our dominion over all the powers of darkness.

My experience as a Christian, in prison, thrust me into a satanic world that I had no idea existed until that time. (Get my book, *Escape From Hell*, and you will be amazed at what I witnessed.) Two of my best Christian friends were stabbed to death, brutally murdered, by demon-possessed human beings. I have seen and heard demon-possessed human beings acting and making sounds like animals and snakes. I have had lost sinners run to me in terror and tell me that they saw a demon running down the prison hall and wanted to know about Jesus.

I was forced to learn about the powers of darkness and my dominion over them, in the name and blood of Jesus, to survive.

Wrong Spirit

Many in the church of Jesus Christ do not understand these things. The church must realize that we are living in times that the satanic powers of darkness are on the

increase. I have recently been deeply concerned by those who are being influenced by seducing spirits, from Satan, and think they are yielding to the Holy Spirit. We are all susceptible to yielding to the wrong spirit, if we get too far over in the natural realm. I believe that we will walk in the Spirit and get it right.

Evil Spirits

Evil spirits (demons) are fallen beings or disembodied spirits. These evil spirits seek to possess a human being, to have a greater range of expression in the physical world. There are different ideas about how these spirits got on earth. The Bible doesn't give us much insight in this area though. The fact is they are here and the Christian has authority over them, in the name Jesus Christ.

There has been an increase of demonic attacks against the church, especially ministers of the gospel. If Satan can stop or lead astray the preacher, he can cause many problems in the church. We must be led by the Spirit of God today!

The Supreme Court

There is a battle going on in the spiritual realm about the new appointee for the Supreme Court. The actions of people against this judge are dictated by evil spirits who are influencing them.

While in prayer on June 30, 2005, I had a spiritual experience related to the Supreme Court. I was praying for the Holy Ghost to be poured out in the United States. I was praying for the five-fold ministry gifts to be in full operation along with the gifts of the Holy Spirit. I had no idea that I was going to have this experience. I was just spending time in prayer.

Suddenly, I had a vision and I was standing in the Supreme Court. I had never been there in my life, but when I looked at the pictures of it, it was exactly like I saw it. I was standing close to where the nine Justices sit on the bench up front and a little bit to the left of the center of the room. I looked around and didn't see anyone sitting in the seats on the floor. I glanced up to where the Justices sit and didn't see anything at first. The corner of my left eye saw movement up on the bench. A large demonic creature was sitting in one of the chairs where the Justices sit. I was shocked and amazed at what I was seeing! It was hard for my natural mind to conceive.

Taking Authority

The Spirit of the Living God came upon me! I found myself pointing at that large demon and saying, "I see you! I see you! I know now how all these ungodly laws are passed. You are behind it! Now I command you to come down from there in the name of Jesus Christ and leave now!" That demon jumped down to the floor, trembling and shaking. I said, "I command you to leave in the name of Jesus Christ!" It took off, down the aisle, running toward the door. When the demon got to the door, it ran right through it, without having to open it.

I received a Word of Wisdom or revelation at the end of this vision. The Lord said to me, "Two Justices will leave from the Supreme Court - a man and a woman." The very next day, the woman Justice retired from her position and three months later the man Justice passed away. The Lord wants you and I to pray for the Supreme Court so His will and plans can take place in our country. Our nation can only be changed in prayer. Take authority over these evil spirits that are trying to influence the Supreme Court, in the name of Jesus, and command them to go! If we do not, these spirits will cause much harm through the Supreme Court and the political realm of this nation.

And he arose, and rebuked the wind, and said unto the sea, Peace, be still. And the wind ceased, and there was a great calm. - Mark 4:39

President George Bush

I have had very few spiritually significant dreams. I had a dream concerning President Bush before he left office, in April 2008. He was yielding to evil spirits unknowingly. In this dream, I was walking up a hill on a road in a remote area. Nothing was around and I didn't see any trees, buildings or people.

I walked up the hill on the road looking ahead of me. I saw someone walking towards me, but I couldn't make out who it was. When we got closer, I could see it was President Bush and he was by himself. I wondered what in the world he was doing walking on this road in a remote area? We came within a few feet of each other and stopped. He looked up at me and I looked down at him. I waited for him to speak for a few minutes, but he never said a word, he just looked up at me. (I was taller than he was.)

Suddenly the Spirit of God came upon me! I said to him, "President Bush, please don't be a lame duck president in the last months of your time in office. There are things the Lord Jesus wants you to do that you have not accomplished." He responded and said, "You're right son, the Lord Jesus told me to run for president and there are things I have failed to do." He stood there in deep thought for a while. Then he turned to walk off.

Israel

Suddenly, he turned around and said to me, "I want to ask you something before I go. What do you think about my policy in Israel?" I was shocked and didn't know how to answer him. Again, the Spirit of God came upon me! I said, "President Bush, sir, there are only two people that are going to bring peace in Israel. One is the antichrist and the other is Jesus Christ. If you are not either one of them, please leave Israel alone."

I could hardly believe I had spoken so boldly, because I sure didn't plan to! President Bush, stood there and looked up at me sternly for a while. I was wondering what in the world is he going to do to me? I was thinking he might call the Secret Service to come and get me! Finally, He said, "Thank you" and turned and walked away.

