SEEING & KNOWING

For as many as are led by the Spirit of God, they are the sons of God. (Romans 8:14)

The only agency of the Godhead at work in the earth today is the Holy Spirit. The goal of every Christian should be to be led by the Spirit of God. The church should be led by the Spirit of the living God also. We must see and know things of the Spirit supernaturally. Dad Hagin taught us that the only true success is found in praying and finding out what the Lord says to do, and do that. That is the spirit of seeing and knowing in action. I have proven this true in my personal life and ministry.

What Is It

The spirit of seeing and knowing is the revelation gifts of the Spirit revealing God's plans to us - the word of knowledge, word of wisdom and discerning of spirits. Thank God for these supernatural gifts that assist us in our daily life and ministry.

Jesus Christ appeared to Dad Hagin, in 1987, for two hours and fifty-three minutes. He gave him the guidelines for the church to obey, to follow His plans and purposes. Dad Hagin published a book called *Plans, Purposes and Pursuits* that covered this.

PATTI, RANDALL, & RANDALL GRIER JR.

In 2007 the Lord spoke to me and said, *"I have been trying to get my church to walk in the light of that revelation for the last twenty years and they have failed to do so."* He had

patiently waited for the church for twenty years! Here we are in 2019, which is thirty-two years, last month, from 1987 and the church has yet to walk in the light of that revelation.

How He Operates

Likewise the Spirit also helpeth our infirmities: for we know not what we should pray for as we ought: but the Spirit himself maketh intercession for us with groanings which cannot be uttered. And he that searcheth the hearts knoweth what is the mind of the Spirit, because he maketh intercession for the saints according to the will of God. (Romans 8:26-27)

The Christian who makes the choice to consistently pray and seek the Lord will become acquainted with the Spirit of God. The reason many do not have spiritual experiences is because you must first be in the Spirit. The pastor or minister who will develop their prayer life will have the spirit of seeing and knowing operating in their ministry. Each person that does this will enjoy a rich, full life in the Spirit.

Delivered From Death

Let me tell you about Mrs. Goodwin and Pastor Goodwin and the spirit of seeing and knowing. One night Pastor Goodwin was awakened by his wife groaning. He thought she was sick and asked her what was wrong with her. She told him that she awoke sensing one of their church member's life was in danger. It was so real that she began to groan and travail in prayer. The spirit of seeing and knowing was at work. They were people of prayer and sought God.

She didn't know who it was, but they both started praying about it in the spirit. After a while, he drifted off to sleep. Soon he was awakened again with his wife groaning in the spirit. They decided to get out of bed and pray. They prayed a good while. They still did not know whose life was in danger. At four o'clock in the morning he told her that they should just agree that God would give the person a dream or vision about the danger. Afterwards, they both went to bed and slept.

The next morning, one of their faithful church members went to work on an oil drilling rig. The boss of the crew told this man that one of the other workers, who worked at the top of the rig didn't come that day. He asked him to climb up and do that job. The church member agreed and started to climb the ladder. He started up the ladder, stopped and came back down to the ground.

The boss asked him what was wrong. He said, "About four o'clock that morning I had a dream. In the dream, the worker did not show up and you asked me to do that job. I climbed up and started working. About ten minutes later, a cable broke and cut my head off. I am not going up there!"

Another man laughed at him and said he would work up there because he wasn't superstitious. The man who laughed, went up the ladder and went to work. About ten minutes later a cable broke and cut the man's head off. The man's head fell down and hit the Goodwin's church member in the back!

The spirit of seeing and knowing saved the church member's life. What if the Goodwin's would not have been people of prayer? The Holy Ghost could not have warned them and the church member would have died. There are many things that the Lord tries to make people aware of like this.

I have had many experiences over the years with the spirit of seeing and knowing. Anyone will, if they spend time in prayer and become sensitive to the Spirit of God. Many times Christians are too active in the mental realm. It hinders their ability to be conscious and aware of what the Spirit of God is trying to say. Many of my experiences have come while I was praying in the Spirit. My mind was quiet and I would hear Him.

Changes On Earth

In September 2004, while praying, I had a mini vision, as Dad Hagin used to call them. I heard the Spirit say, *"The Earth is reeling off course because of the fall of man through the act of sin. This started when the original sin occurred in the Garden of Eden. The earth has progressed further and further off course since that time."* Isa. 24:18-20

Then I had a vision and saw the earth tilted on its axis and saw the earth wobble minutely off course. The Spirit of God said, *"Great changes will occur in the weather of the earth and shifts in the earth's surface and earthquakes will increase. If I did not intervene and stop it, total annihilation would occur to the human race."* I started preaching this back in 2004. These things will increase as we move closer to the end of the age because the earth is reeling to and fro, increasingly. Isa. 24:18-20

I would have never known this had it not been for the spirit of seeing and knowing. This spiritual experience would not have happened unless I had been sensitive to His Spirit. If I had not been praying it would have not happened.

Have you noticed, in the church world, how fewer and fewer of these things have taken place in the last twenty years? I am speaking of legitimate manifestations of the Holy Ghost, not some kook who is trying to make it look like they prayed and heard from God.

President Donald John Trump

In the last presidential primary runoff, Mr. Trump was mocked and made fun of by the media and most of the church world. Yes, the church world. The Lord had ordained that he be president to bring freedom from oppression to the Christian world. Most Christians and media would chuckle, laugh and scoff if you mentioned Mr. Trump during the primary. Christians had prayed for him to come to the forefront and did not realize it!

