# LED BY HIS SPIRIT

*For as many as are led by the Spirit of God, they are the sons of God.*  
(Romans 8:14)

Rev. Kenneth Erwin Hagin was caught up in the Spirit with Jesus Christ on July 16, 1987, for two hours and fifty-three minutes. Our Lord Jesus revealed to him the plans for the church, and how to please Him in our worship. Jesus told him that many churches were trying to worship God in the flesh and were bringing the things of the world into the church. That was in 1987. It was the first camp meeting in Tulsa, OK, that Dad Hagin invited me to speak at. I spoke in his meetings many times after that, as the Lord led him to call on me.

The church world, as a whole, has quadrupled up on bringing the things of the world into the church. Dad Hagin called it substituting the brass of the world for the true gold of God. I never say things to attack anyone, but to protect the flock of the Lord Jesus Christ by speaking the truth in love. The plan of God has not changed. The church changes with cultural fads of society, but that is not His plan. We are to be led by His Spirit.

## **Dad Hagin Don't Agree**

Dad Hagin would not agree today with many of the things of the world that are in the churches of those he taught and trained. For some around him, it was a great relief when Dad Hagin moved to heaven. He kept us in check and out of the flesh as much as he could. Some were glad when he was gone so they could break away from the Heavenly Vision and follow their own vision. It is declared boldly, by key people he taught, *"I am following my own vision now."* They did not perceive they were to continue on until the Heavenly Vision, from Jesus, was fulfilled.

The problem arises, in the fact that they never really understood the plan of God to start with. If they had, they would not have been following a man's vision, but the Heavenly Vision of the Lord Jesus Christ. The vision and plan was from Jesus Christ Himself, not from Rev. Kenneth Erwin Hagin. That Heavenly Vision has not been fulfilled because many have lost sight of it or told that era is over now. There is a remnant, that I am a part of, that will continue to pursue the Heavenly Vision until it is complete. Jesus Christ and Dad Hagin are waiting for us to finish it.

## The Visitation

Dad Hagin was caught up in the Spirit, for almost three hours, with Jesus Christ in 1987. It seems to me that everyone would want to pay attention to and do what Jesus told him during that time. Look around today and you will know my thinking is wrong. July 16, 2017, was 30 years ago when this visitation occurred. The church has never acted on what Jesus said during that visitation with Dad Hagin. That is why the plan of God has been hindered. The book *Plans, Purposes and Pursuits*, by Kenneth E. Hagin, gives the details.

This is what Dad Hagin said about that 1987 camp meeting. *“As I stood there with Jesus, I saw that this Campmeeting would be one of the most monumental and momentous Campmeetings we have ever had. I saw that the results of this Campmeeting would be forthcoming for a long, long time.”*

I was there, as many others were, and a partaker of that glorious anointing. It was a time of correction, from the Lord - for Dad Hagin, those of us in attendance, and the Body of Christ in general. The message, from Jesus Christ, offended a great number in the church world and some even got angry about it. Many who rejected the message are walking in spiritual darkness today.

## Spiritual Darkness

Spiritual darkness occurs when a preacher or believer rejects the Word and Spirit of God. They devise their own plans and ideas and implement them instead of following the Lord Jesus Christ. Next, seducing spirits from the devil begin to influence them and they get into doctrinal error.

You see, there is an element of truth in all doctrinal error. Usually the error occurs when people push Biblical truths to the extreme. Actually, there has to be an element of truth involved in these spiritual tangents or no one would believe them; the error would be too obvious. I'm against the extreme on any issue. People can even be extreme regarding faith or any other subject. That's why I encourage people not to get into the ditch — into extremes and excesses — in any area. Just stay right in the middle of the road. I learned this from the Bible and Dad Hagin.

Spiritual darkness causes ministers and Christians to be contentious, even when they never were before. That is one way, not the only way, to tell someone is walking in darkness. They will argue about Biblical doctrine with anyone who will argue with them. They will stir up controversy over Biblical issues just to get people to attack one another. Ministers will attack other ministers who don't agree with them privately and publicly, as well as spread untrue rumors about them.

## **The Other Side Of Darkness**

There is another display of spiritual darkness besides what has been mentioned. Another way to tell someone is walking in spiritual darkness is when they began to compromise sound Biblical doctrine. They embrace things that the Bible says is sin and declare that God understands, and it is okay, such as the acceptance of homosexuality, lesbianism, adultery, and other sins that the Bible speaks against. They no longer reprove, rebuke and exhort as the Bible instructs. Many begin to think that everyone is going to heaven regardless of what they believe.

I realize all this sounds extreme, but that is a key that people are in spiritual darkness. Remember, the error occurs when people push Biblical truths to the extreme. It can be done on any Bible truth, such as love, grace, faith, works, prosperity, fasting, prayer, gifts of the Spirit, ministry gifts, and end time doctrines, etc. Dad Hagin taught us all to stay in the middle of the road on Biblical subjects and not to get in the ditch on either side.

## **How To Not Be Deceived**

Jesus Christ appeared to Dad Hagin on September 2, 1950, and told him how to not be deceived. Jesus said, *"Follow the Word of God, the Spirit of God and Me and you will not be deceived."*

## **Instructions For Today**

The instructions for us today were given July 16, 1987.