After That experience, I noticed he calmed down on his strategy for Israel. I do not believe he ever accomplished, fully, what the Lord Jesus wanted him to do. I believe he was hindered by the powers of darkness, which was caused by a lack of prayer by the saints.

The terrorists attacks on the United States are also because of a lack of prayer and by saints not using their dominion over the powers of darkness. in Jesus' name.

Frog Like Creatures

In 1970 and 1979, Kenneth E. Hagin had a vision of three frog-like creatures coming up out of the Atlantic Ocean and were about to land on the shores of the U.S. The Lord Jesus showed him that this was three strategies of Satan that was coming against our nation. They would cause political, social and economic disturbances. In the second vision in 1979, Jesus said to him, "If the Christians of this nation had done what I told them to in My Word and had prayed for their leaders, none of these things would have happened. In fact, I am holding the church responsible for the president's mistakes."

The Lord has shown me that these strategies of Satan have arisen again, in a stronger way and the saints must take their place in prayer. We have dominion and authority over all the powers of darkness and nothing shall by any means harm us, if we take our place in prayer!

The powers of darkness are in operation in the political, economical, social and spiritual climate of this nation and it can be stopped. The saints of God must enter into prayer for our president, congress, supreme court, and military. We must also take our dominion over the powers of darkness, in the name of Jesus Christ! (end)

WORD & SPIRIT SCHOOL OF *Ministry*

PREPARING MINISTERS, THROUGH THE WORD AND SPIRIT, TO MAKE READY A PEOPLE FOR THE COMING OF THE LORD.

Word and Spirit School of Ministry exists to equip men and women who are serious about fulfilling God's calling for their lives. It is a school for those who hunger to minister God's Word in order to effectively help others, who long to know the Holy Spirit and His ways more intimately, and who desire to flow with the Holy Spirit in His gifts and manifestations.

The purpose and desire of Word and Spirit School of Ministry is to strengthen the local church by training and providing leaders, competent in the ministry of the Word and in the moving of the Holy Spirit.

While a number of schools have good Bible teaching, there are very few that teach individuals how to flow with the Holy Spirit in harmony with God's written Word. Word and Spirit School of Ministry familiarizes students with the many ways the Holy Spirit moves, as seen in scripture. WSSM also teaches students to recognize the way the Holy Spirit deals with each person individually, so they can yield to and be used by Him in His gifts and manifestations. In addition, teaching throughout the year establishes in students a solid foundation of God's Word - the greatest protection against error in life and ministry.

We Are Building For His Glory

It is a 7,200 square foot hangar\office\media production facility \multipurpose\storage building at the Claremore Regional Airport. It is twenty miles east of Tulsa International Airport. We considered going off airport, but it would cost about ten times more to build because of having to provide all the infrastructure to raw land. All those things are already available at Claremore. The property was also very, very inexpensive because the city wants to encourage economic development in the area. It helps them to help us by lowering the cost of the land and the infrastructure to build, which they provide! In fact, the airport manager told me that RGM was the talk of the town and CIEDA (Claremore Industrial & Economic Development Authority) and we are the first and only ministry to build like this. It is hard for them to believe that God has that much money. Let me shout again! NOW, I am bragging on God and you because I need your HELP to finish the miracle that God has started. **I encourage you to get in on this miracle and sow any amount that you have faith for. You may also become one of the Gideon's Army Givers below.**

GIDEON'S ARMY GIVERS

I invite you to become one of “*Gideon's Army Givers*” to get in on this miracle building project. I received this from the Lord, while in prayer and meditation about completing the multipurpose building. He spoke to me about Gideon's Army and how the Lord accomplished great things through them.

And the number of them that lapped, putting their hand to their mouth, were three hundred men: but all the rest of the people bowed down upon their knees to drink water. And the Lord said unto Gideon, By the three hundred men that lapped will I save you, and deliver the Midianites into thine hand: and let all the other people go every man unto his place. (Judges 7:6-7)

Notice, God chose the three hundred, not Gideon. God is choosing you, not me. I also want to point out that the Lord only chose those who lapped the water from their hand when they knelt down to drink. God didn't choose those who put their face down to the water to drink, which obscured their sight. He chose those who were vigilant and observant to watch for the enemy. They knelt by the water, scooped it up with their hand, and watched while they lapped. What does it take to become one of Gideon's Army Givers you may ask.

Our financial goal is to obtain, by faith, **\$165,000.00** more to help complete the project. **\$165,000.00 divided by 300 is only \$550.00.** So a simple **\$550.00 donation** makes you a **Gideon's Army Giver**. Each giver will receive an honorary certificate from RGM as a giver and each person will be placed on our **"Wall of Remembrance"** inside the multipurpose building, so we will never forget those who sowed to build the Kingdom of God through RGM/AFI. Of course, we encourage you to sow any amount over that \$550.00. We have already had those who have **sown** as a Gideon's Army Giver and those who have **pledged** to sow and become one. **NOTE:** The building will be completed in 3 - 4 months, weather permitting. Other things will be completed later, but we should occupy it by then. **Construction started the week of January 30, 2017.**

**** This means we have to act now so every contractor is paid in full and on time as we build. We will also be needing some skilled workers to **volunteer** to help us finish some things inside. If you have no construction skills, but are willing to help, we need you too! Contact us if you would like to volunteer.**
