

THE WORD AND SPIRIT

Watching In The Spirit ~ Ezekiel 33:7

DOMINION OVER ALL DARKNESS

And the seventy returned again with joy, saying, Lord, even the devils are subject unto us through thy name. And he said unto them, I beheld Satan as lightning fall from heaven. Behold, I give unto you power to tread on serpents and scorpions, and over all the power of the enemy: and nothing shall by any means hurt you. (Luke 10:17-19)

The New Testament is filled with the revelation of our redemption through Jesus Christ. Our redemption includes our freedom from Satan and our dominion over all the powers of darkness.

Satanic Operations

My experience as a Christian, in prison, thrust me into a satanic world that I had no idea existed until that time. (Get my book, *Escape From Hell*, and you will be amazed at what I witnessed.) Two of my best Christian friends were stabbed to death, brutally murdered, by demon-possessed human beings. I have seen and heard demon-possessed human beings acting and making sounds like animals and snakes. I have had lost sinners run to me in terror and tell me that they saw a demon running down the prison hall and wanted to know about Jesus. I have witnessed demonic activity where demons would change things in the physical realm. Some things I have witnessed from the satanic realm I may never be able to tell.

I was forced to learn about the powers of darkness and my dominion over them, in the name and blood of Jesus, to survive. Many in the church of Jesus Christ do not understand these things. The church must realize that we are living in times that the satanic powers of darkness are on the increase. I have recently been deeply concerned by those who are being influenced by seducing spirits, from Satan, and think they are yielding to the Holy Spirit. We are all susceptible to yielding to the wrong spirit, if we get too far over in the natural realm. I believe that we will walk in the Spirit and get it right. *(Cont. next Column)*

Evil Spirits Defined

Evil sprits (demons) are fallen beings or disembodied spirits. These evil spirits seek to possess a human being, to have a greater range of expression in the physical world. There are different ideas about how these spirits got on earth. The Bible doesn't give us much insight in this area though. The fact is they are here and the Christian has authority over them, in the name and blood of Jesus Christ.

Darkness And The United States In 2010

Evil spirits not only want to control human beings, they will control a nation if they are allowed to. Every strategy of Satan against the U.S. can be stopped, as Christians stand in their place of authority in Christ on behalf of this nation.

While praying in February 2008, I had a vision. In the vision, I saw a demonic creature that had its arms wrapped around the presidential office of the United States of America. The Lord spoke to me and said, *"This demon is trying to control the current president of the U.S. (President George Walker Bush), this nation, and he is trying to control the upcoming presidential election. Tell my people to pray to stop the plans of Satan or grief and sorrow will come to this nation."*

I published the vision and what the Lord told me. I must not have communicated it as strongly as I should. *The U.S. is in a time of upheaval like has not been seen before. Millions are without jobs because of bankrupt companies, banks are collapsing everywhere, the church is backsliding as a whole, violence has and is on the increase, promiscuity is in every area and age of the American public, abortion is rampant, homosexuality is paraded as accepted by God, our military is at war, terrorists are on the increase in the U.S., and most of all, millions upon millions are on their way to hell!*

Be Not Discouraged - Things Can Change

I am not discouraged but I am stirred deeply in my spirit about all these things. *Now while Paul waited for them at Athens, his spirit was stirred in him, when he saw the city wholly given to idolatry. (Acts 17:16).* The Lord Jesus has stirred my spirit about this nation! *(Cont. Page 2)*

Dominion In The Supreme Court

While in prayer on June 30, 2005, I had a spiritual experience related to the Supreme Court. I was praying for the Holy Ghost to be poured out in the United States. I was praying for the five-fold ministry gifts to be in full operation along with the gifts of the Holy Spirit.

I had no idea that I was going to have this experience, I was just spending time in prayer. Suddenly, I had a vision and I was standing in the Supreme court. I had never been there in my life but when I looked at the pictures of it, it was exactly like I saw it. I was standing close to where the nine Justices sit on the bench up front and a little bit to the left of the center of the room. I looked around and didn't see anyone sitting in the seats on the floor. I glanced up to where the Justices sit and didn't see anything at first. The corner of my left eye saw movement up on the bench. A large demonic creature was sitting in one of the chairs where the Justices sit. I was shocked and amazed at what I was seeing!

The Spirit of the Living God came upon me! I found myself pointing at that large demon and saying, *"I see you! I see you! I know now how all these ungodly laws are passed. You are behind it! Now I command you to come down from there in the name of Jesus Christ and leave now!"* That demon jumped down to the floor, trembling and shaking. I said, *"I command you to leave in the name of Jesus Christ!"* It took off, down the aisle, running toward the door. When the demon got to the door it ran right through it, without having to open it.

