Howbeit when he, the Spirit of truth, is come, he will guide you into all truth: for he shall not speak of himself; but whatsoever he shall hear, that shall he speak: and he will shew you things to come.

A TIME OF HARVEST

Howbeit when he, the Spirit of truth, is come, he will guide you into all truth: for he shall not speak of himself; but whatsoever he shall hear, that shall he speak: and he will shew you things to come. (John 16:13)

The above verse tells us, “He will shew you things to come.” I say it this way, “He will reveal to you future events.” That does not mean he will reveal to me, or you, all future events, but those things He wants us to know.

I was praying in December 2017 when the Lord revealed to me something about the year of 2018.

“2018 will be a year of promotion like you have never seen or known. A time to glean from the seed you have sown. A time to turn around things that have gone wrong. This is your time; this is your year. Reach out in faith and take what is yours, while heaven is near!”

I was impressed not to say anything about this until January 1, 2018. I knew it was for the year of 2018. I knew that I was to preach this revelation, continually, this year until people received it and acted upon it.

PATTI, RANDALL, & RANDALL GRIER JR.

The Lord gave me further instructions on how to act upon this word that I will share later. It is one thing to know what to do and it is another thing to do it. We have all been in that situation, at one time or the other.

Scriptural

If this revelation is from God, it must have principles, in the Bible, that prove it out. I will list some of those scriptures to benefit us all. If someone has a revelation that does not agree with the Bible, it is a bunch of bunk, junk and hogwash! If they have to twist the scriptures to prove their point, it is a bunch of bunk, junk and hogwash! If they say a portion of scripture was not written to the church, when it clearly is, to prove their point, it is a bunch of bunk, junk and hogwash! Revelation, without sound, balanced scripture is false doctrine! No matter who it comes through.

Promotion

For promotion cometh neither from the east, nor from the west, nor from the south. But God is the judge: he putteth down one, and setteth up another. (Psalm 75:6-7)

Spiritual promotion clearly comes from the Lord God.

Get your mind, heart and spirit in tune with the Lord God Almighty, and off of man! Take your mind off of yourself, your strength and your ability. Promotion comes from God, not your ability! My God, I am going to stop and shout! Praise God! Glory to His name! Don't set there like a bump on a log! Get up and shout to the Lord most high!

Sowing And Reaping

While the earth remaineth, seedtime and harvest, and cold and heat, and summer and winter, and day and night shall not cease.
(Genesis 8:22)

The Lord God prophesied that while the earth existed there would be seed time and harvest. He meant what He said. Spiritually speaking, we are in a time of harvest this year. If you don't take advantage of it - it will pass you by. Harvest denotes action on your part.

After going through hell, so to speak, in the church since 2006, it is turned around and it is time to reap the harvest. I ain't cussing, I am telling the doggone truth! Many intense prayers were delayed in being answered because of demonic opposition in the spirit realm (Daniel 10). Praise God! The answer has come. Our prayers got us a breakthrough, like Daniel did!

Harvest Is Work

You can't sit and do nothing and reap the harvest. It is time to work your faith and bring it in!

We can learn some things from one of earth's smallest creatures and become wise, according to the Bible: The Ant.

*Go to the ant, thou sluggard; consider her ways, and be wise: Which having no guide, overseer, or ruler; Provideth her meat in the summer, and gathereth her food in the **harvest**. How long wilt thou sleep, O sluggard? when wilt thou arise out of thy sleep? Yet a little sleep, a little slumber, a little folding of the hands to sleep: So shall thy poverty come as one that travelleth, and thy want as an armed man.* (Proverbs 6:6-11)

There are over 12,000 species of ants and some estimate there are 15,000 species on earth. The Bible tells us to consider the ant and be wise. One principle of wisdom is the ant is not lazy. When it is time to harvest the food, they get after it by the hundreds and thousands! They form a line and march back and forth and bring the harvest in. They are busy!

In the agricultural realm, harvest time is one of the most intense times of the year. They have a certain window of opportunity to get the crop out of the field. If they don't, they will lose the crop and make no money. In harvest, they will work day and night until the harvest is in. If you want a harvest, in 2018, you must put your faith to work now.

The ant can lift 50 times its weight. That is comparable to a human being finding a full grown African elephant and lifting it over their head! It can also pull 30 times its weight! Most everyone has seen ants in action.

What can you learn from the ant according to the Bible? They do not slumber and sleep during the harvest. They go into action and do what is required to bring the harvest in. We must do what is required to bring our harvest in also. The harvest won't fall on our heads like ripe cherries off of a tree. Dad Hagin used to tell us this, in times past. I have proven it true in my own life.

*He becometh poor that dealeth with a slack hand: but the hand of the diligent maketh rich. He that gathereth in summer is a wise son: but he that sleepeth in **harvest** is a son that causeth shame.*

(Proverbs 10:4-5)

May I give you a kindly word of advice? Thank you. Don't listen to those nice folks who tell you Jesus has done everything, and now you do nothing but believe He did it. It is true Jesus Christ did His part, but if you don't get off your rear end and do your part, you will not have the harvest He died and rose again for you to have. I appreciate you listening.

Faith Brings The Harvest In

A farmer uses tractors, combines and other machinery to bring in the agricultural harvest. We use our faith to bring in our natural and spiritual harvest. I learned about faith from Dad Hagin and the Word of God. Jesus Christ commissioned him to “*Go and teach My people faith.*” If you will read and listen to Dad Hagin’s messages on faith, it will forever change your life for the better. That is if you do what he said.

