THE TRUE MOVE OF GOD

That we henceforth be no more children, tossed to and fro, and carried about with every wind of doctrine, by the sleight of men, and cunning craftiness, whereby they lie in wait to deceive.

(Ephesians 4:14)

I was blessed to be able to endure, overcome and conquer much false doctrine in my early years of serving the Lord. I have continued this practice since then. There were times that I was almost deceived by unscriptural doctrines, but I always adhered to the Bible in the end. This prepared me for the times that we live in today. The church I pastored would not accept any message from anyone if it did not agree exactly with the Bible. They were students of the scriptures. Two of my close Christian brothers were stabbed to death because they would not disobey the Bible. You really decide what you believe when you have to die for it.

Today, regrettably, we are being forced to take sides with the Bible or unbiblical ideas of men. We have to take a bold stance against false ideas of men and demonic powers in the mighty name of Jesus. Bold, in the sense that we will not be moved by the voice of anyone who teaches things contrary to the written Word of God. The Bible is our road map of Christianity and we follow it.

PATTI, RANDALL, & RANDALL GRIER JR.

Counterfeit Move

We are in the edges of the greatest move of God that the church and world has ever seen. It is the devil's plan to deceive us with a false move that

will lead the church into error. This is not new, it is always the strategy of the devil. He always has a counterfeit, demonic move that involves well-meaning people, and declarations from the Bible.

It is disguised so well that it looks like God in every aspect at first. The more it grows, the further it gets away from the Bible and the Spirit of God. That is why we always have to judge everything according to the Word and Spirit of God. If we don't, we will be seduced and deceived ourselves.

Since Dad Hagin moved to heaven, there have been major false doctrines that have infiltrated the church. He used to correct these things as they arose and they would quite down. There are ministers, as well as myself, who speak out about these things but our voice is not heard by many that need to hear. I ask you to pray with me for the Lord to raise up men and women today and give them a platform to speak the truth in love. This will help keep the church on course in these last days.

Why I Address These Things

So you, son of man: I have made you a watchman for the house of Israel; therefore you shall hear a word from My mouth and warn them from Me. (Ezekiel 33:7)

On October 18, 2004, The Lord spoke the above verse to me. He had told me to get up and share with the church I was speaking in about a vision I had in September of 2004. I didn't want to because I saw devastation and destruction coming on the United States in 2005. I wanted to preach something warm, fuzzy, light and frothy. I wanted to make people laugh and shout, not be sober and thought provoking. The Lord said to me that day, *"Do you want to please yourself, please the people or please Me? I am your judge and Lord, not man! Do you accept the calling I have placed upon you?"*

I responded to Him with tears and said, "Dear Lord Jesus, I am willing to do whatever you want me to do and go wherever you want me to go." He said, *"I have called many but I have chosen very few because they will not obey what I tell them to do. Obeying me is not popular and not always easy on the flesh but great rewards are in store for those who obey and honor me."*

I made it up in my mind and spirit that I would obey the Lord from that day forward, regardless of what people said or thought. It has been a ministry I did not naturally choose or want, but my will is to do His will.

Catholicism Unity Doctrine

I am sure you have heard by now, the news about unity in the church world. A representative of the Pope/Catholic church was invited to speak in two major Christian meetings. One meeting was in January of this year at a minister's conference and the other was at a convention this July. If you have not heard any of this, you are blessed. This is false doctrine and should not be followed by any Christian, minister or church.

I was headed to bed, one night recently, when the Holy Ghost prompted me to tune in to the live stream of this convention. I never had any prompting like this before. One of the first things I saw was a picture/video of the Pope. I heard many unbiblical things, including that the church was being asked to unify with the Pope and the Catholic Church because it was the original church. I let out a yell and hollered "No!" I could not believe what I was hearing and seeing promoted by this Christian gathering. My spirit was grieved. The Spirit of God prompted me to address the issue because it was unbiblical. If it does not agree with the Bible it is not of God, no matter where it comes from.

I discovered that several ministers had gone to the Vatican to visit with the Pope, who may be a nice man, but he is greatly deceived by seducing spirits. They all promoted unity with the Pope. I was shocked!

What Does The Bible Say

Now the Spirit speaketh expressly, that in the latter times some shall depart from the faith, giving heed to seducing spirits, and doctrines of devils. (1Timothy 4:1)

The Bible clearly states that Christians can depart from the faith by listening to seducing spirits. There are seducing spirits whose purpose is to lead Christians and ministers away from the Lord Jesus Christ into error. I am not saying that a minister that gets into error and false doctrine starts off that way or plans to do so.

