WATCHING IN THE SPIRIT - EZEKIEL 33:7

Feb 2012

## VICTORY OVER SATAN

*Therefore rejoice, ye heavens, and ye that dwell in them. Woe to the inhabitants of the earth and of the sea! for the devil is come down unto you, having great wrath, because he knoweth that he hath but a short time. (Revelation 12:12)*

Satanic oppression has been released against the saints in a manner that is unprecedented in our generation. It is not my intention to glorify the devil and all he is doing, but I sense I must clarify what is going on today. We are in the process of the greatest move of God the church or world has ever witnessed. Satan is trying his best to take out anyone that would or is playing a role in this move. If you haven't met with any opposition from the devil, check the direction you are going in - you may be going in the same direction that he is. The devil is *already defeated*, but we must enforce it.

### Going Through Attacks Of Hell

I know us faith folks always keep a positive confession and we should, but there are many that are going through *attacks of hell* right now. I spoke to some great saints of God today that had thoughts of giving up, some to the point of taking their lives! The Holy Ghost has help for you. *Get in my meetings, I am anointed by God to deal with these issues.* I have great success in dealing with any satanic oppression. I am filled with the *compassion* of the Lord for all who need help, especially ministers.

The power of God is present there to heal, free from satanic oppression, bring you prosperity, clarify your vision, increase your anointing and gifts of the Spirit flowing through you. Dad Hagin, set down and put his arm around me for about one hour before he went to heaven. I received instructions about how to yield to the ministry of the prophet, as he talked to me about my last day ministry. He also taught me not to be big on titles and try to draw attention to myself, so that's why rarely, if ever, that I talk about it. It seems to be okay to call someone a pastor, teacher or evangelist though. (page 2)

## LET DOWN YOUR NETS

*Now when he had left speaking, he said unto Simon, Launch out into the deep, and let down your nets for a draught. And Simon answering said unto him, Master, we have toiled all the night, and have taken nothing: nevertheless at thy word I will let down the net. And when*

*they had this done, they enclosed a great multitude of fishes: and their net brake. And they beckoned unto their partners, which were in the other ship, that they should come and help them. And they came, and filled both the ships, so that they began to sink.*

(Luke 5:4-7)

Over a period of weeks recently, I spent hours and hours praying about *what, when and how* the Lord wanted me to do in the ministry. I desired His perfect will for my life and ministry, above all else! He dealt with me about areas of my life and ministry that He wanted me to make adjustments in. His love, compassion, and anointing came upon me in a mighty way! He revealed to me His perfect will in the ministry He had called me to. He showed me what to do and I am doing it with joy.

During that prayer time, He talked with me about how He had invited Peter to enter into *partnership* with His ministry so He could effectively preach the gospel. Peter accepted the invitation of Jesus, not really understanding what it meant to be a *partner* with His ministry. Jesus told Peter what to do that would bring him and his partners in the fishing industry much prosperity. When you and I *partner* with Jesus in preaching the gospel, we are guaranteed to be blessed beyond all our expectations.

While praying, the Lord Jesus told me to let down my net for a catch of those who would *partner* with me, financially, in carrying out His plans and purposes. I protested and told the Lord I had tried different ways to do that, but it didn't seem to work that well. He reminded me that Peter said he had toiled unsuccessfully but Peter said, *"At Thy Word I will let down the net."* I invite you to be a monthly, financial, *partner* with RGM today. **Blessings!**

### **Why Satanic Oppression Is So Substantial Right Now**

*But the thing displeased Samuel, when they said, Give us a king to judge us. And Samuel prayed unto the LORD. And the LORD said unto Samuel, Hearken unto the voice of the people in all that they say unto thee: for they have not rejected thee, but they have rejected me, that I should not reign over them. (1Samuel 8:6-7)*

It all began in 2008 during the presidential election. The majority of the people of our nation *rejected God* and invited demonic powers into this nation. No, they didn't know what they were doing because they had been deceived by seducing spirits of Satan. Many people still don't realize how demonic powers entered this nation during the last presidential election. As goes the leader of a nation, so goes that nation.

