

THE WORD AND SPIRIT

WATCHING IN THE SPIRIT - EZEKIEL 33:7

March 2012

STOPPING SATANIC INFLUENCE

And I will give unto thee the keys of the kingdom of heaven: and whatsoever thou shalt bind on earth shall be bound in heaven: and whatsoever thou shalt loose on earth shall be loosed in heaven. (Matthew 16:18-19)

Many times Christians say, "I'm just waiting on God to take care of this problem." They pray the problem and sit and wait for God to do something. They think it is all *God's responsibility* and they have no part to play in it. *God has already done all He is going to do.* He accomplished it all through Jesus, so He is waiting on us to act. God wants you and I to exercise the dominion or authority He has delegated to us on this earth. He wants to work through us to bring all things in subjection to Him in the earth.

God Uses You And I to Defeat Satanic Power

And the God of peace shall bruise Satan under your feet shortly. (Romans 16:20) The word *bruise* in this verse means, "To crush completely or break in pieces." If you're not scripturally and spiritually wise, you'll get the idea that God is going to do this Himself, and you're just going to sit back and watch. He said He's going to bruise Satan under your feet. *In others words, He's going to do it through you. You're not going to just sit back and observe, but you are the agent God uses to bring it about.* He's going to bruise Satan all right, but it will be under your feet, in the name of Jesus Christ.

Defeating Satanic Power In The Presidential Election

I was attending a prayer meeting at RHEMA during Winter Bible Seminar on February 22, 2008. Rev. Lynette Hagin was leading the service. We were praying about the presidential election of the United States of America. *Suddenly, I was in the spirit, and I had a vision.* In the vision, I saw a large demonic creature that had its arms around the presidential office of the United States of America. I did not see any person within this creature's grasp. I also knew this creature was trying to hinder the presidential election in November 2008. (Con't. pg. 2)

PARTNERSHIP ON THE MOUNT

And after six days Jesus taketh Peter, James, and John his brother, and bringeth them up into an high mountain apart. (Matthew 17:1)

Jesus Christ had many who followed Him for different reasons, and He was sent to all men. He also had twelve disciples but only three of them went up on the mount of transfiguration with Jesus. They received a greater revelation and I know it was because they assisted the Lord and followed Him more closely than the others.

I know in our entitlement society where all want to receive on an equal basis, whether it is earned or not, doesn't fit well. The Lord Jesus Christ believed in rewarding those who supported Him, followed Him closely and wanted to see His ministry expand. Those who didn't were not rewarded in the same way. Jesus did not take from those who deserved a position because they were faithful, and give it to those who were unfaithful.

Jesus Christ, went to His disciples, in the beginning, and asked them to help Him in His ministry. It is scriptural for me to ask you to help me accomplish the will of God in this earth. I am not called to do it all by myself, just like Jesus wasn't. I am asking you to partner with me financially on a monthly basis so we can accomplish the will of God together. There are several major pieces of equipment that we need to buy to expedite the spreading of the gospel to the nations.

Rewards For Our Financial Partners

The Lord impressed us to reward our partners with truths and insight that we cannot share publicly that will be a blessing to them. Monthly, financial, partners will also receive a substantial discount on all RGM materials and products. Again, because Jesus Christ believed in rewarding those who supported Him and followed Him closely. Support your local church and tithe to it first. Then pray about becoming a monthly financial partner with us and obey what the Lord tells you to do. Many blessings await those who are faithful. *Blessings to you.*

Demonic Influence Of President Obama

On Friday, October 31, 2008, I was praying with a group of people at a church in Georgia. We were praying about the presidential election that would take place the following Tuesday. Suddenly, I had a vision. I saw President Obama and standing beside him was the most beautiful demon I had ever seen. The Bible tells us that Satan transforms himself into an angel of light. (2 Corinthians 11:14)

I was startled as I saw the demon begin to influence our president. I commanded the demon to leave President Obama alone, in the name of Jesus Christ! The demon said to me, *"You can't make me leave him alone!"* I said, *"Yes I can, in the name of Jesus Christ!"* The demon said, *"No you can't because the majority of the people of this nation want me and like me."*

I heard the voice of the Lord Jesus speak from above. He said, *"The demon is right. You can't make it leave because you do not have authority over human wills as I don't. If the majority of people vote for this in the United States, this demon will cause much havoc in this nation."* I was shocked as I received this revelation! I saw the demon take control of our president and give him power over the minds of the people of the United States. The same demon spirits that influenced the last presidential election are trying to influence the present election. Pray and we can stop this, in the name of Jesus Christ.

