

# THE WORD AND SPIRIT

**WATCHING IN THE SPIRIT - EZEKIEL 33:7**

November 2010

## WHAT IS THE HOLY SPIRIT SAYING

*Howbeit when he, the Spirit of truth, is come, he will guide you into all truth: for he shall not speak of himself; but whatsoever he shall hear, that shall he speak: and he will show you things to come. (John 16:13)*

Jesus Christ said the Holy Spirit would guide us into all truth and show us things to come. Every born again believer has this ability inside them. When we fail to listen to the Holy Spirit it causes us to miss the perfect will of God. The other side of that truth is that none of us knows it all and we are human and we can miss it.

I don't know it all and I realize I can miss it. I have also learned it is best not to share everything the Lord reveals to me because others may misunderstand it. Kenneth E. (Dad) Hagin said in his later years that he knew many things that he had never told to anyone. He was certainly a man of great wisdom and I learned so much from his example and I am still learning. The Holy Spirit has things He wants to say today.

### Is The Holy Spirit Grieved

*And grieve not the holy Spirit of God, whereby ye are sealed unto the day of redemption. (Ephesians 4:30)*

The Holy Spirit can grieve just as we can. The original Greek meaning of the word *grieve* is *to be in heaviness, to be sad or sorrowful*. I have sensed this in my spirit for approximately 5 years. I first heard about the Holy Spirit being grieved from the lips of Kenneth E. Hagin, a few weeks before he moved to heaven in September 2003.

There were about fifteen of us ministers having dinner with Dad Hagin one night in a private dining room, in 2003. He said, "My Lord I sense the Holy Ghost!" He began to weep with tears. He said, "The Holy Ghost is grieved with this generation because they will not take time to wait upon Him and get His plan. We have to get back to waiting on the Lord in prayer and in our church meetings."

## AIRPLANE

Over a year ago I was led to sow the RGM twin engine airplane. I had flown it about 1,000 flying hours to different meetings and it was a great blessing to me in my travels. We owned it for 14 years. Our needs changed from the time we first obtained it. It was designed to haul large loads and six people but didn't fly that fast in relation to the amount of fuel it consumed. In other words, it was no longer cost effective to fly. I believe in having faith but I also believe in the wisdom of God. I was going to trade it in for a more cost effective airplane and the Lord spoke to us to sow it instead of trading it. We obeyed the Lord with joy and asked the Lord what we should do? He told me to wait and not get another airplane until He led me to. He has led me to obtain another airplane now.

### Airplane Purpose

An airplane, in ministry, is not to give you a status symbol of success. It is a tool to get you to your destination in an efficient, timely manner. The Lord told me to get an airplane in 1988. I obtained my first one in 1992 and flew it for less money than I could drive my car and stay over night on the road. I do believe that you can overload yourself, in ministry, and get an airplane that you can't afford to fly. It becomes a burden and you have to start preaching money out of peoples pockets to take care of it and that is not correct. Instead of being led by the Spirit you are led by the airplane. I have never required anyone to give me a certain amount to preach for them. I have always just received a love offering and went my way. Many times, over the years, I have preached in meetings and not received the money to meet the budget and never said a word and trusted the Lord. Many were going through a struggle, financially, and needed my help and I went joyfully. Many times they told me they couldn't get other preachers to come. Your support still helps me do that.

It only cost \$160,000.00 to obtain this economical airplane. Help me accomplish His purposes. (Cont. Pg. 3)

*(Holy Spirit, continued from page 1)*

*We must get back to being led by the Spirit of God and following His plans and we will leap forward in the Spirit.”* He said other things that I will not tell now.

The church of Jesus Christ is missing the element of the supernatural and it grieves the Holy Spirit that we even attempt to have church without Him. My most successful times of ministry are after I am so utterly dependent on the Lord that I seek Him until His presence fills me with His Glory and I follow His plan.

### **The Call Of The Holy Spirit**

I sense Him calling us into a place in the Spirit that we have never walked before. We have touched it briefly but never entered fully into it because of the pressures of life, the flesh and the devil. Those things aren't an excuse because we have overcome them all. By His mercy and grace we will stand in this place of His power and might before the church takes flight. There will be many that will heed the call of the Spirit and walk in His ways in these days.

The Apostle, Prophet, Evangelist, Pastor and Teacher will take their place. The Gifts of the Spirit will be in full manifestation. The church will come into the fullness of His Glory because we will seek His face and take our place in obedience to Him.

### **The Importance Of Prayer**

Nothing will bring us to the place in the Spirit that we need to be but prayer and meditation on the Word of God. There are many items available to us today that will assist us in church, but prayer is the vehicle that will get us where we need to be.

I have found myself drawn into a deeper experience in prayer lately. I have found myself praying in the Spirit about things pertaining to and of the Holy Ghost. Every major move of God has started with someone praying. I have found myself praying for others, the church and myself. The main theme of my prayers have been about the element of the supernatural missing from the church. The Holy Ghost led me to pray that way. We must have the gifts of the Spirit, along with the ministry gifts operating in the church today. It is a call from heaven to pray about these things and we will obey Him.

### **Kenneth E. Hagin's Prayer**

In the winter of 1942 and into the winter of 1943, Dad Hagin was stirred to pray about the power gifts operating in the church. For several months he prayed daily to the Lord about this. At times he would find himself, at night, praying and wonder how he got out of bed and into another room. In February 1943, he became so burdened about it that he prayed for over five hours in other tongues. He said it was the longest he had ever prayed, at one time, in other tongues. The Lord Jesus Christ spoke to him and told him, *“There will come a wave of divine healing at the end of World War II.”* It happened just like the Lord said to him. A wave of divine healing came at the end of the war and lasted for about 10 years. I am sure that this would have never occurred unless he and others had prayed like they did. I also believe the Holy Ghost led him to pray about it and he was sensitive enough to pick it up in his spirit and obey the Lord.

