THE WISDOM OF GOD

But we speak the wisdom of God in a mystery, even the hidden wisdom, which God ordained before the world unto our glory. (1 Cor 2:7)

PATTI, RANDALL, & RANDALL GRIER JR.

The Apostle Paul spoke the wisdom of God in a mystery. It was not his wisdom or man's wisdom, it was the wisdom of God - the mind of God. The word mystery here means, "*A hidden or secret thing, not obvious to the understanding.*" It is a sacred secret that can be revealed, by the Spirit of God, to those who seek Him in prayer. Most don't pray long enough to tap into these mysteries.

Many church folks today, including some ministers and leaders in the church, have no spiritual wisdom of what God is doing in the world and church. This should not be so, but it is. Today, many are focused on and consumed with the government violating the constitution, business and church shutdowns. Their thinking is filled with medical data pros and cons on the virus, the mark of the beast, the secret society taking over the world, Coronavirus vaccines, plots of organizations to kill off portions of the human race, Bill Gates foundation and other things unrelated to the Spirit of God.

There is no one who can know what God is doing in the earth by focusing on those natural things. There may be some truth in them, but they will not reveal God's plan.

False Prophecy

It is a sad fact, that even some elder ministers and other ministers, who used to discern spiritual things, do not do so today. They declare things that do not come to pass and say God said something when it is apparent He did not. Many Christians try to prop these ministers up and overlook the things they declare that do not come to pass. This is doing a disservice to the Body of Christ.

I do believe in respecting our elders, and all ministers, but I do not agree with my elders or ministers when they get off. I have learned to disagree without being disagreeable. These ministers get off when they become too big for their britches, as granny would say. They are in the spotlight and feel pressured because people are waiting for them to declare something great. God doesn't speak to them, so they decide they will speak for God and tell Him what is going to happen. Their words fail to come to pass every single time. This cannot be overlooked by the church.

God Doesn't Overlook Error

God does not prop up or overlook those who get off and yield to the flesh. He rejects them. There are examples throughout the Bible of this. In First Samuel 2:30-35, God rejected the Prophet Eli and his entire family from the priesthood because of their disobedience. God did promise that the priesthood should continue in the family of Aaron forever (*Ex. 29:9; 40:15; Num. 25:10-13*). It appears that the promise was absolute, but like all other such promises, it was conditioned by obedience; the family of Eli reaped for disobedience. Many times God has plainly stated the conditions of blessing and cursing, and these apply to all men alike--including priests (*Lev. 26; Dt. 28*). He does not agree with disobedience.

And the Lord said unto Samuel, How long wilt thou mourn for Saul, seeing I have rejected him from reigning over Israel? fill thine horn with oil, and go, I will send thee to Jesse the Bethlehemite: for I have provided me a king among his sons.
(*1 Samuel 16:1*)

God is merciful, and we should be too, but the Lord will eventually reject those who continually disobey Him. It doesn't matter who they are, how long they have been in ministry or the calling on their life. Yes, we respect our elders and ministry offices, but we are not to agree with error. The Lord rejected Saul and chose David to be King over Israel. The Lord did it.

But when I saw that they walked not uprightly according to the truth of the gospel, I said unto Peter before them all, If thou, being a Jew, livest after the manner of Gentiles, and not as do the Jews, why compellest thou the Gentiles to live as do the Jews?
(*Galatians 2:11*)

In Galatians chapter two, Paul gives the account of him rebuking Peter before everyone. Peter, a great leader of the church was in error. Paul did not overlook the error, but rather corrected it. This was the great preacher of the grace of God doing the correcting. None of us are infallible, even though some give that appearance. I am human and I can miss it. We all are human and can miss it, Dad Hagin used to say. I am not advocating that we go around rebuking people, nor do we be unkind. We are to walk in love and be merciful as the Lord is merciful. That does not mean we overlook error and false doctrine.

The Problem Today

The problem in the church today is exactly what I have been writing about, previously, in this newsletter. The majority of the church is at fault for the virus and riots in our nation today. You can blame it on China, Antifa, or whomever you choose. The blame lies squarely on the church. I have spoken out about this for years, but it has fallen on deaf ears. *See the vision of the frogs Dad Hagin had.* The church must repent and pray.

Last Day Move Of God

The last day move of God is upon us. If it is, where is it you say? You think like I do because I thought the same thing. I have been praying, for years, that this move of God would take place. In December 2019, about five months ago, I was praying that way. Suddenly the Spirit of God spoke to me. He said, *"Quit praying for the move of God like you have been because the church is not ready for it. Pray instead, 'what do I need to do to receive it?'"* He went on to say, *"The church is not in a position to receive this move of God."*

I prayed about what the Lord said about the church not being in a position to receive the move of God. The Spirit of God revealed that previous moves of God were aborted by wrong motives of man and false doctrine being permitted in the church. These things have stopped moves in our day.

This coming move of God must be stewarded correctly so it won't be terminated by man. This move is so critical, in the last day plan of God, that it must not fail, and it won't. The Lord has been preparing the unseen, unheard remnant in His School of the Spirit. This move will start with a few and spread to the millions and billions of people on earth. The move of God, that founded Christianity in the earth, began with only 120 praying people. Azusa street started with a few praying people and spread worldwide. The things the world has gone through lately have been to get our attention. This is explained as you read on.