The Supreme Court

Two Justices Leave The Supreme Court

I received a Word of Wisdom or revelation at the end of this vision. The Lord said to me, *"Two Justices will leave from the supreme court-a man and a women, for it is my will and plan."* The very next day the woman Justice retired from her position and three months later the man Justice passed away. The Lord wants you and I to pray for the Supreme Court so His will and plans can take place in our country. Our nation can only be changed in prayer.

President George Walker Bush - The Dream

I have had very few spiritually significant dreams. I had a dream concerning President Bush before he left office, in April 2008. In this dream, I was walking up a hill on a road in a remote area. Nothing was around and I didn't see any trees, buildings or people.

(Continued)

I walked up the hill on the road looking ahead of me. I saw someone walking towards me but I couldn't make out who it was. When we got closer, I could see it was President Bush and he was by himself. I wondered what in the world he was doing walking on this road in a remote area? We came within a few feet of each other and stopped. He looked up at me and I looked down at him. I waited for him to speak for a few minutes but he never said a word, he just looked up at me. (I was taller than he was.)

Suddenly the Spirit of God came upon me! I said to him, *"President Bush, please don't be a lame duck president in the last months of your time in office. There are things the Lord Jesus wants you to do that you have not accomplished."* He responded and said, *"Your right son, the Lord Jesus told me to run for president and there are things I have failed to do."* He stood there in deep thought for a while. Then he grasped my hand and shook it and turned to walk off.

Suddenly, he turned around and said to me, *"I want to ask you something before I go. What do you think about my policy in Israel?"* I was shocked and didn't know how to answer him. Again, the Spirit of God came upon me! I said, *"President Bush, sir, there are only two people that are going to bring peace in Israel. One is the antichrist and the other is Jesus Christ. If you are not either one of them, please leave Israel alone."*

I could hardly believe I had spoken so boldly, because I sure didn't plan to! President Bush stood there and looked up at me sternly for a while. I was wondering what in the world he was going to do to me? I was thinking he might call the *Secret Service* to come and get me! Finally, He said, *"Thank you"* and turned and walked away.

After That experience, I noticed he calmed down on his strategy for Israel. I do not believe he ever accomplished, fully, what the Lord Jesus wanted him to do. I believe he was hindered by the powers of darkness, which was caused by a lack of prayer by the saints. The terrorists attacks on the United States are also because of a lack of prayer and by saints not using their dominion over the powers of darkness.

President Barack Obama - Prayer And Vision

On November 3, 2008, around 7:45 p.m., I was praying about the presidential election that would take place the next day. The Spirit of Intercession had been upon me for most of the day about the election. I had no idea I was about to have a vision and wasn't even thinking about anything like that. *(Cont. Page 3)*

I was walking back and forth across the room. I had been worshipping the Lord for about ten minutes. I then said to the Lord Jesus, *"I want to talk to you about the election."* Suddenly! Jesus Christ, our Lord and God appeared to me! He was sitting on His throne! He pointed His finger at me and said, *"Don't talk to me about the election anymore, I don't want to hear it! The people are going to get exactly what they want, but I want you to tell them they will get what it says in first Samuel chapter eight!"* Then He disappeared and I didn't see Him anymore.

I went and sat down and contemplated what He had said to me with great sadness. I told some of those who were praying with me what the Lord had said. Later, I published what Jesus told me to and some disagreed. Some thought I said it because of my political views but it had nothing to do with politics or the color of a persons skin. Jesus Christ knew what was best for this country and I was following Him. We must pray for President Obama, his family, staff, advisors and his cabinet members, so the will of God can take place.

Political, Economical, Social, Spiritual

The powers of darkness are in operation in the political, economical, social and spiritual climate of this nation and it can be stopped. *(Continued)*

The saints of God must enter into prayer for our president, congress, supreme court, military and each of the areas previously mentioned. We must also take our dominion over the powers of darkness, in the name and blood of Jesus Christ. Satan, nor any evil spirit, cannot operate in this nation as we exercise our spiritual authority!

The Vision Of The Three Frog-Like Creatures

In 1970 and 1979, Kenneth E. Hagin had a vision of three frog-like creatures coming up out of the Atlantic Ocean and were about to land on the shores of the U.S. The Lord Jesus showed him that this was three strategies of Satan that was coming against our nation. They would cause political, social and economic disturbances. In the second vision in 1979 Jesus said to him, *"If the Christians of this nation had done what I told them to in My Word and had prayed for their leaders, none of these things would have happened. In fact, I am holding the church responsible for the president's mistakes."*

The Lord has shown me that these strategies of Satan have arisen again, in a stronger way and the saints must take their place in prayer. We have dominion and authority over all the powers of darkness and nothing shall by any means harm us, if we take our place in prayer! *(End)*