### **Sensitive To Spiritual Things**

If I get too busy in administrative things of ministry and natural activities I become insensitive to spiritual things. It hinders my ability to understand what the Spirit of God is saying unto my spirit. Yes, we do live in the natural world but when natural things become more important than spiritual things, we become dull spiritually.

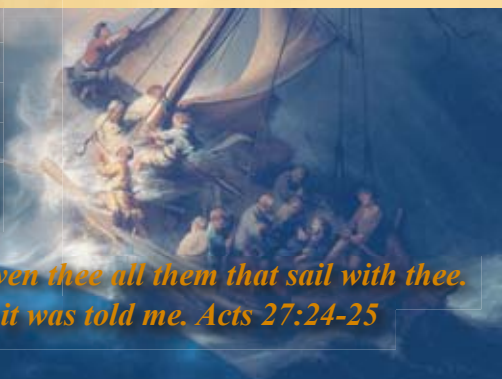

I have discovered that the more I give myself to prayer the more spiritually sensitive I become. I am able to pray about things the Spirit of God reveals to me that will enhance my anointing and ministry. I am also able to pray my way out of traps the devil has set for me because the Spirit of God shows me how to avoid them. I also find that gifts of the Spirit operate through me more frequently and I see and know things supernaturally.

### **Take Time To Pray**

If you will take time to pray in the Spirit it will move you out of the mental realm into the spiritual realm. You will be much more effective as a Christian and minister. Mental praying alone will not get the job done. Yes, your schedule, appointments, flesh and the devil will try to keep you from praying. You must press through the veil of the flesh and commit to follow through, regardless of what comes. Great rewards await you in prayer. **(End)**

**PARTNER WITH RGM TODAY** We are living in turbulent times that require being in the right ship or company and hearing from the Holy Ghost. The Lord Jesus Christ spoke to me and said, “I have given you all that sail with you!” Partnering financially with RGM, will make sure you are on the right ship and have divine protection and blessings of the Lord. Become a partner today!

*Saying, Fear not, Paul; thou must be brought before Caesar: and, lo, God hath given thee all them that sail with thee. Wherefore, sirs, be of good cheer: for I believe God, that it shall be even as it was told me. Acts 27:24-25*

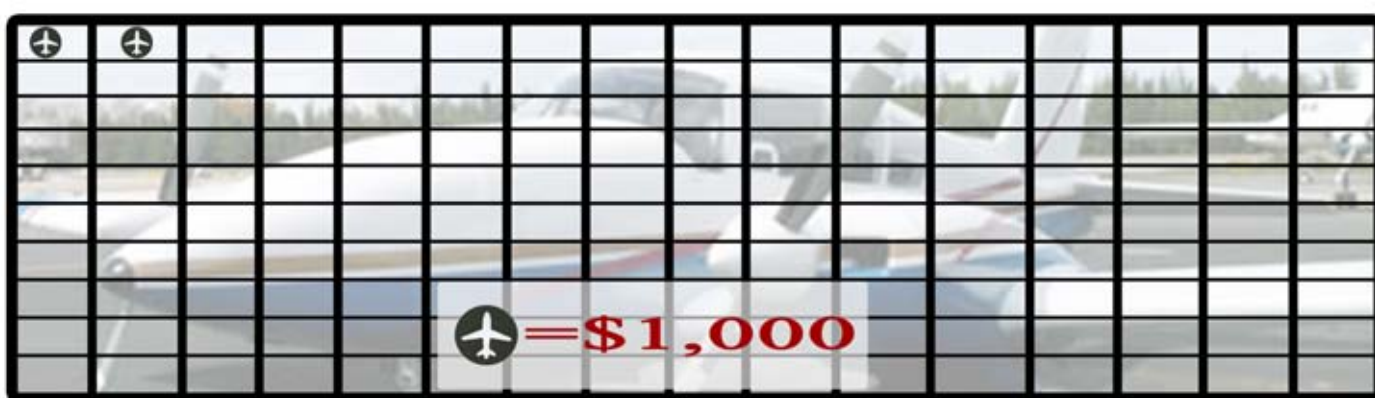

*(Airplane Continued)*

I can fly this airplane for about the same as it cost to drive and fly commercial airlines. I am a pilot myself. The cost of gasoline for cars, hotel expense and the extra taxes and luggage fees that the airlines have added makes it this way. It would allow me to be with my family more often and not be travel weary when I arrive at my destination. I have been on several delayed commercial fights lately and gotten stranded for hours in the airport because I missed my connection.

**Ways To Give Towards The Airplane**

I have set my faith and I believe that I have received it. I believe that this will come above our normal operating expenses and that not only do I have the funds to obtain it but maintain it also. God is good!

You can sow any amount but one way to do it is when 160 people sow \$1,000.00 or more. We have a chart where you can sow \$1000.00 and fill in 160 squares on the chart. You can help me sing, "I'll Fly Away O' Glory"! Each of you will be blessed in your giving and receiving. The miracle is finally set in motion! Remember, Jesus sent His disciples to the man and said He had need of the donkey. The donkey I need to ride is an airplane donkey, but it is all about doing His will, just like Jesus was doing the will of our Heavenly Father.

Each airplane icon in the chart equals \$1,000 sown towards this project. Patti and I have sown the first \$2,000. There are 160 blocks.
