THE LAST GREAT REVIVAL

And it shall come to pass in the last days, says God, I will pour out of my Spirit upon all flesh: and your sons and your daughters shall prophesy, and your young men shall see visions, and your old men shall dream dreams: ... (Acts 2:17)

On September 21, 2000, I was about to speak in a church. Suddenly, I was quickened by the Lord to get the book "I Believe In Visions" by Kenneth E. Hagin, and read a portion of chapter two to the audience. I read from the page that had "America's Last Call" at the beginning of it. This was a vision that Kenneth E. Hagin had on September 2, 1950, where Jesus appeared to him. The Lord Jesus revealed to him that "America is receiving her last call. Some nations have already received there last call and never will receive another". The Lord also revealed to him that, "THE TIME OF THE END OF ALL THINGS IS AT HAND". Jesus also said, "THIS IS THE LAST GREAT REVIVAL".

Remember this vision took place on September 2, 1950. This is now June 2007. That vision took place over 56 years and 9 months ago. This seems like a long time ago to us in human years but to the Lord, it is only a moment. In the vision, Kenneth Hagin saw thousands and thousands of men marching to war. He saw many women bowed over and weeping profusely. He saw the skyscrapers of large cities and they were just burned out hulls. Jesus told him in the vision, "TODAY I AM SPEAKING AND GIVING AMERICA HER LAST WARNING AND CALL TO REPENTANCE, AND THE TIME THAT IS LEFT IS COMPARABLE TO THE LAST SEVEN DAYS OF NOAH'S TIME".

I had been preaching that we are in the last great revival since September 21, 2000, when the Lord quickened me to do so. I had been giving scriptural reasons and signs of the times in my sermons to prove this to be true. One day while praying before a service I was going to preach in 2005, the Lord spoke to me. He said, "You have been preaching that you are living in the last great revival and giving different scriptures and signs of the time in your messages." *(Continued on Page 3)*

HOW SEDUCING SPIRITS INFLUENCE AND OPERATE

Now the Spirit speaketh expressly, that in the latter times some shall depart from the faith, giving heed to seducing spirits, and doctrines of devils.... (1Tim 4:1)

I was attending a ministers meeting, when I was shown how seducing spirits operate to hinder the plan of God and implement their plan instead. First of all, let me say, that I was not trying to see anything like this, nor had I thought or prayed about anything like this. I never even expected this experience to happen. It was the spiritual gifts of discerning of spirits, the word of knowledge and the word of wisdom operating through me. These are part of the revelation gifts that operate through believers as the Spirit of God wills. *(1Corinthians 12:7-11)*

SUDDENLY I WAS IN THE SPIRIT

I was listening to a minister speak in one of the sessions. I was taking notes and looking up the scriptures being taught. I looked across the room and saw a minister whom I knew of but did not really know personally. Suddenly, I was in the Spirit! The Holy Spirit said to me, "the motive of that man is not right, he is here to implement his own agenda and does not agree with the vision of this organization. He is yielding to a seducing spirit and doctrines of devils." I was shocked! This man was a member of this organization and had been for years as far as I knew. *(Continued on Page 2)*

(Seducing Spirits, Continued From Page One)

When I first arrived at the meeting and saw this minister I was surprised to see him there. He had not attended any of these type meetings in years, even though he was a member of the organization. I just assumed he decided to get involved and be a part of what was going on.

The Lord continued to speak to me, through the Holy Spirit, while I was sitting in the meeting. He said, "this man is yielding to a seducing spirit and is very uncomfortable sitting in this room where the anointing of God is powerful."

EVIL SPIRITS HARASS & AGITATE PEOPLE

I saw this evil spirit agitate and harass him while he was sitting there, trying to get him to leave the meeting. This evil spirit was whispering to him and telling him it was a waste of his time to be there. It told him, that he knew more than anyone there and they should let him tell them what to do. I was amazed at what I was hearing and seeing! I quickly looked around to see if anyone else was hearing and seeing what I was? No one seemed to be noticing anything. I kept my composure and acted as if all was normal.