When it came time to vote in the republican primary, all the Christians I knew, personally, said they were voting for Mr. Ted Cruz. I sought God for who to vote for. A novel idea, I presume. The spirit of seeing and knowing went into operation in my life. The Spirit of God said to me, *"Do not vote for Mr. Cruz as others do. He is more of a politician than they realize. He will go along with the popular ideas of society and the culture of your day and will not obey me."*

I told my wife and son what the Lord had said. My wife agreed with me. On primary election day my wife and I went to our precinct and voted for Mr. Trump, because we knew he was God's choice. No one expected him to be nominated. No one. God knew he would, but most of the church world, who is supposed to know God, did not know he would. What else does the Lord know they do not know? Many important things.

On presidential election night, my wife and I were sitting, watching the returns on the news. I was naturally concerned because all the talk about Mr. Trump did not sound good. The returns did not look good either to begin with. I started to get nervous sitting there. I prayed and got in the spirit. The Lord spoke to me and said get up and go to bed, all will be fine.

I looked at my wife and told her I am going to bed. God has everything under control. She told me she was going to bed too. We went to bed, trusting God. I awoke about three in the morning and saw that Mr. Donald John Trump was the president of the United States like God said. How many stayed up and worried that night? The ones that did not have the spirit of seeing and knowing in manifestation in their lives.

I say these things to make people aware of what they are missing by not praying and seeking God. It is not to find fault, but to point out the solution. God, who created the universe, is ready to commune with us all. You have to be in the spirit to have spiritual experiences. Your education is not worth anything when it comes to these things. You can't figure these things out in your natural mind. No one, in their natural mind, figured Mr. Trump would be president. I am for education in its proper place. My son, Randall, has a masters degree in Aviation and Space. He graduated with highest honors, with God's help.

Prayer Group and Sister Sylvia

Dad Hagin pastored an Assembly of God church in Texas years ago. They had a group of ladies that were known for praying Heaven and Earth together. There was a lady in the group whose daughter had disappeared when she was sixteen years old.

She had gotten involved with a gang of hoodlums and the police got after them. They all fled the area to keep from getting arrested. The girl came up missing too. The police and others thought the gang killed her because she knew too much and might tell on them. They even searched the city lake, thinking they might have hid her body there. The police never found her body and said she was dead. All the community people assumed she was dead also.

She had been missing for many, many years. Her mother kept saying she knew, in her heart, she was alive somewhere. The girl's mom and dad were old and feeble and greatly longed to know of their long lost daughter. They were living with one of their older daughters by this time because of their age.

The church prayer group asked Pastor Hagin if he thought it was alright if they prayed and asked God about the girl. Dad Hagin told them he thought it would be alright. They prayed for a good while. Suddenly, one of the ladies spoke in tongues as all of them were praying.

Sister Sylvia, gave the interpretation. The Spirit of God said the girl is alive and she will contact her parents within thirty days. The news traveled like wildfire throughout the church and community. A couple of the church board members came to Dad Hagin and told him that he ought to put a stop to all that talk. They said everyone knew the girl was dead and it would look bad on the church in that small community.

Dad Hagin, being a man of the Spirit, told them he believed in Sister Sylvia because she knew God. He said if it had come though anyone else he would have doubted it himself. He told the board members to just wait for thirty days.

Thirty days later the girl's elderly dad walked to the post office to get the mail. The mail clerk behind the counter told him he had a letter that was addressed to him and his wife marked as general delivery. He took it and placed it in his coat pocket and went home. He forgot about the letter. Later that evening, his daughter they were staying with came home. She asked her dad if they got any mail that day. He remembered the letter in his coat pocket and she went and got it out. She opened the letter. It said, *mom and dad, I don't know if you are still alive or not, but if you are and answer this, I will come and visit you.* They were amazed!

The daughter came to see her elderly mom and dad. She had her son with her. She had been taken off by one of the gang members to keep the other gang members from killing her. He had kept her chained up for years because he thought she would go to the police and tell on him. Right after they prayed, the son, who had grown up, made his dad release his mom. The dad said it has been long enough, why don't you contact your mom and dad and go see them if they are alive. They came and attended church on a Sunday morning and both the daughter and her son got saved!

NOTE: God knew this all the time, but until somebody got in the Spirit and asked Him, they would never find out. I know why, but it would take three newsletters to explain it to you. Get in our meetings. There are different ministry offices with different abilities and anointings to help you. If you're only exposed to one office, you will never mature in these things pertaining to the spirit of seeing and knowing. Thank God for all the ministry gifts.

There are many things God desires to reveal to you. You will never know them if you allow your flesh or feelings to dominate you. If you waste away the hours in the mental realm and not praying, you will remain spiritually illiterate. Press into God in prayer today! *end*

GENERATION LIFE YOUTH CAMP

Generation Life Youth Camp, directed by Rev. Bill and Sandra Barbee, was a time of Holy Ghost encounters for all in attendance. There were 100 in attendance with Rev. Randall Grier, Rev. Bill Barbee, Rev. Craig Field and Mrs. Laura Lee Wallace ministering to the youth. Everyone there was filled or refilled with the Holy Ghost for the first time. They all left speaking in tongues and glorifying God for His goodness in their lives. Each one learned how to apply the Word of God in their life.

There were multiple testimonies of youth being set free from suicidal spirits. Many were healed from sickness. All were filled with the joy of the Lord and left encouraged and prepared to be a blessing to others. The anointing was present upon all.

The camp revolves around the Word and Spirit, but each day has fun and games. There is also a zip line that all participate in. They fly away in the Glory and anointing of the Holy Ghost with shouts of joy! They are equipped to overcome! Come and join us in July 2020. Info below.
