

THE WORD AND SPIRIT

WATCHING IN THE SPIRIT - EZEKIEL 33:7

DEC 2011

THE YEAR OF 2012

But God hath revealed them unto us by his Spirit: for the Spirit searcheth all things, yea, the deep things of God. (1 Corinthians 2:10)

“2012 will be a time that in His presence you shall dwell and over Satan you shall prevail!”

The Lord said to me, *“The year of 2012 will be a time that my people will overcome and a new race in the spirit they will run. Just as I spoke at the tomb of Lazarus and said, ‘loose him and let him go’ I am declaring from Heaven ‘My people are loosed and will move forward in My power in this hour.’ The prayers of my people have brought this about and of that fact, do not doubt.”*

“The spiritual walls of Jericho shall fall and the Promised Land shall be possessed. Move forward in faith, relying on My power, mercy, and grace. The walls will fall as you shout in faith and you shall triumph over the enemy. Do not fear, but demand and command your rights, from the devil, in Christ Jesus and you will see the devil flee and you will walk in supernatural victory!”

What Many Experienced In 2011

Put on the whole armour of God, that ye may be able to stand against the wiles (strategies) of the devil. (Ephesians 6:11)

Many have experienced thoughts and feelings of fear, dismay, sorrow, helplessness and even thoughts of just giving up. You must understand that those thoughts were sent to you by satanic powers. Satan’s strategy has been the same since the Garden of Eden. He impresses your mind with thoughts and ideas that will lead you away from God’s Word, if you will listen to him. The thoughts he brought to you caused you to have down feelings in the emotional realm.

Satan is called the prince of the power of the air. He and his demon spirits rule in the earth wherever they are allowed to. I really don’t believe that Christians purposely permit him to gain an advantage over them or our nation. I just believe some do not realize how he operates and how we must take authority over him. Satan can only do what the individual gives him permission to do. If we bind him on earth, in the mighty name of Jesus Christ, he will be bound by heaven.

Victory Is Yours Now And In 2012

...For verily I say unto you, If ye have faith as a grain of mustard seed, ye shall say unto this mountain, Remove hence to yonder place; and it shall remove; and nothing shall be impossible unto you. (Matthew 17:20) There is no demonic power that can stop the born again believer who acts upon the Word of God in faith! There is no problem, situation or mountain that can stand in their way and stop them. Mustard seed size faith is all that is required. You already have the faith you need, if it is put into action. You must release your faith by speaking to your mountain or problem.

The Natural & Spiritual Correction Continues In 2012

Whose voice then shook the earth: but now he hath promised, saying, Yet once more I shake not the earth only, but also heaven. And this word, Yet once more, signifieth the removing of those things that are shaken, as of things that are made, that those things which cannot be shaken may remain. (Hebrews 12:26-27)

A spirit of fear and panic has hit Wall Street and our Federal and State Governments and the world wide economy. There are adjustments that must be made. *(Continued side 2)*

GIVING AND RECEIVING

And you Philippians yourselves know that in the beginning of the gospel, when I left Macedonia, no church entered into partnership with me in giving and receiving, except you only. (Philippians 4:15)

We are in the Christmas season and people are thinking of giving and receiving as the Apostle Paul mentioned in this verse. What amazes me is that the Apostle Paul had little or no financial support to accomplish what the Lord Jesus Christ had called him to do. Jesus appeared to him on the road to Damascus and called him into the ministry. I know the Lord Jesus called people to support him when He called the Apostle Paul into His ministry.

I have been in the same position as the Apostle Paul and the Lord always made a way. He will make a way for you but His way always requires acts of faith. Don’t miss opportunities the Lord gives you to sow financially. I am not saying anyone should just wildly give their money away to anyone. A person should tithe to their local church and support it and sow as the Lord leads them into the Lord’s work.

Airplane Miracle

In the early nineteen nineties I was flying a single engine airplane around to my meetings. I could fly it for less money than I could drive a car and get to my meetings and back much quicker. I had trouble with the electrical system failing a couple of times. The mechanics could not find any reason why I should be having the trouble. I continued flying it to my meetings.