I started having these type experiences, on April 5, 1984 when I received a special anointing from the Lord, while still in prison. I started casting out evil spirits that day. (See my book "Escape From Hell" at www.randallgrier.org). They increased in my life, when Rev. Kenneth E. Hagin sat down beside me one night and put his arm around me, in the mid 1990's. He talked with me about the ministry the Lord was trying to move me into and how I needed to yield to it more fully. I don't have these experiences all the time. I never know when they are going to happen. It is as the spirit of God wills. I have discovered, the more I spend time in prayer, the more frequently they occur.

I WAS FILLED WITH COMPASSION

My mind could hardly conceive what I was hearing and seeing! I was filled with compassion for this minister, because I knew he didn't realize what was happening to him. He thought he was being influenced by the Holy Spirit but it was a seducing spirit sent from Satan.

I wanted to command this spirit to leave him alone but the Lord showed me that I couldn't. This minister wanted to think that he knew more than the others. He had reached a good measure of success by doing what this evil spirit influenced him to do. He wanted it, so I could not make it leave.

SUCCESS DOES NOT MEAN GOD IS BLESSING

I learned long ago, "success doesn't always mean that God is blessing, it may mean that Satan quit messing so success would come." Satan will pay your price, if you can be bought. He was willing to pay Jesus anything to fall down and worship him. The person that yield's to him will always fall and fail, eventually. (continued)

(Seducing Spirits, Continued)

The devil always set's us up for failure, if we will follow him. I had an experience, many years ago, where a pastor was yielding to a religious spirit. I want tell the entire story here but I wanted to tell you the outcome.

I saw this spirit operating through this man and the Lord told me not to go back to his church again. This pastor caused problem's for me. He called other pastor's and told them not to have me come preach for them and I lost support because of him. I wanted to fight back, so to speak, but the Lord told me to keep my mouth shut and He would take care of it. It was about seven years later, when this man left his wife and children. Then the church collapsed, folded and ceased to exist. It had run about 400 people at its peak. Other preachers thought I had lost my mind, when I first saw this, but it proved to be true. Following evil spirit's, always ends in disaster.

SUDDENLY, I WAS IN THE SPIRIT AGAIN

I was contemplating on what the Lord had shown me about this pastor, at the ministers meeting. Suddenly, I was in the Spirit again! I saw this seducing spirit had led this pastor to move away from the baptism of the Holy Spirit and speaking in tongues at his church. The Lord said to me, "This seducing spirit has convinced him that he will have greater numbers of people attending his church in doing so." I could see, it was all about success and numbers, instead of the Lord Jesus Christ. The devil is offended by he Holy Spirit and want come to church if the Holy Spirit is in attendance.

The Lord continued speaking to me. He said, "This man will be given a position in this organization because he has influence with and is approved by one who is high up in this same organization. The person that is high up in the organization don't understand that a seducing spirit is in operation against him." In the Spirit, I saw the same evil spirit influence the one that was high up in this organization, also.

LORD, WHAT CAN I DO!

I was highly disturbed and shocked by the revelation I had received. I said, "Lord what can I do! Why did you show me all this?" I really didn't want to think this was all true?! How could Satan seduce people to such a degree? The Lord reminded me that I had once been seduced and deceived worse than that. (See my book "Escape From Hell"). The Lord said to me, "I showed you this so you can pray for this situation. My Spirit will show you how to pray and what to say. I also wanted you to know, so you want be deceived and taken in by this spirit. I want you to be careful in this area. This spirit has gained much authority in this organization and has much power to influence many. I want you to keep yourself built up in my Spirit." I know, the seducing spirit will eventually cause much hurt and harm if he is not made to leave. (Continued next page)

CHRISTIANS SEDUCED BY SPIRITS

I don't want people to think that preachers are the only ones who can be seduced by evil spirit's. Many good church members are seduced by these spirits. I could tell a lot of true stories along this line. Many, many more than about preachers! I have had some unusual experiences in dealing with these situations.

