HOW TO KNOW GODS WILL

For as many as are led by the Spirit of God, they are the sons of God. Romans 8:14

I graduated from RHEMA Bible Training Center in May of 1987. My Dad and Mother came to Broken Arrow, Oklahoma to help my wife and I move back to Columbus, Georgia. We moved into one of the oldest houses in the area because we didn't have much money and the rent wasn't very much. We attended my daddy-in-laws church, who is still a pastor today at seventy five years old.

I started a home repair business to provide for us and to put me in position to be able to go preach if I received an invitation. Working for myself gave me a more flexible schedule. I got some jobs in Atlanta, Georgia and begin to drive back and forth there daily. It was over a hundred miles one way.

I would drive along and worship the Lord and pray. I kept sensing that the Lord wanted me to do something for Him but I didn't know what? I would get so burdened about this while driving along that I would begin to weep and cry. Sometimes, the tears would be flowing to the point that I could not see how to drive! I would pull over on the side of the road and set there and weep until I could gain my composure enough to drive on. I wanted to do the will of God but I did not know what it was. This went on for about six months before I finally decided to find out what the Lord wanted me to do.

One day it started to rain and the work I had to do was outside. I decided that I would stay home that day and pray until I heard from heaven about what I was suppose to do or die one. I had to have some relief!

I WAS PRAYING EARNESTLY

My wife was gone to work so I went into our bedroom and knelt on the floor and put my face between my knees. I begin to pray and ask the Lord what He wanted me to do. I prayed all I knew how to pray in English and then begin to pray in the Spirit. I was praying and earnestly seeking the Lord. I begin to weep and cry as I prayed. I prayed this way for about two hours. Suddenly, the Lord spoke to me and said that He wanted me to leave my business. *(continued next column)*

Jesus told me to travel and tell everyone what He had done for me in my life. He told me to tell everyone how He had mercy and compassion on me so they would have faith to believe Him for the same thing.

I really begin to weep and cry then! I was so humbled that the Lord would take time to talk with me. I asked the Lord, how am I going to do this? Who will want me to come and speak at their church or meeting? I told the Lord I didn't know how to do what He asked and I needed someone to help me.

BROTHER HAGIN IS GOING TO HELP

He said, Brother Hagin is going to help you fulfill my call on your life. I said, Lord how can all this be and how will it all work out? The Lord said, I will work it all out. You just stay in faith and be faithful to do what I tell you.

Then, the Lord told me to do something that would set His will in motion for me. I obeyed and the Lord began to work in my behalf. My wife, came home from work and I told her what the Lord said to me. She to, was amazed and shocked about how all this would happen.

The Lords plan started working. About a month after this prayer experience Dad Hagin and Pastor Hagin wrote me a letter and sent me a recommendation letter to send out. The letter stated that I would be a blessing to any group I addressed. They also sent me a tape from where I spoke at Camp Meeting 1987 and told me to send it out with a letter letting ministers know I was available. I have spoken at many of Dad Hagin's meetings over the years and at RHEMA events. *(Continued Pg.2)*

DAD HAGIN HELPS

Dr. Kenneth E. Hagin (Dad Hagin) invited me to speak at his camp meeting. When the service was over, he invited me to a special time of fellowship with him and other camp meeting speakers. I arrived at the meeting room and went in. I was awe struck as I walked into the room and saw ministers that I highly respected there. Many of them had international ministries. My first thought was, "what am I doing here?" I thought that I didn't deserve to be in the presence of these men and women of God.

No one knew that I had been dealing with a sense of insecurity and inferiority since I was a little boy. When people saw me speak at the camp meetings they didn't realize what was going on inside of my mind. The audience would laugh, cry and shout at the wonderful stories I would tell about how Jesus Christ set me free from prison in 1984 (See my book "Escape From Hell" for the complete story).

I WAS LIVING A TORMENTED LIFE

I was living a tormented life behind the anointing that was on my life. I constantly had thoughts that I was inferior to everyone else and I had nothing to contribute to anyone's success. That fear had driven me down a road of alcoholism, drug addiction and into prison.

When I entered the room, I was invited to go to a refreshment table that was set up in the room and get something to eat and drink. I spoke to people as I moved along and quickly found a chair in a secluded area of the room to sit in. Others came in and the room filled with people. I was sitting beside a couple of ministers and we talked some. They didn't stay long and got up and left. I was left sitting alone in that area of the room. About ten feet in front of me there was a large conference table with approximately twenty international ministers sitting around it.

Dr. Hagin was sitting facing me at the head of the conference table. Every now and then he and I would make eye contact and he would smile. I smiled back but would quickly look away. They were all taking with one another. I was sitting by myself across the room. To keep myself occupied I played with a potato chip and a little chip dip I had on my plate. It was the last chip I had so I dare not eat it because I wouldn't have anything to look occupied with. I would stir the dip with the potato chip as I listened to them talk and stared at my plate. I felt uncomfortable sitting by myself but felt unqualified to interact with those sitting at the conference table. I was trying to figure out a way to get out of the room without bringing attention to myself. I couldn't think of a way so I sat there staring at my plate.

