THE GOVERNMENT OF GOD & MAN

For unto us a child is born, unto us a son is given: and the government shall be upon his shoulder:

and his name shall be called Wonderful, Counsellor, The mighty

God, The everlasting Father, The Prince of Peace. Of the increase of his government and peace there shall be no end...

(Isaiah 9:6-7a)

In December 2015, the Spirit of God said to me, *"There is coming a shaking in the government of the land because it has tried to hinder My plan."* I didn't understand that when I spoke it out or printed it in our RGM newsletter. I don't know anyone who was prepared for the political upheaval that is presently occurring in the presidential election. A great divide has taken place among the world, as well as the church, about who would be the best president. I have never personally witnessed this kind of divide in the church or in the world, in a presidential election, in my lifetime. It seems that this election is causing many Christians to angrily disagree with one another. There is also an uproar in secular society as the normal protocol of government is falling apart.

The Bible is clear that there is coming a government where God will be in total control and this government will have no end. This has not happened yet, but it will.

Presently, mankind has chosen to have their own form of government where man decides the laws, rules and regulations. That is why there is so much chaos, confusion and evil.

The Present Government

While praying on November 3, 2008, about 11:15 a.m., the Spirit of God moved me over into intercession. I began to weep, cry and travail about the presidential election that would take place the next day. I found myself repenting for the sins of the church and the sins of the United States, while pleading and asking for God's mercy and grace. I sensed judgment was coming on the United States because people were refusing to be obedient to the will of God in the presidential election. I prayed intensely and with great travail for about one hour. I felt like I had run a marathon when I was finished. My clothes were wet with perspiration also. I had pled with the Lord and presented my case, but He had not responded. I knew He would soon.

Mini Vision

That same Monday evening I sought the Lord again in prayer. I started out worshiping and thanking the Lord. After about ten minutes, I started praying about the election. Suddenly, I was in the Spirit and the Lord Jesus Christ spoke to me and I had a mini-vision.

Jesus said, *“Don’t talk to me about the election anymore! I don’t want to hear it! Don’t bother me about it anymore! The people will get exactly what they want, but it will not be what they think! Tell the people they will have the principles of 1 Samuel Chapter Eight take place in the nation.”*

When the Lord said this, I saw Him wave His arm to the side as you or I would wave our arm for someone to get away from us. I knew He was upset and didn’t want me to say another word to Him about the election. He was upset with the majority of people who would vote for Mr. Obama the next day and reject His will.

All hell broke loose against the United States as soon as the election took place. Demons and evil spirits invaded this nation on a level it had never known before. The Lord didn’t send the demons. The vote of the people allowed the devil to send them on the nation. Morals and values declined into a cesspool of evil where sin was promoted as the normal way of life.

Future Government

The future government is presently being determined. The United States will have a government approved by man or by The Lord God. We all have our opinions about who would be the best president but our Heavenly Father knows what is best.

2000

The presidential election of 2000 was another controversial election when Mr. Al Gore and Mr. George Walker Bush were running. The election came down to the state of Florida, where recounts of the vote were demanded by both candidates. The Supreme Court of the United States got involved because it was so contentious.

It was during this time that the Supreme Court seemed to be ruling in favor of Mr. Gore and Mr. Bush appealed. I was preaching a meeting while all this was going on.

Suddenly the Spirit of God came upon me in a service. The Spirit of God said to me, *“Declare that George Walker Bush is the next president of the United States! I knew the Spirit of God and the gift of special faith was upon me. I boldly blurted out, “George Waker Bush is the next president of the United States!”* The pastor and the people in the service were shocked and amazed that I said what I did. When the gift of faith is in operation you know, ahead of time, what God will do.

The Spirit of God said to me, *"Tell the people to declare that George Walker Bush will be the next president of the United States!"* I told the people what the Lord said and they, sheepishly with their heads bowed down, proclaimed what I told them. I said 'no!' Proclaim it boldly now in the name of Jesus Christ! The pastor and people proclaimed it boldly several times and the Spirit of God fell upon us in a glorious way! Mr. Bush was elected as president of the nation just like the Lord Jesus said He would. The election, in 2000, was in chaos and confusion, but the Lord was working His plan.

I believe the Lord Jesus Christ desires to work His plan in this election. Yes, there is much chaos, confusion and disagreement in 2016 similar to what happened in 2000. It is not the same because the final vote has not taken place, but there is much disruption taking place.

Spiritual War

For we wrestle not against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this world, against spiritual wickedness in high places.
(Ephesians 6:12)

There is a spiritual war going on between good and evil in our nation. The destiny of the nation will be determined by the election.