Adam and Eve started off walking with God, in the beginning. Satan seduced and deceived them and they made the wrong choice and disobeyed God's Word. Adam and Eve got into false doctrine. *False doctrine is anything that does not agree with the rightly-divided, written Word of God.* If you listen long enough, the devil will deceive you or me. The number one way these evil spirits seduce a person is through someone who is already seduced by them. It is usually a very popular, powerful and well-liked individual.

The Devils Territory

When you get on the devil's territory, you are opening yourself up to deception. It may seem innocent to you, but it will lead you into error. The Pope may be a very nice person but, bless his heart, he is deceived by seducing spirits. *He practices things that do not agree with the Bible, from praying to Mary to idol worship.*

If I, you or key leaders in the church world associate with these seducing spirits they will deceive us too. One well-known, very successful minister that graduated from Rhema began to follow the Pope. He has now resigned his church, left his ministry, and is being confirmed in the Catholic Church. Wonderful people, but greatly deceived, in error and would laugh in your face, probably, if you told them that. There are people in the Catholic Church who I believe are saved, but there are very many that are deceived and unsaved.

I can love my brothers and sisters who are following this seducing spirit, and pray earnestly for them. I cannot follow them or agree with unifying with the Pope. If we disobey the Bible, we will be led into error also. The men and women that promote this may mean well, but I respectfully disagree on unity with the Catholic Church because Jesus Christ would. I do know in my spirit what is right and wrong. If you struggle with knowing in your spirit, just read the Bible because the Spirit always leads you according to the Word of God.

Think not that I am come to send peace on earth: I came not to send peace, but a sword. For I am come to set a man at variance against his father, and the daughter against her mother, and the daughter in law against her mother in law. And a man's foes shall be they of his own household. (Matthew 10:34-36)

Departed This Life Prematurely

This unity doctrine was not of God because it did not agree with the Bible, even though it was being promoted by the very elect. One of the men that stood at the forefront of this unity message, sadly, departed this life yesterday and I have prayed for the family. I am certainly not glad it happened, but it seems so many were carried away with this false unity that the Lord had to permit it to take place.

I Was Sad This Happened

I was sad that it even had to occur. If those who should have known it was error had corrected it, I am sure it would not have happened. I am praying daily that the Lord will raise up strong voices, and give them a platform to keep the church on course in our times. It would save us a lot of time in getting to where we need to be in this end time move of God that Satan is trying to stop with false moves. Dear Heavenly Father, please raise up men and women of God to keep us on course, in these last days, in the name of Jesus. I pray that we all come into the unity of the faith of Jesus Christ.

THE MOVE OF GOD

We are in the edges of the greatest move of God that the church and world has ever seen. The devil is not going to stop it and God's Spirit will gobble up all the false. I sense in prayer that a mighty deluge of His Spirit is being poured out upon us. Victory is sure for the saints!

And it shall come to pass in the last days, saith God, I will pour out of my Spirit upon all flesh: and your sons and your daughters shall prophesy, and your young men shall see visions, and your old men shall dream dreams. (Acts 2:17)

The Spirit of God will shake this world, one last glorious time, before the rapture of the church. We are there, and that is why the devil is trying to confuse and disrupt the natural world and the church. Remember, the devil is on a chain and he can only go so far.

The Importance Of Prayer

The prayers of the saints will bring about the fulness of this great move of God. God will not transgress His own Word. He gave the lease to Adam. Adam gave it to the devil. It is running out. But until that time, God can only intervene as Christians seek His face and ask Him to move.

Satan's authority over matters on the earth can only be overcome as Christians pray on behalf of the church and country. God is longing today for someone who will make up the hedge and stand in the gap before Him for this great outpouring of His Spirit across the land and around the world.

We are to pray for one another as we walk in the love of God and overcome satanic deception. God is greater than anything that the devil can try to bring on the church. We already have the victory because Jesus Christ obtained it for us!

ABUNDANCE OF RAIN

I sense that Heaven's windows are opening and a Holy Ghost flood is upon us. Like the prophet Elijah of old, "I can hear the sound of an abundance of rain" (1 Kings 18:41-46). Jesus appeared to Dad Hagin in 1950 and said, "Many of My own people will not accept the moving of My Spirit, and will turn back and will not be ready to meet Me at my coming. Many will be deceived by false prophets and miracles of satanic origin. But follow the Word of God, the Spirit of God, and Me, and you will not be deceived. I am gathering My own together and am preparing them, for the time is short." Many of His own people have already began a departure from seeking the Lord for His plans. Psychology has taken the place of the Holy Ghost and many are having so-called church without God being involved. It grieves the Spirit and He will not place His blessings on it. Let us invite the Spirit of God into our lives, church and meetings.