All of a sudden, someone sat down on my left in the empty chair and put their right arm around me. Startled, I turned to see who it was and it was Dad Hagin. *(continued)*

I was shocked and amazed! I thought I had done something wrong? In my spirit, I started asking God to forgive me of all my sins in the name of Jesus! I had heard Dad Hagin say that if he touched someone when he was in the Spirit he would know everything about them.

Dad Hagin began to talk to me. He said, "Brother Randy, you need to learn to yield to the Spirit of God that is on your life. The more you learn to yield to the Holy Ghost, the greater the anointing will be and you will have more results in your ministry." He showed me that the Lord was endeavoring to move me into a different ministry office than what I had been in.

The Power of God was so strong that I nearly fell out of my chair as I sat there with him. Finally, I relaxed some and I began to ask him questions about some spiritual experiences I had that I did not understand. He would respond to my question by telling me a story about a similar experience he had.

Everyone that was still in the room came and stood or sat around us and listened to the conversation. The wisdom of God was flowing from Dad Hagin like water running out of a faucet. He talked with me for about an hour before he left. I received a supernatural impartation that night. The plan of God was working just like He told me it would in prayer.

PRAYER IS THE KEY

If you want to know the will of God you must spend much time in prayer. Prayer is communication with the Lord Jesus Christ. The Lord lives in the realm of the Spirit. You must take time to get into the Spirit yourself if you are going to hear His voice. Stop what you are doing and make the decision to hear from the Lord for yourself. Great blessings and prosperity come from knowing His plan for your life! (End)

SPRING VISION HIGHLIGHTS

Our Spring Vision meeting was last week and it was a great success! People came from many different areas of the U.S. and all of them said they received impartations from the Spirit of God. There were many Ministers who traveled great distances to get there. They left the meeting with the fire of God upon them to accomplish His plans. Our next Fall Vision meeting is September 4-6, 2007, in Portsmouth, Ohio.

The theme of the meeting was the Outpouring Of The Spirit. The speakers emphasized that it was time for the last day outpouring of the spirit. They also told us it was time for us to consecrate ourselves fully unto to God for this purpose.

You can get all eight messages sent to you in CD format if you will call our office and order them. The cost is \$32.00 plus shipping.

JESUS WANTS YOU TO HAVE MONEY

Many struggle through life financially even though they know the Lord wants them to have more than enough money. Tithe giving, offering sowing Christians often fail to receive a return on their financial sowing into the Kingdom of God. I want to share with you some spiritual truths that will change that.

The truths I have to share are not extravagant get rich quick schemes but solid Biblical truths and revelation from Jesus. Putting these truths into practice will always bring the results they are suppose to.

I started in the full time traveling ministry in 1988. My first meeting was over 2,000 miles round trip. My wife and I went in our van. We had just enough money to make it to the meeting. We stopped to attend a meeting for one night on the way there.

The van had less than one quarter tank of gas when we arrived at the meeting. I had forty two dollars cash in my wallet and that is all we had left to get to the final destination. The meeting started and an offering was received. When they said an offering was going to be received, I thought about how much money I didn't have! I also thought about the van that needed a tank of fuel. I wanted to give a good amount, in the offering, but I didn't know how I could and still get to my first ministry meeting. (Continued next column)

ministry meeting. I set there contemplating what to do. The Lord spoke to me and said, "in whom do you trust"? I told him that I trusted in him. He replied and said, "no you don't, you trust in that forty two dollars you have in your pocket". In a flash, I knew the Lord was right. My wife and I decided to trust God and sow twenty two dollars. That is all the faith I had! I knew twenty dollars would fill up the van with gas and we could get to our final destination.

When the meeting was over an usher came to me and told me a man had told him to give me a envelope. I put it in my pocket and my wife and I left. We drove out of the parking lot looking for a gas station as we were low on fuel. Suddenly, I remembered the envelope and took it out of my pocket and looked at it. I could see something green inside that looked like money. My heart skipped a beat and I pulled off the road and opened the envelope. There was five hundred dollars in it! I cried out to the Lord, "let me go back to give the other twenty"! The Lord taught me, that day, if you want to receive a financial harvest you must plant financial seed. If you have a need, sow a seed. (end)

BEING FILLED WITH THE SPIRIT

"And be not drunk with wine, wherein is excess; but be filled with the Spirit; Speaking to yourselves in psalms and hymns and spiritual songs, singing and making melody in your heart to the Lord; Giving thanks always for all things unto God and the Father in the name of our Lord Jesus Christ;"

Ephesians 5:18-20