I had an unusual experience during the time that I was serving as a pastor. Yes, I was a pastor for a little more than a year. It was during 1983-1984 while I was in prison as a born-again spirit-filled Christian. I was pastor of the inmate prison church.

The church body had voted me in as pastor. There were several of them that did not want me to be the pastor and didn't vote for me. They thought I read the Bible and prayed too much and they knew I lived exactly as the Word of God said. This group begin to cause trouble in the church. They would go around and tell the other church members that I was of the devil and they should get together and vote me out as pastor. They wanted to start their own church because they were under the influence of seducing spirits.

THEY HEADED TOWARD ME ANGRILY

One day they came late to church, while I was preaching. They slammed the door and begin to yell out that I was of the devil. There were three of them and I thought they were going to attack me as they headed toward me, angrily! They got louder and louder and became greatly agitated! I did not know what to do?! I had not said a word up until this point in the conflict. My heart was racing and fear was trying to grip me. Remember, some of my best friends had been stabbed to death in prison because they would not deny Jesus. *(The story is in my book, "Escape From Hell")*.

Suddenly, the Holy Spirit came on me! The power of God came on me mightily. I believe I know what David felt like when he killed the giant! Without thinking, I pointed at the leader of the group and said, "In the name of Jesus Christ, I command you to shut up now!" There was immediate silence, you could have heard a sewing needle drop. I heard myself saying to the leader, "I deliver you over to Satan for the destruction of the flesh, that your spirit may be saved in the day of the Lord Jesus and I command you to get out of this church right now!" They turned and left immediately. I eventually got everyone calmed down and we continued the service. *(See 1 Corinthians 5:5)*

I didn't hear anymore from any of them until a few days later. I was preaching again, in a church service. The door opened in the back and I could see a stooped over person walking in the door. It looked as if he was in pain. He was bent over, holding his stomach. He stopped just inside the door. *(Continued next column)*

He raised his hand like he wanted permission to speak. I got a glimpse of his face and realized it was the leader of the group that had disturbed the church service. I asked him what he wanted? He said, "My guts are falling out of my body because I attacked you. Please forgive me. They are taking me to the hospital right now. Pray for me, so I want die!" I told him I forgave him and asked the Lord to have mercy on him. He left and I never saw him again. The guys in the church told others what had happened and no one else ever tried to challenge me again, while I was the pastor.

Don't give place to fads of the world that creep into the church. That is the main way seducing spirits and doctrines of devils get into the church of the Lord Jesus Christ. The way to keep these spirit's away from you is to stay in the Word of God and spend time in prayer. You have authority over them. Keep the door of your mind closed to the suggestions of the devil. *(End)*

(Last Revival, Continued From Page One)

He continued, "A greater sign that you have entered into the last of the last days is when Israel became a nation again on May 14, 1948".

The Lord Jesus revealed to me that the last great revival started in May of 1948. It was at the end of World War Two. A wave of divine healing spread out across the United States and around the world that marked the beginning of the last great revival.

In December 2006 the Lord said to me, "THERE WILL BE A VISITATION FROM HEAVEN IN 2007". I know this visitation will bring us into the end of the church age and we will be transformed into His image and walk as He walked when He was on earth. The church will do exploits before the end shall come. I saw that the second coming of the Lord will be in three phases. First, there will be an outpouring of the Spirit of God like there has never been, with signs, miracles and wonders. Next, this outpouring will bring us to the end of time as we know it. We that are born again will be changed in the twinkling of an eye and the rapture will take place. Third, after seven years of tribulation on earth, like has never been before, we will return with Jesus and rule and reign on earth for 1,000 years! Get Ready for the Glory! *(End)*
