

THE WORD AND SPIRIT

Watching In The Spirit ~ Ezekiel 33:7

END TIME REVELATIONS

Which things also we speak, not in the words which man's wisdom teacheth, but the Holy Ghost teacheth; comparing spiritual things with spiritual. But the natural man receiveth not the things of the Spirit of God: for they are foolishness unto him: neither can he know them, because they are spiritually discerned. (1 Corinthians 2:13-14)

We are living at the end of the church age, and getting close to the second coming of our Lord Jesus Christ. The Lord has been giving me revelation along this line for about ten years now. Christians that are more concerned with the natural world and life, do not perceive nor understand these things. The more I seek the Lord, in prayer, the more I am compelled to share these spiritual truths.

Noah's Day And Our Day

The Lord spoke to Noah, in his day, and told him to proclaim spiritual revelations to the people of his era. The people that the Lord sent Noah to mocked him and made fun of him because they did not believe him. The sad fact is, Noah was right and they were wrong and all of them were destroyed. Jesus said, *"But as the days of Noah were, so shall also the coming of the Son of man be."* This is mentioned in Matthew and Luke. Truly, these times are upon us. It is time to be more concerned with spiritual things than natural things. If you do not pray you will not perceive nor understand the times we live in.

Dad Hagin's Home Going Was An End Time Sign

Kenneth Erwin Hagin moved to Heaven in 2003. Jesus Christ said that his ministry was a forerunner to the second coming of Jesus, just like John the Baptist was a forerunner to the first coming of Jesus. The ministry of Dad Hagin includes all those who were called to follow the heavenly vision that Jesus gave to him. I am called to continue the heavenly vision that came from Jesus Christ through Dad Hagin. Jesus told me to go to Rhema Bible Training Center to learn these revelations and continue in them. The CD offer will give much more truth. *(Con't.)*

The Last Great Revival

On September 2, 1950, Jesus appeared to Kenneth E. Hagin. He received a special anointing from the Lord then. He received revelation about the end times also. I believe that we are living in the days that he saw in 1950. The Lord told me to begin speaking on this subject about ten years ago.

Jesus Christ said to him twice, "This is the last great revival." I started preaching about the last great revival as the Lord led me to. I preached about this, off and on, for about a year, as I was prompted to.

One afternoon, I was praying about what the Lord wanted to do in the service that night, at a church I was ministering in. I wasn't even thinking about the last revival or praying about it. Suddenly the Lord spoke to me. He said, *"I want to commend you on preaching on the last great revival like I told you to a year ago. There is a revelation that you have not preached that is a greater witness to the world that you are in the last revival. When Israel became a nation again on May 14, 1948, it was a witness to the world that you are in the last great revival."* That was news to me and I realized that was the date that we entered into the last great revival. I never connected the two events until the Lord spoke to me about them.

Where Is The Great Revival

If we are in it, where is it, someone may ask? It began with a great spiritual outpouring of the Holy Ghost, with signs and wonders at the end of World War II. Miracles, signs and wonders that had never been seen by that generation took place. The power of God seemed to be present everywhere and many came to the Lord.

The power began to wane when man began to try to mix the flesh with the Spirit of God. This occurred because of a great lack of the character of God by those being used with the power and gifts of God. Many died prematurely because the lack of God's character opened the door to Satan in their lives. That is why it is imperative to develop the character of God today. The power is being turned up again because of prayer and timing. *(Con't page 2)*

(End Time Revelations, Con't.)

There is a spiritual stirring among spiritual Saints to contend in a spirit of prayer for this last great revival. There are different names for it but it is the same thing. It is not just a sovereign act of God but an interaction between God and man. Man prays and asks and God answers.

Timing is the other truth that we look at with relation to the last great revival. Almost all Biblical scholars agree that there will be six thousand years of human history and then the Lord Jesus will return to the earth. We don't have an exact calendar but we know we are very, very close to the last day.