The presidential election is not just about political parties, even though they are involved. It is about the devil trying to stop the church of the United States. This nation was raised up by God to evangelize the world, with the gospel of Jesus Christ, in the last days. It has also been the nation that has held back evil for many years. If Satan can corrupt the church and nation, he will be successful in filling the world with evil.

The presidential election seems to come down to a choice between Mrs. Clinton and Mr. Trump. Many Christians wanted Mr. Cruz to be the nominee but it appears that will not occur. Mr. Cruz stated that himself and suspended his campaign. Believe it or not, Mr. Bernie Sanders won the state of Oklahoma on the democratic ticket.

Some have said it is wrong to vote for the lesser of two evils. If we want to hold back the devil's plans, we better vote for the lesser of two evils and seek God in prayer and repentance.

Increase Of Sin

Sin has increased rapidly in the United States in the last ten years. It has increased over the years, but not like it is now. *Sadly, most of the church does not believe sin is a problem, and it is okay because it is already forgiven.*

But of the fruit of the tree which is in the midst of the garden, God hath said, Ye shall not eat of it, neither shall ye touch it, lest ye die. And the serpent said unto the woman, Ye shall not surely die. (Genesis 3:3-4)

The message of Satan from the beginning was there are no consequences for sin. Sin is disobeying the Word of God whether it is me or you. When Eve and Adam disobeyed The Lord God they found out the devil lied to them. They were punished and banned from the Garden of Eden.

Society has demanded that the laws of God be removed from public view. The Ten Commandments remind people that they are living in sin. This is the cultural trend of our nation. Many judges agreed, and had the Ten Commandments forcibly removed from public places. They do not want to be reminded that there are consequences for disobeying the laws of God.

The church, not all churches, have embraced this cultural trend of society and no longer preach what the Bible states about sin. This opened up society to become more lawless. Now, society argues over who is a man or a woman. Sin has been legalized in most sectors of society. This has caused a great decline in morals and values.

God did not create transgender people, homosexuals, lesbians or any other sexual perversion. God created male and female only, according to the Bible, and the devil deceived people into thinking they are something else. Most all of them are demon-possessed or they will be soon. The devil needs a willing vessel to occupy. God does not approve of the murder of babies or any other type of sin. People who think He does are deceived by the devil.

The Church And Election

The church can remove ungodly leaders from our nation with repentance, prayer and fasting. Returning to God and His Word is the only hope for our nation. Man cannot solve the problems of our nation. Yes, we need to vote correctly, but our hope, faith and trust must be in the Lord Jesus Christ.

God warned Israel what would happen to them, as a nation, if they disobeyed Him. Read Deuteronomy 28 and see what He said to them. The principles in that chapter apply to any nation. When you read it, you will see our nation has the same type problems upon it as God said Israel would. *Yes, Jesus redeemed us from the curse of the law, but not the curse of disobedience.*

Spiritual Dream Mr. Trump

I had a spiritual dream, about five months ago, about Mr. Donald Trump. This was when most of the candidates were still running. I have rarely had spiritual dreams over the years. In this dream, Mr. Trump came to me and talked with me about the election. He said they are trying to stop me from being the nominee. I knew he believed it was his destiny to be the nominee and eventually be the president of the United States.

There were some other things but I am not able to share them now. There are some things the Lord doesn't want the devil or people to know at the moment. Paul encountered this in 2 Corinthians 12:4. I believe one reason is that there is so much contention about the election in the church world.

The Lord also revealed to me some things about some of the other candidates that I did not know. I can say, there is no perfect candidate regardless of what we think. The Lord knows the true heart and motive of every human being. The Lord will cause the right person to be president if we pray and vote as we should in the church. May your will take place in the election Lord Jesus.

What We Must Do

I exhort therefore, that, first of all, supplications, prayers, intercessions, and giving of thanks, be made for all men; For kings, and for all that are in authority; that we may lead a quiet and peaceable life in all godliness and honesty. For this is good and acceptable in the sight of God our Saviour; Who will have all men to be saved, and to come unto the knowledge of the truth. (1 Timothy 1:1-5)

Notice that Paul said in First Timothy 2:1, ..FIRST OF ALL. . . . That means we are to pray for all men and for all those in authority before we pray for ourselves or our own families. Praying according to the Word and putting first things first always produces results. Praying according to the latest spiritual "fad" that's not based firmly on the Word of God will never produce lasting or eternal results. As we pray for those in authority, the Bible says we will effect changes in the nations of this world . . . that we may lead A QUIET AND PEACEABLE LIFE . . . (1 Tim. 2:2).

The future of the United States is in the control of the church. We must take the responsibility that has been given to us and intercede for the United States of America. The church has the keys of authority to change the direction of our nation. *