First, Jesus said in this visitation, *"I bless all of My people as far as I can. But the reason there is not the move of God and the depth of the flow of the Spirit, and the fullness of the manifestation of the Holy Ghost today is because men do not take time to hear from Me. And they do not take time to follow My plan set forth in the scriptures. The more closely you follow My plan, the more My power will be in demonstration and in manifestation."*

This answers the question of why the church, as a whole, does not experience the outpouring of the Holy Ghost today. Of course, this applies to all of us, especially ministers. If we do not take time to hear from Him, we are simply wasting our time doing our own plans. It takes time to hear from God and understand what He is saying to our spirits. We have to separate our thinking from His voice. The fullness of the manifestation of the Holy Ghost is found in hearing from God and doing what He says. That is my goal each day of my life. Things just work so much better when I follow His plans. I have mistakenly followed my own plans, in the past, and that is a rough way to go!

I don't prepare messages before I speak. I seek the Lord for the words He desires for me to say and what He wants to do. I wait upon the Lord in prayer and study of the Word until I am sure I have His direction. Sometimes I don't have it clear until I stand in the pulpit. That is a faith walk, for sure, but it pleases the Lord for us to wait upon Him by faith.

This does not mean that I might not have something from the Lord, to share, that was previously given to me by Him. Such as a pastor may know the Lord wants him to share a six week series on a Bible subject. Then he would study and prepare along that line each time. I speak more by sudden inspiration of the moment now, but it has not always been that way. I have to prepare myself by seeking the Lord and being sensitive to His leading to be effective. When we do this, His anointing comes upon us greatly and flows out to the audience. The gifts of the Spirit are in operation and the people are challenged and blessed by the Word of the Lord and His manifestations.

Take time to hear from the Lord and get His plan for your life, church, ministry and each service or meeting. You don't have to be in the ministry to be led by His Spirit. Seek Him in all the affairs of your life, family, business or work and He will lead, guide and direct your paths.

## **Different Kinds Of Meetings**

Next, Jesus said to Dad Hagin in that visitation, *"Where you are missing it today in your culture in the United States is, you try to put all kinds of meetings into one service, and so you never really reach the full potential of any meeting. Men make their own plans and then ask Me to bless their plans. I bless them as far as I can, but I cannot put My full approval and blessing upon them because men are pursuing their own plans."*

I did this in my own meetings until I learned not to do it. I have had people get concerned why I wasn't doing my meetings the way many others were. It is because I prayed and heard from the Lord. I used to have long praise and worship until the Lord showed me I was missing it.

I just knew we weren't reaching the full potential of His anointing and gifts in the services. I started seeking the Lord about it in prayer. After several sessions of praying, the Lord said, "What is the purpose of these meetings?" Then, I had to pray some more to fully understand His purpose, not mine. He showed me His purpose for my meetings and why I needed to change some things. I did change some things and the anointing increased greatly. Get His plan and follow it and you will reap great benefits!

## HANGAR/OFFICE UPDATE PICTURES

We are progressing along with the building project. Below are a couple of pictures of the office areas, under construction, inside of the hangar. We have an updated video on all the work on our website and it will be posted on Facebook. Thank you for sowing to finish the project!

## We Are Building For His Glory

It is a 7,200 square foot hangar\office\media production facility \multipurpose\storage building at the Claremore Regional Airport. It is twenty miles east of Tulsa International Airport. We considered going off airport, but it would cost about ten times more to build because of having to provide all the infrastructure to raw land. All those things are already available at Claremore. The property was also very inexpensive, and the infrastructure to build was provided. We are the first and only ministry to build like this for the Glory of God. Now, I am bragging on God and you because I need your **HELP** to finish the miracle that God has started. **I encourage you to get in on this miracle and sow any amount that you have faith for. You may also become one of the Gideon's Army Givers below.**

## GIDEON'S ARMY GIVERS

I invite you to become one of “*Gideon’s Army Givers*” to get in on this miracle building project. *And the Lord said unto Gideon, By the three hundred men that lapped will I save you.....(Judges 7:7a)* He chose those who were vigilant and observant to watch for the enemy. They knelt by the water, scooped it up with their hand, and watched while they lapped. What does it take to become one of Gideon’s Army Givers you may ask.

# GIDEON'S ARMY GIVERS

Our financial goal is to obtain, by faith, **\$165,000.00** more to help complete the project. **\$165,000.00 divided by 300 is only \$550.00.** So a simple **\$550.00 donation** makes you a **Gideon's Army Giver**. Each giver will receive an honorary certificate from RGM as a giver and each person will be placed on our **"Wall of Remembrance"** inside the multipurpose building, so we will never forget those who sowed to build the Kingdom of God through RGM/AFI. Of course, we encourage you to sow any amount over that \$550.00. We have already had those who have **sown** as a Gideon's Army Giver and those who have **pledged** to sow and become one.

Thank you for sowing so every contractor is paid in full and on time as we build. We are about 88% complete now. The inside offices/media room and other facilities are being painted. The electrical must be finished and the tile must be completed. The heat and air must also be completed.
