

THE WORD AND SPIRIT

KENNETH ERWIN HAGIN NAME HIM JOHN

Howbeit we speak wisdom among them that are perfect: yet not the wisdom of this world, nor of the princes of this world, that come to nought: But we speak the wisdom of God in a mystery, even the hidden wisdom, which God ordained before the world unto our glory: (2 Corinthians 2:6-7)

The plan of God was decided before the foundation of the earth. Everything our Heavenly Father planned is in the Bible. The mysteries of God are being revealed by His Spirit today. We must understand what Kenneth E. (Dad) Hagin was called to do and his assignment from heaven, given by the Lord Jesus Christ. Understanding this mystery, should cause us to embrace the revelations given to Dad Hagin and walk in them and not lay them aside.

Kenneth E. Hagin's mother, Lillie, was walking down a dirt street in the city of McKinney, Texas in the year of 1917. She was pregnant with Kenneth E. Hagin. It was in August just days before he was born. She was headed to her mothers house because she had not had proper nutrition while she was pregnant and was afraid for the baby's life.

Her husband had left her and she didn't have money to buy food to eat. Her parents had tried to get her to not marry the man she had because they thought he would not be a good provider. She said, "If I make my bed hard I will lie in it." It turned out just like her parents told her and because of pride she wouldn't ask them for any help. She finally gave in for the sake of the baby and was headed to her parents to get assistance from them.

Jesus Appears

As she walked down the dirt street headed toward her parents house she heard the sound of wind blowing through trees. She stopped and looked around. She was in front of Aunt Mary's house and there wasn't a tree in sight. She continued on and heard the sound again. She thought the weather may be turning bad and looked into the sky and there wasn't any clouds, just blue sky. She heard the sound again and stopped and looked into the sky. *(Continued Page 2)*

WHAT WE NEED TO DO

The Lord spoke to me and told me that the problems that we are facing in this nation are being caused by demonic powers. Jesus said, "Tell my people to exercise the authority over these evil forces that I have delegated to them or the situation will get worse." We must command the devil to take his hands off the political scene of this nation. To take his hands off of the economic scene of this nation. To take his hands off the spiritual scene of this nation and the social scene of this nation, in the name of Jesus Christ! If we, the church, don't do it things will remain the same and deteriorate further.

Yes, natural things are occurring to cause the problems but the powers of darkness are behind the scene inspiring people to make wrong decisions to cause the problems. I ask you to stand with me against these evil spirits, in the name of Jesus.

Prepare For the Glory Of God

The church must prepare and invite the Glory of God into it. Most *major* moves of God, in the past, took place outside the established order of religion or church. Those in charge had gotten so far away from the plan and purpose of God that they didn't know Him anymore. He had to go around the church to visit the people on earth.

The Holy Ghost was not poured out in the temple, in Acts two, it was poured out in a small room on a handful of people. God moved through Martin Luther outside the church. The Holy Ghost was poured out in 1906 in a cow barn on a handful of people. Why? The people recognized the Lord wanted to move and invited him to do so through intense prayer and seeking God. Please invite God in! *(end)*

Kenneth Hagin, Name Him John (Continued)

This time she saw a cloud and the cloud came down out of the sky and stopped right above her head. Jesus was standing on the cloud and spoke to her and said, *"Fear not, the child shall be born and you shall call his name John. Just as John the Baptist was a forerunner of my first coming, your son will be a forerunner of my second coming."*

She was frightened and took off running to her mother's house. She ran through the front door out of breath. Her mother said, "What is wrong with you? You look like you have seen a ghost!" Lillie told her mother what had happened. Her mother told her, "Don't tell anybody because they will think you are crazy."

Kenneth E. Hagin Pronounced Dead At Birth

On August 20, 1917 Kenneth Erwin Hagin was born at his Grandma Drake's house. The doctors made house calls during those days. Dr. Erwin delivered him and pronounced him dead at birth after examining him carefully. Dr. Erwin laid him on the foot of the bed and continued to work with Lillie because she almost died giving birth to him. His little body lay lifeless on the bed.

About forty minutes later Dr. Erwin picked him up again and examined him carefully. He said to Kenneth Hagin's grandmother, "Mrs. Drake, the baby is dead and not properly formed. I have to go to the office and get some more supplies. While I am gone take the baby out back in the garden and bury him."

Granny Drake Detects A Spark Of Life

Granny Drake picked up his tiny body off the bed and went out back to bury him. She went by the smoke house to get a shovel so she could dig a hole to bury him. She held his little body in one hand. Suddenly, he kicked and she detected a spark of life about him. She put the shovel up and took him back into the house. She washed his little body and put a diaper on him, that was way too big, and put some little clothes on him that did not fit. She weighed him and he weighed a tiny bit over two pounds.

Dr. Erwin returned and was shocked to see her with the little baby. She told him what had happened and asked the doctor what she should feed him. Dr. Erwin took a little pack of formula out of his pocket and threw it to her and said, "Here feed him this. It will last longer than he will." Granny Drake began to feed him with a little eye dropper. The baby was miraculously alive!

(Continued)

Dad Hagin did not know anything about Jesus appearing to his mother. His mother and granny never told him anything about it.

