## WHAT THE *Lord* IS SAYING TO THE UNITED STATES

WORD & SPIRIT IN FT. WALTON BEACH, FL

RANDALL GRIER MINISTRIES

# WHAT THE Lord IS SAYING TO THE UNITED STATES

*And it shall come to pass in the last days, saith God, I will pour out of my Spirit upon all flesh: and your sons and your daughters shall prophesy, and your young men shall see visions, and your old men shall dream dreams. (Acts 2:17)*

I have said for years now that the church should be the most intelligent people group on planet earth. The church should know what is going to happen before it happens; why it is happening; what God thinks about what is happening and what our response should be to what is happening. I believe that I was inspired, by His Spirit, to say that. Naturally, it seems like that nothing is further from the truth.

Christians and ministers seem to wonder what is going on, and which way to go. I say this not to condemn, but to point out that this should not be so. It seems the church is staggering around like a drunk man falling in the ditch on this side and that side of Bible truths. Some even say the Bible does not mean what it says and actually promote false doctrines in the church.

I am convinced that the Lord Jesus reveals to those who seek Him what is going to happen in the future. This newsletter is about things past, present and future that He has revealed.

## Vision In February 2008

In February 2008, I had a vision. I was praying about the Presidential office of the United States of America. Suddenly, I was in the spirit, and I had a vision. In the vision, I saw a large demonic creature that had its arms around the Presidential office of the United States of America. I did not see any person within this creature's grasp, but I knew that this creature was trying to hinder the Presidential process that was going on in our country.

In the vision, I saw the creature was being affected by the prayers of the saints. The prayers of the saints were like a sword sticking into its side. It would grimace with pain and discomfort as the prayers of the saints caused it to lose its grip on the Presidential office. It never totally let go of the Presidential office in my vision, but the prayers of the saints almost caused it to lose its grip.

***The Lord said to me that the church needs to pray for this Presidential election because the outcome will greatly affect this country.***

Note, that was nine months before the presidential election occurred in 2008. I spoke about this and wrote newsletters about this and it seemed that many did not hear. Now, all can say the vision was correct because it came to pass.

## Vision In October 2008

On Friday, October 31, 2008 I was praying about the presidential election in a prayer meeting. I had a vision and saw Mr. Obama and an evil spirit that was harassing him. I saw this spirit take a hold of him and I knew it would influence his actions. I began to command the spirit to stop harassing him and to leave him alone.

The evil spirit said, "You can't make me leave because the people of the United States want me and as long as they want me you can't make me leave." The Lord Jesus revealed to me that what the evil spirit said was true. That is an hour long message in itself.

I knew, by revelation, this evil spirit would deceive the majority of the people of the United States, including many Christians. Now, all know the vision was true and correct because it happened just like the Lord said. I told about it then, and wrote about it. Again, many didn't hear and some Christians got upset at me and called me a racist.

## Vision In November 2008

On November 3, 2008, the night before the presidential election, I was in a prayer meeting and had a vision. I was praying about the presidential election that would take place the next day. Suddenly, I had a mini vision of the Lord Jesus Christ. He said, "Don't talk to me about the presidential election anymore! I don't want to hear it! The people will get what they want but it will not be what they think! Go and tell them for me."

Our Lord Jesus Christ went on to tell me, **"Tell the people that they will have 1 Samuel chapter eight in their nation as a result this election!"** That night I sat down and wrote an entire newsletter on what the Lord had said to me to tell everyone. Now, it is clear the vision was true and correct because it has happened just like the Lord said. Read 1 Samuel eight and look at our nation and you will see. Don't just take my word for it.

## Kenneth Erwin Hagin Vision

Dad Hagin tells about a vision. He said, "I had two very similar and unusual spiritual experiences, one in 1970 and the other in 1979, that showed me how real our responsibility is to pray for our nation and for the world. In the first vision, I knew that the three frog-like creatures leaping across our country meant that three strategies of the devil would arise out of the multitude of peoples against our nation. The first strategy of Satan would be *riots and disturbances*. The second, would be *political upheaval* (Watergate, as it turned out). And the third, *problems in the economic sector* of our nation.

In the second vision in 1979, Jesus said to me, "If the Christians of this nation had done what I told them to do in My Word and had prayed for the leaders of their country, they could have kept those evil spirits you saw in 1970 from operating in this nation. None of those upheavals would have occurred in your nation.

You would not have had the political, social, and economic disturbances in this nation, and the President never would have made the mistakes he made. In fact, I'm holding the Church responsible for the President's mistakes."

When I heard Jesus say that, I cried out, "My God!" and began to weep. Jesus continued, "Yes, the Church is responsible before God Almighty. I know when you tell that to some Christians, they will laugh. But you wait until they stand before My Judgment Seat and see if they laugh when they are the ones who will receive the judgment.