The Last Great Revival And Rapture

This revival will lead us to the rapture or catching away of the saints to be with the Lord. The Lord said to me a few years ago, *"The rapture of the church is not going to be as many depict it to be. It will not be a normal day for those who are prepared to go when I call. Many will be caught up in the Spirit for a week or more, on earth, and some for days before they are raptured."* Remember, the Bible states that we will be changed in the twinkling of an eye. Where? On earth. We will be changed by putting off this mortal flesh and transformed into immortality. We will be redeemed from this death doomed physical body! Praise God! The mighty power of God in this last great revival will transform us into His Glory! (1 Corinthians 15:51-57)

Vision Of The Earth Reeling Off Course

...the foundations of the earth do shake. The earth is utterly broken down, the earth is clean dissolved, the earth is moved exceedingly. The earth shall reel to and fro like a drunkard, and shall be removed like a cottage; and the transgression thereof shall be heavy upon it; and it shall fall, and not rise again. (Isaiah 24:18b-20)

In September 2004, while praying, I had a mini vision, as Dad Hagin used to call them. I heard the Spirit say, *"The Earth is reeling off course because of the fall of man through the act of sin. This started when the original sin occurred in the Garden of Eden. The earth has progressed further and further off course since that time."* Then, I had the vision and saw the earth tilted on its axis and saw the earth wobble minutely off course. The Spirit of God said, *"Great changes will occur in the weather of the earth and shifts in the earth's surface and earthquakes will increase. If I did not intervene and stop it, total annihilation would occur to the human race."*

I started preaching this back in 2004 and it seems that this year has been a time for earthquakes and extreme, unusual weather patterns. These things will increase as we move closer to the end of the age because the earth is reeling to and fro, increasingly. We are in the last great revival. **(Con't)**

The Natural And Spiritual Correction

Howbeit that was not first which is spiritual, but that which is natural; and afterward that which is spiritual. (1 Corinthians 15:46)

The Lord Jesus spoke to me around June 2008 and said, *"There is a natural and spiritual correction coming in the world because things are out of my divine order. Many changes will occur in the financial realm and in the natural world. Quickly on the heels of this there will come a spiritual correction in the church because it is out of my divine order also."*

I began to preach about it in 2008 and the natural correction began in the fall of 2008, and has continued until now. This natural correction has brought many changes in our economy with companies going bankrupt, banks collapsing, and executives and people losing their jobs.

The spiritual correction will follow the same pattern, as the natural, except it will be in the church of Jesus Christ. The verse above tells us the natural comes before the spiritual. The Lord Jesus Christ will remove those from positions who are opposing His will and leading His people astray. This will occur, especially, with those in key leadership positions who are supposed to know better, as followers of Christ. Churches that have been established on the plans and ideas of men will dry up and die and some will close their doors.

The Correction Related To Character

The natural correction is a wake up call, so to speak, for the world to turn their attention towards Jesus Christ. It is about character and Jesus, not money. The spiritual correction is a wake up call to the church to get their lives in order, because Jesus is coming soon. The character of God, which is obedience to the Bible in thought, word, motive and action, is the most important spiritual commodity to have in your life.

Many times natural actions are types of spiritual actions. For instance, I will have an overwhelming urge to clean out my closet and reorganize it, along with my storage drawers. I have the same sense about my garage too. While carrying out those actions the Lord begins to deal with me about reorganizing my spiritual life. I would be led to get back to confessing and meditating on certain scriptures and spend more time in prayer about the Lord's plans for my life. It gets my spiritual life back into the divine will and purpose of God for me, just like my closet, garage and storage is back in order. **(Con't. page 3)**

Reformation - The Church Split

In 2007 the Lord spoke to me about a split or division that was occurring in the church. Jesus said, *"The church will split over doctrinal issues and methods of worship. Out of this split, two types of churches will emerge. One type will be an Informational Church. It does not follow the Lord and rejects the Holy Ghost and His Gifts. They are entertainment centers that are filled with new age thinking and sin is common among the leadership and people. The works of the flesh flow freely in this type of atmosphere. These churches will eventually fail."*

The other type of church is a Revelational Church. These churches follow the Lord and are filled with the Holy Ghost, Gifts of the Spirit, ministry gifts and the power of God. The plans of men are disdained and the plan of the Lord Jesus is cherished, sought after and highly valued. The fruit of the recreated human spirit blossoms and grows in this type environment. These churches will grow and rescue many from Informational churches when their folly is proven or they fail.