While praying in February 2008, I had a vision. I saw a demonic creature that was trying to control President George Walker Bush. I knew it was trying to control the outcome of the upcoming election, in November 2008. The Lord Jesus told me in that vision to warn His people about this evil spirit and pray. He told me, *"If the wrong person is elected it will bring many problems in the political, economic, social and spiritual realms of this nation."* The wrong person was elected and all hell broke loose as the devil flooded into this nation. Under the influence of demonic powers, President Obama declared right away that the United States was no longer a Christian nation.

### **The Problem We Now Face In The 2012 Election**

The problem we face in the 2012 presidential election is not political, libertarian, independent, democratic or republican. It is a devil problem! Satanic powers are trying to destroy our Christian United States. Yes, they are working through people but we have to deal with the devil behind them and we can! *I know people need to vote but if they vote under the influence of satanic powers, they will vote the devil's way as the majority did last time.*

All the problems we have now in the United States are *spiritual* and man's natural means won't correct them. Electing a different person or political party will not stop Satan. He laughs at that thought. Yes, I agree that some political parties do not respect our nation or Constitution and we should not vote for them. *If you are planning on some elected man, woman or political party to save you, you are sadly mistaken.* We have to stop satanic oppression through the mighty name of Jesus and power of the Holy Spirit in prayer, and we can! What do you pray? *...Spare thy people, O LORD, and give not thine heritage to reproach, that the heathen should rule over them: wherefore should they say among the people, Where is their God? (Joel 2:17)* This is not all but it will get you praying correctly.

### **Scripturally Binding The Powers Of Satan**

I learned very much from Dad Hagin about how to deal with satanic powers as well as from personal experience. I have cast out hundreds of demons and bound rulers of the darkness of this world over the years. *(Get my book "Escape From Hell" at my website for more info.)*

Although the Bible doesn't teach believers to focus their praying on fighting demons or pulling down strongholds over cities or nations, we are instructed to pray to further the Kingdom of God on the earth. Someone might say, "Let's back off from praying for our cities and nations altogether to avoid all the errors and extremes about pulling down strongholds and combating the devil in prayer. Let God do whatever He wants to do; there's no point in praying." But we cannot back off from praying for the lost. The world desperately needs prayer, and the Church needs prayer. Rev. John Wesley said, "It seems that God is limited by our prayer life. He can do nothing for humanity unless someone asks Him."

*Verily I say unto you, Whatsoever ye shall bind on earth shall be bound in heaven: and whatsoever ye shall loose on earth shall be loosed in heaven. (Mat. 18:18)*

Jesus wasn't talking about binding a principality or a power up in God's Heaven, because there is nothing in God's realm that needs to be bound. No, Jesus was talking about the first heaven or the second heaven, because that's where these evil powers are at work.

Principalities and powers keep ruling in this realm on earth because they are able to operate through unbelievers or through ignorant and disobedient believers. However, believers can stop principalities, powers, and the rulers of the darkness of this world in their operations in Jesus' Name as they exercise their authority in Christ. Binding the devil in his operations against us is the scriptural way to deal with evil spirits ruling in the heavenlies.

### **Illustration Of Dealing With Evil Spirits**

On June 30, 2005, I was praying for the outpouring of the Spirit of God to take place in our nation. Suddenly, I had a vision and I was standing in the Supreme Court of the United States. I looked around and didn't see any people, only empty seats and furniture.

I was standing in front of the bench where the nine Justices sit. I saw movement out of my left eye up on the bench and turned to look, expecting to see a Supreme Court Judge. I was shocked to see a large demonic creature sitting there. The Spirit of God came on me and I commanded it to come down and leave in the name of Jesus Christ! It began to shake in fear and jumped down.

I received my private pilot certificate in 1988. I set my faith for my first airplane that year also. For 3 long years it seemed like nothing was happening. In 1991, I got greatly concerned about why it seemed nothing was happening. I prayed and told the Lord I must have missed His will. Suddenly, He spoke to me and said, "I heard your prayer the first day and sent the answer but those I spoke to have not obeyed me. Stay in faith, I will bring it to pass." I was filled with the joy of the Lord! He moved supernaturally and I paid cash for my first airplane about 4 months later! Get in on this miracle. You can sow any amount and you just may be the one to sow it all.