He first found about it when he was thirty three years old in Rock Wall, Texas when the Lord Jesus Christ appeared to him and told him. Dad Hagin went into the fulltime traveling ministry in 1949, by direction of the Lord.

On September 2, 1950, Dad Hagin was preaching a meeting in a tent. He had taught a Bible lesson and then encouraged everyone present to kneel around the altar and pray. He knelt down by a chair on the platform and prayed. Suddenly, he heard a voice say come up hither and he looked up to see where the voice was coming from. When he looked up, the top of the tent disappeared and there stood Jesus.

Jesus told him to come up to the throne of God and He took Dad Hagin to heaven. He stood within eighteen feet of the throne of God and saw the winged creatures around the throne. Jesus talked with him at length and gave him a special anointing to minister to the sick.

Jesus told him, *"My angels protected you before you were born and have watched over you since that time. I appeared to your mother before you were born and told her to name you John. I told her that just as John the Baptist was the forerunner to my first coming; you would be a forerunner of my second coming. Your mother failed to name you John as I told her to. The name was not important though but the work you would do is important though."*

Right after this visitation Dad Hagin mentioned what Jesus said to him to his mother. As soon as he mentioned it to her she jumped like someone had poked her with something and asked, "What did he say I was to name you?" Dad Hagin told her John. His mother said that is right and told him the story of Jesus appearing to her before he was born.

Prepare For The Coming Of Jesus

The ministry of Kenneth E. Hagin was to prepare us for the second coming of Jesus just as the ministry of John the Baptist prepared the people of his day for the first coming of Jesus. Dad Hagin was an Apostle to his entire generation and to the world. Jesus is coming to get us soon! Get the book Plans, Purposes and Pursuits and prepare for this great move of God that is upon us. Study it, believe it and practice it. Jesus Christ is pouring out His Spirit! *(End)*

PROPERTY PAYOFF

It was the winter of 1999 and the wind was blowing, it was bitter cold and it was raining. I was kneeling under some pine trees in a rural area of west Georgia. I was praying and asking the Lord if it was Him leading me to buy the 240 acre tract of property that I was kneeling on.

While praying for the past several years prior to this time I kept sensing the Lord was going to have me purchase a large tract of property. I would think about it some and even look around for property to buy. Each time this happened, I would soon forget about it because I didn't have the money to pay attention, much less buy a large tract of land.

My daddy called me one day and told me he had a vision while driving down the road and that I was to buy a large tract of property. He even told me where the property was. He didn't do things like that, normally. I told him that I believed the Lord showed him that but I told him I didn't have the money to buy something like that.

I put it off for two more years and finally here I was praying on that same property daddy saw. I did not have the money to buy it or know where to get the money to buy it. *(Continued next column)*

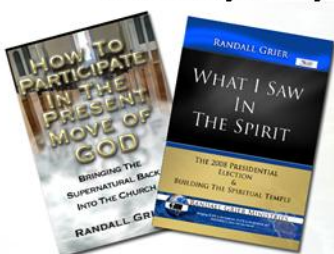

(Property)

While I was weeping before the Lord in prayer and asking His advice the Glory of the Lord fell on me in that pine orchard! I felt the fire of God flow through my body and I heard these words, *"Get up and speak to this property and call it into my Kingdom for my Glory says the Lord of Host!"*

My fear and trembling left and I leapt to my feet and called the property into the Kingdom of God just like the Lord said! We obtained it supernaturally and only owe about \$78,000.00 dollars on it. Ask the Lord if He wants you to help pay it off. Thank you.

What I Saw In The Spirit & How To Participate In The Present Move of God

the last day move of God. "What I Saw In The Spirit" will tell you what I saw in the Spirit about those things.

At that same time I had a spiritual vision and revelation where the Lord spoke to me about the last day move of God and what we need to do to enter into it. "How To Participate In The Present Move of God" will tell you about that vision and how we can bring the supernatural back into the church.

On February 22, 2008, between 11:53 - 11:57 a.m., I had a Spiritual Vision. I saw a vision about the presidential office of the United States. At the same time I received a revelation about Kenneth E. (Dad) Hagin, Pastor Kenneth W. Hagin and Rev. Lynette Hagin and

Dad Hagin

Randall Grier

One night while I was eating with Dad Hagin after one of his services, about three weeks before he moved to Heaven, he had a supernatural experience. He pushed back from the table, in a private dining room, and said, "My Lord, I sense the Holy Ghost!" The Glory of God filled the room. The Lord said to me, "Get your notebook and take notes." There was no recording device in the room. Dad Hagin prophesied and said, "We must get back to having extended meetings. The Holy Ghost is grieved with this generation because they will not wait on Him and allow Him to move as He wills. That is why we don't have the miracles and gifts of the Spirit like we should in our services." He went on to explain that in his extended meetings years ago, he never saw a notable, spectacular miracle until the third week of his meetings. There are reasons for that but I do not have space to explain it. Pastor Larry Westforth and I have prayed and discussed this three week meeting for several years. The Lord led us both to have this meeting at this time to honor the Spirit and Glory of God by allowing Him to move as He chooses. You will experience the Glory if you meet Him with us! - Randall Grier
