THE IMPORTANCE OF BEING LED BY THE *Holy Spirit*

As many as are led by the Spirit of God they are the sons of God. (Romans 8:14)

Being led by the Spirit of God is becoming unheeded by many in the church who should know better. There are those who have no idea of what this scripture is speaking of so they have the lesser responsibility. It is those who have been taught this that have the greater responsibility.

Listening to what the Spirit of God is saying to your spirit will keep you in the will of God and out of false doctrines. It can also save your life. It will also keep you from producing wood, hay and stubble in your life and ministry. Those things are not the will of God, waste time, money, and are worthless. Read 1 Corinthians 3:9-17 to see what the Bible says about this.

False Embraced 1988

Years ago, there was a lady who claimed to have supernatural manifestations of the Spirit of God and great crowds flocked to her meetings. Oil would supposedly appear in the palms of her hands and drip off. White feathers would magically appear in midair around her on the platform. She claimed it was the glory and power of God.

Several of the senior key ministers in the Faith Movement embraced this ladies' ministry as from God. They had her come to Tulsa and hold a meeting in the

Mabee Center Arena, on the ORU campus. Most of the Faith Camp were totally deceived by this! They flocked, by the thousands, to attend the meeting. People were standing outside because they could not get in the building. Name almost any minister you can think of that is/was very popular in the Faith Movement and they attended the meetings.

I had learned to be led by the Spirit of God while I was in prison through much prayer. That skill saved my life many times. I didn't do anything unless the Lord led me to. I am still that way. I had a check in my spirit about this lady and sensed she was not of God.

I got down on my knees and prayed about what I sensed. The Lord spoke in my spirit and said do not attend these meetings - I didn't! When friends pressured me to go, because everybody was going, I told them no. They pressed the issue as to why and I told them the lady was not of God.

My friends said, “Who do you think you are saying this is not of God!” Brother and Sister so and so said it was of God, which were key ministers in the faith movement. I told them I did not care because I knew the Spirit of God and He told me it was not of God. They laughed at me, mocked me and made fun of me! I stood my ground and told them I would stand with God instead of those ministers who were many years my senior and should know the Holy Ghost! (Luke 6:39)

That lady floated feathers through the air and dripped oil when she walked! She would call out internationally known ministers and so-call prophesy over them. They would fall down and flop around on the floor like a fish out of water! They acted like the power of God knocked them down. They actually helped perpetrate the lie the lady was putting on! Ministers of the Gospel! They were praised as mighty men and women of God.

Guess what? The lady was exposed! She was pulling the oil and feathers out of the long sleeve dresses she always wore. It was slight of hand like a magician would do! My Lord and My God did she trick, fool and deceive many thousands of Christians and preachers! Ha! Ha! Ha! I am sure she said all the way to the bank to deposit the hundreds of thousands of dollars she took from them.

Lakeland Florida Meeting 2008

Not too many years ago, a meeting, supposedly from God, broke out in Lakeland, Florida. They had to rent a gigantic tent to hold the tens of thousands of people that came to attend.

The so called preacher claimed an angel named Emma would appear to him and give him instructions. He was tattooed from head to toe and was running around with a woman who was not his wife, but he kept it hidden. It was found out later. (Luke 6:39)

I was a speaker in a large meeting with key ministers in the church. I considered myself to be the least senior of all the speakers. They started talking about the Lakeland meeting and who all was going to it to get the power of God and take it back to their churches. Over a million people went there from all over the world. I kept my mouth shut and just listened as they went on and on about it. After a long while, one senior minister turned and asked me what I thought about the meeting. I did not volunteer my opinion, I was asked to share it by the elder minister. I said, *“That meeting is of the devil and demons are operating there, as well as doctrines of devils are being preached!”*

He and the rest of the ministers gasped like I had committed the unpardonable sin, and shook their heads. They looked shocked and awe struck. They got up, walked off, and left me sitting there alone. These were my senior ministers. They did not know it was of the devil. Why? They were not being led by the Spirit of God.

The lakeland meeting fell apart when the minister was caught with the woman that was not his wife. Do you know there are people who are still following him today?! Hundreds of thousands were deceived by him, and some still are.

Gold Miracle Meeting 2000

In the late 1990's, a lady was having a supernatural manifestation of gold-looking stuff ooze through the pores of her skin. It would appear in globs in her hair. Preachers and pastors began to promote her and said it was a miracle sign from God. I had heard of it, but I didn't pay much attention to it. I wondered how Christians could be taken in by evil spirits so easily. I knew it was demonic.

It was around the year of 2000 when I was praying with a small group of people. We were praying for the end time move of God. Suddenly, I was in the Spirit and saw a demonic spirit on the east coast of the United States. I saw this evil spirit begin to spread across the nation from east to west. I knew it was for the purpose of deceiving the church.

I wondered what the vision meant when the Lord said to me, *"The ones that stand at the forefront of what is called the gold dust movement (a woman and a man), and promoted this demon activity to the church will be removed from the scene. I have given them space to repent (Rev.2:21) for their sin and they have failed to do so."* I knew the man and woman would die because of what the Lord said. He would no longer protect them, from Satan, in their sin.