The Doubt Of Others Can Hinder You

I asked the Lord why I couldn't make the devil stop his actions against our president and nation *by myself*. I had cast out many demons out of people over the years, and stopped satanic operations in high places in Jesus' name. He said, *"You or any believer can always have what you believe in My Word and have victory over all demons in My name. When what you believe in My Word involves others you will have to get them to believe with you or you will be hindered, not stopped, in receiving what you believe."* The Lord then related to me the story of Joshua and Caleb believing Him the first day to enter the Promised Land. They could not enter in right away because of the unbelief of the other people. They did see their faith end in sight forty years later.

What Influences You Spiritually

One of the great spiritual truths that needs to be understood is that everything and everyone has a spiritual influence directing it or them. There are *only* two spiritual influences on the earth. *The Spirit of God and the spirit of the devil*. That is why you must be wise to whom you follow, what you watch, listen to, or read. If you have a check in your spirit about something or someone stay away from it or them. In my young Christian walk with the Lord Jesus, I desired to know Him very much, and I still do.

I consumed any teaching or listened to anyone who seemed to know more about Jesus. I knew the Holy Spirit and His leading though. I got involved with several ministry groups. One was an international, worldwide Christian ministry, and the leader was known and respected by many. They promoted me, built me up and encouraged me in my life and testimony.

This ministry offered me a job with them traveling all over the world sharing my testimony (I didn't have any money or anything else at the time). They were going to pay me the most legal money I had ever made in my lifetime! I was so excited that I praised God over and over for this opportunity because everything sounded great! Finally, I calmed down and sensed something was not right about going in that direction.

Don't Accept The Offer

I got down on my knees and began to pray and ask the Lord if it was His will for me to accept their offer. It took me a while to get my mind quiet from all the excitement. The Lord spoke to me and said, *"Don't accept the offer of this ministry because their motive is wrong and their doctrine is wrong. If you follow them you will be influenced by a seducing spirit and you may never get into My will for your life. I will provide for you, and guide you."* I didn't know that this ministry had wrong motives or believed false doctrine, but the Lord did. Later, as I matured, I saw it so clearly, and this ministry led many millions of people in the wrong direction.

There are many today who are being led in the wrong direction by things and people. If they would only listen to their spirit's, much heartache and trouble would be averted. Jesus spoke to Rev. Kenneth Erwin Hagin, on September 2, 1950, and said, *"Many ministers live and die and never enter into the first phase of ministry that I have for them. That is why they have so many problems and die prematurely."* My Lord Jesus, may I please be one who yields to you, and follows your will for my life and ministry.

Blow The Trumpet In Zion

We are at a crossroads in the Body of Christ today. We must make the decision that we will not allow satanic influence and doctrine in the church, no matter how popular it is. Those who make the wrong choice will enter into spiritual darkness and be deceived. Those who make the right choice will enter into great light and revelation of the Lord. *Get the CD series on this subject.*

Let us take back our nation from satanic influence in this election. We will be praying this way in our Word and Spirit meetings. I need you to come and help me accomplish this in the Spirit. (End)

WORD AND SPIRIT MEETINGS

This is your opportunity to receive revelations of the Word and Spirit of God. You will receive a fresh anointing, from a prophetic perspective, that will move you into a place in the Spirit that you have never been before. I guarantee it and I will stake my ministry on it. The love and compassion of the Lord Jesus will visit you there and fill you with His Glory. You will climb Spiritual Mount Sinai and see and understand spiritual things on a level you never have before. The door is open, step into this room He has ordained for you.

For the vision is yet for an appointed time, but at the end it shall speak, and not lie: though it tarry, wait for it; because it will surely come, it will not tarry. (Hab. 2:3)

I received my private pilot certificate in 1988. I set my faith for my first airplane that year also. For 3 long years it seemed like nothing was happening. In 1991, I got greatly concerned about why it seemed nothing was happening. I prayed and told the Lord I must have missed His will. Suddenly, He spoke to me and said, *"I heard your prayer the first day and sent the answer but those I spoke to have*