Remember, those nice folks that tell you Jesus did it, and all you do is believe He did it are wrong. Nowhere in the Bible can you find a scripture that tells you that you don’t have to do anything. You have to do some doing too. You must act on God’s Word for it to work for you. You must work the Word. I know saying this is like cussing, in the modern day church, but nevertheless it is true.

In other words, Jesus set you free from adultery and fornication, but you also have to keep your drawers up and stay out of bed with someone you are not married to. That is works and action on your part. By the way, I am smiling while I write this. Make it plain preacher! Thank you, I will. I believe the folks that say all you do is believe mean well. You can mean well and still be scripturally incorrect.

Seducing Spirits

*Now the Spirit speaketh expressly, that in the latter times some shall depart from the faith, giving heed to **seducing spirits**, and **doctrines of devils**. (1 Tim. 4:1)*

I am sure you have heard of sound Bible doctrines, but you may have never thought about there being doctrines of devils. Doctrines of devils come from devils. How do we know? This scripture says so.

I know what you are thinking. Yes, the devil has his own perverted devil book. He takes God’s Word and twists it to make it say something God didn’t say, to fool you. He is a fooler. The devil is a fooler. I never thought of that word before, but it is a good one, that should be in the dictionary. He wants to fool folks right into error, false doctrine and hell.

The devil uses his perverted book, in the church world, as well as the natural world to deceive people. When you hear anything that does not completely agree with the Bible, just say it is from the devil’s book. It is, you know. You better know! Don’t make me come over there!

Seducing Spirits To Doctrines Of Devils

How could anyone accept a doctrine of the devil in the church? I am glad you asked. The Lord taught me along these lines, years ago, to help keep me from error.

It begins with a seducing spirit from Satan. *Seduce means to entice or attract someone to a belief or into a course of action that is inadvisable or foolhardy. My word - a fooler.* When you are seduced, you believe what you are saying or doing is right, when it is totally wrong. How in the world can the devil seduce you into believing a lie? The number one way is through someone else that is already seduced by him. Usually it is someone you respect, look up to or that is popular.

If you will listen to a deceived person, long enough, that spirit will influence you and eventually deceive you. Then you will believe, talk and act like the person that is practicing seduction of the devil. A devil practitioner. Then, you are copying the devil himself. You become a devil practitioner also. You probably don't want that on your resume. That should be easy to understand.

How To Not Be Deceived

Jesus Christ appeared to Dad Hagin on September 2, 1950, and told him, *"Follow the Word of God, the Spirit of God, and Me, and you will not be deceived."* It is that simple. First, do not accept anything that disagrees with the whole counsel of God's Word. Second, and this is the easiest way to me, *"Be led by the Spirit of God."* The Spirit of God will alert you, in your spirit, if something is not right. You may not know why or how, in your mind. Just follow that inward witness, that it is wrong, and stay away from it.

Third, follow the Lord Jesus Christ. The Lord is your Shepherd or protector and He will keep you from seducing spirits. He is your Lord and savior, so get to know Him through prayer.

These truths have kept me, over the years, from getting into deception. Even when very popular ministers, in the church, got into false doctrine and millions followed them. Sometimes, it seemed I was right by myself in not following them. Of course, I know there must be many others who do the same. This does not mean that I know it all, because I don't. It also does not mean that I have never missed it, because I have. I always got back on the right track, quickly, because of these principles and my willingness to change. *If you stay on the wrong path, long enough, you may not be able to get off of it. When you realize something you have accepted is wrong, change quickly. Most folks don't.*

Faith Brings In The Harvest

Even though faith has been taught over and over, it seems many Christians do not practice it correctly. I hear Christians, all the time, saying they are in faith when they are not. They truly believe they are though based on their knowledge. What they believe does not agree with the Bible and it is not faith and will not work for them.

What you pray or say must become past tense in order for it to be faith. If you are going to get it, in the future, it is not faith - it is hope and won't work. My wife, son and I recently stood in our kitchen and prayed the prayer of agreement that our house was sold. We immediately thanked and praised God that it was sold. Christians would ask us about our house and we would tell them it was sold. They would say, "Oh, you have a contract on your house. Great!" We would say, it is sold, in the name of Jesus. We would explain our faith, and they looked at us like we were lying to make things look good!?

There were houses for sale in our area that had been on the market for over a year. In eighteen days, we had a contract on our house and sold it for more money, per square foot, than any house that had ever been sold in our area. People in the neighborhood still don't believe it! Christians said you sold your house quickly. No! It was sold the day we prayed and it took eighteen days for people from Germany to pay for it. If your saying and praying is not past tense, it is not faith. Don't waste your time going through the motions getting frustrated, because it isn't working. (end)

The Lord revealed to Rev. Grier that it is harvest time. Harvest time is the busiest time there is in the agricultural industry. The same is true in the Kingdom of God. When it gets to be harvest time, a farmer will wait for the right time and when it hits - everything starts moving. You will see combines and farm equipment going day and night to harvest the crop. And they won't stop until it's done. That's because they know that if something happens - a rainfall or something else - it could stop them and they could lose all of the unharvested crop. It is harvest time in the Kingdom of God and the Lord is wanting us to get busy. This message will be a blessing to you as you hear what the Lord is desiring from the church today.