Judgment

Now I know the modern day church doesn't believe in God judging people like this. I also have friends that make fun of me and say I am wrong for saying things like this. Some say I am preaching false doctrine and putting fear into people. I know they simply don't understand these things so I am not offended and I love them all. *I was being led, by the Spirit of God, to declare this, whether anyone received it or not.*

Note: judgment is about to take place, in the church, on a level like this generation has not known. There will be those who will be removed from the earth because of their continued stubborn, rebellious disobedience. Some ministers especially, refuse to listen to the Lord Jesus Christ and be led by His Spirit instead of their own ideas and plans. They are leading others into the flesh, and away from the Holy Ghost. Repent, or you will be brought down from your lofty heights.

The last day move of God has been hindered by the irreverent, flesh-seeking groups in the church. They will come to nothing. Their time is over. They have lost the anointing like King Saul in First Samuel 15. The anointing will be placed upon others who will obey God like King David was anointed to replace Saul in First Samuel 16.

Submit

There are ministry leaders that are actually demanding that many other ministers disobey the Lord, and not be led of His Spirit, because of their influence over them. They publicly ridicule those who don't go along with their program and plans. The ministers, who are not bold enough to obey the Holy Ghost, submit to keep from being embarrassed publicly, and to be accepted by the crowd. How would you like to be approved and accepted into the disobedient crowd because you were afraid of man?

Those who obey the disobedient are not being led by the Spirit of God. They are being led by a man or a woman. If they really listened to the Holy Ghost, they would know the people they are following would not know the Holy Ghost if He came walking down the isle with a red hat on, wearing a purple cape.

I don't care how large a ministry they have, or how popular they are. If they aren't following the Holy Ghost, you must not follow them. Some are spiritual enough to know it and still walk in disobedience like a dummy. I cannot understand that at all. Get on your knees and pray until you have the boldness to obey God. You won't care what man says then. I also know that if you do not pray you will not listen to the Holy Ghost or obey God.

I do believe in submitting to those approved of God in the church, but not to those who will not follow the Holy Ghost. It is possible, to be a minister and yield to seducing spirits to hinder entire organizations so they will not be effective against the devil. It is going on, right under many people's noses and they don't even know it?

Be spiritually wise as to who you listen to, and who you follow closely. It could save your life. Just because someone - minister, church, ministry or an organization has success, does not mean it is Godly success. Just because someone was following the Holy Ghost, at one time, doesn't mean they are now. Judge whether they are in the faith or not. Don't be a programmed robot and follow along until you lose the anointing and come to your end also.

It is scriptural to receive impartations from ministry offices to equip us. The problem arises when you follow someone, closely, that has gotten off in their ministry. If they are yielding to seducing spirits, eventually, you will too. Then you are just as deceived as they are. The number one way a devil seduces you is through someone you look up to that is already seduced. You must be led of the Spirit of God and not follow them.

Only a handful of people knew where David was tending the sheep when he was called in from the field and anointed to be King over Israel. God knew where he was. Go to the field and tend to prayer and prepare yourself to be a vessel He can use and the day will come that He will send and get you! You will be dead to the flesh, men's accolades and programs.

Jesus learned obedience through the things that He suffered (Heb. 5:8-11). You will suffer as He leads you to the field, all alone, while others play in the flesh and party. David's brothers were at the party, but he was out in the field alone with God. It is a lonely place in the flesh, but a glorious place in the Spirit. I beg you to go to the field of God and fall on your face before Him in prayer. Dedicate and consecrate yourself. Crucify your flesh on the cross of calvary then you will be meet for the Master's use!

I am speaking by the Spirit of God to you. There is a Glorious move of God that must take place. Jesus will return in this move also. It has been hindered through operations of the flesh, disobedience and sin in the church. That is why some must be removed. They are walking in the flesh and hindering what God is doing. God will have His way!

She Died One Week Later

I spoke out what the Lord told me in the prayer meeting about the demonic gold manifestation. One week later, to the day, the woman died. A while after that, the man died just like the Lord told me they would for their failure to repent of following demons and promoting them. It was sad that they would not repent. How could anyone be so stubborn that they would rather die than repent?

Others Deceived

Not long after this experience, I was asked to speak at a ministers gathering. I arrived a day late to the meeting because of being on the road ministering. I got in late. I decided to stay in my hotel room, the next day, and fast and pray because I was speaking to the ministers that night. They went on an outing together.

When I stood to speak, that night, the Glory of God came upon me! I preached with great unction and boldness about the gold dust being of the devil! I noticed most all of them said very little and squirmed in their seats. When I finished preaching, most all of them left the room immediately. I was told that the night before all they talked about was the gold dust. They wanted that person to come to their church and draw a crowd! They went to the same Bible School I did. They were not led of the Holy Ghost, but by seducing spirits. (end)