One day I was flying into a busy international airport when my electrical system failed again. All my communication radios and navigation equipment ceased to function. I was unable to talk with the air traffic controllers or know my exact position in relation to the airport and commercial aircraft. I continued flying my flight plan as the FAA rules require. I turned on a portable, handheld battery powered radio and was able to communicate with the air traffic controllers again. They were able to give me headings and altitudes to fly and talk me down to where I could see the runway and land. For you pilots, I was flying an IFR flight plan. Oh yes, I was very happy to land!

I had the mechanics look into why the system had failed again. They said it was a part that I replaced about two weeks earlier that had failed and I needed a new one. They ordered it and while installing it on the airplane, the mechanic saw something everyone before had missed. The engine block was cracked on number three cylinder from top to bottom. Excessive engine vibration had caused it to crack and caused the electrical problems. I was grounded and had to have a new engine that cost many thousands of dollars that I did not have. I didn’t know what I was going to do.

I went to the hotel to pray and get ready for my meetings. The Lord woke me up during those meetings one night. He gave me a message entitled, *“Knocked Down But Not Out.”* He also caused the money to come to me in that meeting to pay cash for a new engine!

I Had To Get Someone To Obey Me

The mechanics told me that my airplane should have had a catastrophic engine failure many flying hours earlier. They said it was a miracle that I had not crashed. *(Continued side 2)*

THE RGM AIRPLANE

I am praising God for the progress we have made towards the purchase of our airplane! Remember, we sowed our twin engine airplane to another ministry a while back. Join with us and sow \$5000.00, \$1000.00 or any amount towards this project. You may be the one to sow the full amount to finish what we need to pay cash for this airplane.

Thank you for what you have sown and I speak a special blessing over you and all you set your hand to shall prosper! I know that financial miracles will occur because you have acted upon the Holy written Word of God! **Have A Blessed Christmas!**

(The Year 2012 continued)

This correction or shaking that is going on is in our natural world but there is also a spiritual correction that is taking place in the church world. The correction began in the natural realm in the Fall of 2008 and in the church in September 2010. The reason for this is that things are out of God's order in the natural and spiritual world. The wrong plans were being carried out in the financial (natural realm) by people with the wrong motive.

There are those in the church world (spiritual realm) who are operating the same way. The wrong plans are being instituted by people who are not being led by the Spirit of God and it is hindering what the Lord Jesus Christ wants to do. Those people, who are not being led by the Spirit of God, will come to an end just like those in control of the financial realm came to an end. Out of this correction, there will arise a church filled with the glory and power of God. That is what the Lord told me. In light of these facts we need to pray for those in authority in the government, the leaders in the body of Christ, as well as all believers. *(End)*

(Giving and Receiving continued)

The mechanics told me that my airplane should have had a catastrophic engine failure many flying hours earlier. They said it was a miracle that I had not crashed. I asked the Lord Jesus about it. He said to me, "I kept the airplane flying supernaturally until I could get you where I could get someone to obey me and help you financially." I began to weep because I was so moved by His help, concern and love for me and my family. The Lord went on to tell me how He knew I was obeying Him by faith and trusting Him daily to supply the ministry financial needs and take care of my family. He knew I didn't have the money to replace the engine, and He was blessed by me walking by faith. He told me He had tried to get others to obey Him and sow financially into the ministry He called me to before that time but some failed to pick it up in their spirit.

Apostle Paul's Partnership

The Apostle Paul received the revelation from heaven to write about two-thirds of the Bible. He faced many hardships and opposition from people and Satan, but the Lord put him over. He needed people to partner with him to help Him fulfill the will of God in the earth. I am thankful for those who partner with me to accomplish His will. Dad Hagin's word to me is coming to pass. He told me that I would be right in the middle of the last day end time move of God. I encourage you to be there too. *(End)*