Natural And Spiritual Correction

Let me tell you a true story about Jesus Christ appearing to Dad Hagin in El Paso, Tx, in February 1959, to establish what I will say. He was preaching a revival in a church and he slipped and fell on his right elbow, hurting his arm rather severely. At first, he thought it was broken, so he went to the hospital to have a doctor look at it, after church, and set the bones, if necessary. The doctor set his arm and admitted him to the hospital for further observation because his elbow was badly damaged.

During his second day at the hospital, he heard footsteps coming down the corridor toward his room. He looked toward the door to see who it was because it was only 6:30 — too early for visitors. Someone dressed in white came through the door, and at first, he supposed it was a nurse. As he looked closer, he saw it was Jesus! It seemed as if the hair on his head stood on end, he said. Cold chill bumps popped out all over his body, and he couldn't say a word. He was spellbound! Jesus approached his bed and sat down on a chair. He was robed in white and wore some sort of sandals.

Jesus said, “Now I want to say this to you: This has happened to you not because it was My perfect will for you — because it is not My will at all; this has happened to you because you got out of My perfect will into my permissive will.”

The Lord explained that He permits people to do things that aren't expressly His will. For example, He said, "It wasn't My will that Israel have a king, and I told them so. But they wanted to be like other nations." (They kept clamoring for a king, so God permitted them to have a king.) Dad Hagin was having great success in his meetings during this time. Many people were getting saved, healed and filled with the Spirit, but He was still out of the perfect will of God.

Jesus said to him, “You got into trouble because you reversed the order of your ministry, putting your teaching ministry first and your prophetic ministry second. When you did that, you got out of My perfect will and into My permissive will, thus opening the door for the devil to attack you. You might ask why, if I knew you were going to fall and hurt your arm, I didn't prevent it. I could have, of course, but I didn't want to. And instead of being angry with Me for not preventing it, you should be glad I allowed it to happen. If I hadn't permitted Satan to do this to arrest your attention, you would not have lived past the age of 55, because you would have continued in my permissive will instead of my perfect will. This is the third time I have had to speak to you about this. For this reason, I am going to let you wear your arm in a cast and then in a sling for a little while.”

I will speed up the healing process, however, so you will not be disabled as long as the doctor has said would be necessary." Then Jesus told him the exact day he would get out of the cast. Jesus went on to say, "You have enjoyed divine health for 25 years. Even now you are not sick. But," He said, "you have been out of My perfect will for two years and have been walking only in My permissive will."

Notice, how and why Jesus permitted this to happen to Dad Hagin. Jesus did not do it, but He allowed it to get his attention. Jesus told him that he would have never lived past the age of 55, he would have died. He didn't start Rhema Bible Training Center until he was 57 years old, so there would have been no Rhema. Jesus Christ has appeared to me several times, for different reasons I will not go into now, but he appeared to Dad Hagin very many times during his lifetime.

Jesus Christ, the son of the living God, has permitted or allowed this shaking in the natural and spiritual world. He permitted it to get the world's and church's attention because He is coming soon and the world is not ready to meet Him, and very many in the church are not ready to meet Him either. The world, in our era, has never experienced something like this. It is a warning and wake up call, to the world, to get saved, and for the church to turn to the Lord and get into His perfect will.

How do I know this? He came to me and told me so. You may not believe it, but one day you will find out what I have said is the absolute truth from heaven. We got ourselves into this mess.

We can blame the secret society, Bill Gates, the deep state, and others that conspire for world domination. (There is truth in all those things, but we must hear Jesus). Jesus Christ permitted or allowed it, even though He is not the author of stealing, killing or destroying. The natural, financial world has been shaken to its core, and totters on the edge of disaster, forcing us to turn to God for His help.

He has allowed us to be thrown out of the church because many have become entertainment centers, social clubs, restaurants and cafés, and motivational centers filled with psychological theory and supposition. Jesus Christ and the Holy Ghost were thrown out and the world was invited in. The auditorium of many churches has the atmosphere of a worldly night club and the Lord does not like any of these things I have mentioned among others. Reverence, respect, and the fear of God has all but been lost. Obeying the Bible and not living in sin is not preached from the pulpit. Many of those called to preach the gospel, wouldn't know the Holy Ghost if He came walking down the aisle wearing a purple cape, with a red hat on. This is sad today.

People have been rocked to sleep in their sin by many in the clergy and are not ready to meet the Lord at His appearing. Now, I am not saying that every Christian or minister is in disobedience, but most are out of the perfect will of God, and the Lord has allowed this to come upon us to get our attention.

If the world, and especially the church, fails to spiritually discern and interpret what is going on, we will not learn from this. We will return to the church with smugness and defiance - yelling the government will never throw us out again! If we do, we will have never truly discerned what is going on right now. It is a natural and spiritual correction, permitted by the Lord Jesus Christ. I will stake my ministry on it.

What do we do? Press the reset button in our lives. Return to the Lord and He will return to you. Our best days are yet ahead of us!

Return to what many call old-fashioned and outdated and get down on your knees, with weeping, repenting, and fasting. Ask Him what He wants you to do, and the changes He wants you to make. Then do what He tells you. Get the social clubs and human reasoning out of the church and preach *thus saith the Lord*. Make a decision not to do anything unless the Holy Ghost says to. Yield to Him, and let Him lead the church, not man.

If the church fails to repent and turn to God in this time, you haven't seen anything like is headed our way from the devil. Now, I am not going under and I am not afraid because me and mine will serve the Lord and prosper while all this is going on. You will too if you trust Him in faith. You do not have to be afraid, but if you need to repent, then do so. I was not going to share this, but Jesus told me to. Seek Him today! (*Ezekiel 33:7-8*)