### **Dad Hagin - America's Last Call**

On September 2, 1950 Jesus revealed to Dad Hagin, "*America is receiving her last call. Some nations already have received their last call and never will receive another. Today I am speaking and giving America her last warning and **call to repentance**, and the time that is left is comparable to the last seven days of Noah's time.*"

### **Present Day**

There are internationally known ministers telling the church there is no need to repent. Sins, such as lesbianism and homosexuality have been accepted as approved by the Lord Jesus Christ. The minister that pastors the largest church in the nation stated a lesbian was raised up by God and thanked the Lord for it. Popularity and present day culture has caused many to turn away from the Bible to be accepted by society.

### **Church Changed By The Culture**

I respectfully disagree with the direction that most of the church has turned toward. Well known leaders, in the church, proclaim we must listen to the millennial generation and implement their desires in the church. Those who follow the Holy Ghost are called "old timers" or "old heads" and are marginalized and ostracized as not relevant in the church. The problem is most of the present day millennials don't know the Holy Ghost. Many of them think Siri, Cortana and Google are the Holy Ghost.

### **Decline In The Church**

I have watched those churches who once followed the Holy Ghost decline in every area as they accepted this new culture. There is an evil religious spirit behind all this that many think is the Holy Ghost. This evil spirit has disguised itself as the Spirit of God. Religious spirits motivate people to do religious things but they are not of the Holy Spirit. Few of them believe in a literal hell or that people will go there.

### **Prayers Of The Remnant**

The prayers of the remnant church have kept the devil from destroying this nation thus far. The remnant church has grown smaller as it becomes more unpopular to preach the Bible and follow the Holy Ghost. Thank God Jesus Christ will work through His remnant church to bring His will to pass in our nation. Victory is sure for those in Christ.

## **The Future**

The Lord Jesus Christ has dealt with me about Deuteronomy chapter twenty eight for a year or more. He revealed the principles found there will determine the future of this country. Read that and observe our nation and it reveals why we have the problems we do. The Lord will bring His will to pass through the remnant church as we faithfully obey Him, and pray. The church will determine the future of this nation. If the church continues to backslide, as a whole, the nation will continue to be filled with sin and disrespect for God.

If the United States continues to reject the Bible, it will open itself up to many more spiritual, political, economic, and social problems. The direction of America will also affect every nation on earth and they will follow our nation. The hope of our nation is in control of the church. May the church realize how serious the times we live in are in relation to curbing evil in the world.

### **Prayer Is The Key**

*And he spake a parable unto them to this end, that men ought always to pray, and not to faint.*  
(Luke 18:1)

Prayer is the key to change things, and hold back evil in the nation and world. Dad Hagin used to lead us in prayer for change in Russia. At each prayer meeting prayer was made for Russia. Prayer caused communism to fall and Russia was opened to the gospel of Jesus Christ.

## **November 4, 2014 Election**

Laughing in the Spirit is always a sign of breakthrough or victory. The Spirit of God came upon me and I laughed and laughed, in the Spirit, in January 2014. This took place in Ft. Walton Beach, FL at our annual Word and Spirit meeting.

While laughing in the Spirit the Lord said, "I have placed limits on what the devil can do through the Presidential office, the Congress, the Supreme Court, the court system, state governments, city and county governments and in this nation. I have limited what the devil can do with his false doctrine that has swept through the church world. He has come to his end." This happened just like the Lord said it would. It is also a definite sign that the Lord is with us.

### **Prayers Of The Remnant**

The Spirit of God moving upon our country in this election was the result of the prayers of the saints. We have started a turn in the right direction. I sensed spiritual oppression lift the day the election occurred. Satan began to lose control in areas and regions of the United States.

We can change things by prayer. We can hold back judgment even on the unsaved, and give them a little more of a chance to hear the Gospel. God told Abraham that if there were ten righteous to be found in Sodom and Gommorah, He would spare the cities. Thank God our prayers are working!

## A Spiritual Experience - November 5, 2014

November 5, 2014, about 10:55 p.m., the Spirit of God came upon me and I sensed the Lord Jesus was beginning to gather people back toward Him and His will, in the Spirit. I am normally not awake at that time. He is calling together His people for a sweeping move of His Spirit across the land. Turn to Him, in prayer, and you will see how easy it is to move to a new level in the Spirit. A door of opportunity has been opened unto us. May we all take advantage of this time and season that we are in.

## RGM PARTNERSHIP

The Lord has blessed RGM with financial partners who desire His will and plan to take place in the earth. Remember, this will be the best year you have ever had spiritually, physically, ministerially, financially and materially. We must steadfastly keep our confession of faith and we will reap our harvest. I ask you to pray about becoming a monthly financial partner with RGM to expand the Kingdom of God.

## SPECIAL OFFERING

In our recent meeting in Branson, we received a special offering towards a 10 year FAA maintenance requirement on the RGM aircraft. We were blessed by those who participated. If you are led to sow into this special aviation offering, it would bless RGM tremendously. As always, RGM desires that you be blessed financially.
