

THE WORD AND SPIRIT

WATCHING IN THE SPIRIT - EZEKIEL 33:7

September 2010

DISCERNING THE SIGNS OF THE TIMES

The Pharisees also with the Sadducees came, and tempting desired him that he would show them a sign from heaven. He answered and said unto them, When it is evening, ye say, It will be fair weather: for the sky is red. And in the morning, It will be foul weather to day: for the sky is red and lowring. O ye hypocrites, ye can discern the face of the sky; but can ye not discern the signs of the times? (Matt. 16:1-3)

In the above verses, the Pharisees and Sadducees represented the leaders of the church people of their day. They were supposed to know all things about the Lord God and His work and purpose on the earth. Jesus Christ rebuked them because they could look at the sky and tell if the sun was going to shine or if it would rain. They could interpret the weather but they could not interpret what God was saying and doing in their day. Jesus was saying, it is more important to understand what the Lord God is doing than it is to be a scholar or genius in natural world affairs.

Signs Of The Times

Unprecedented demonic activity against the church of the United States and spiritual, political, economic and social upheaval in this nation.

You don't have to be very spiritual to understand that demonic activity has increased greatly in this nation since 2008. On Thursday, February 21, 2008, I was given a vision from the Lord Jesus Christ. I was attending Winter Seminar at Rhema Bible Church. Rev. Lynette Hagin had taught on prayer and then invited us all to pray for our country and the upcoming presidential election. Suddenly I was in the Spirit and had a vision. This was a spiritual vision. There are three types of visions. A spiritual vision is where you see with the eyes of your spirit, a trance is where your physical senses are suspended, and at the moment you are not aware of your physical surroundings, and an open vision is where all of your physical senses are intact and you see into the realm of the Spirit.

Patti, Randy & Randall Grier

Jesus Christ taught Kenneth E. (Dad) Hagin these things from the scriptures. I have experienced all three types of these visions at one time or the other as the Lord desired.

I saw into the spirit realm and saw a large demonic creature. The Lord said to me, "This demon is trying to control your present president (President George Walker Bush) and it is trying to control the upcoming presidential election in November of this year. Tell my people to pray and not be led astray by this demon." (I did tell people and many thought I had lost my mind.) The Lord went on to say, "Just as I

anoint men and women with the Holy Ghost to do my will - Satan empowers and equips people to carry out his will. Satan will do this in this upcoming presidential election. Tell my people to pray and obey My Spirit when they vote at election time because if the wrong person is elected it will open up this nation to demonic activity like it has never known."

The greater percentage of people voted for the wrong person for President of the United States on November 4, 2008. That opened the door for the devil to operate in this nation in a greater degree. The church of Jesus Christ can turn this around by prayer, adhering to the Bible and exercising their God given authority over demonic spirits.

Demonic Activity Results

This demonic activity has oppressed the church to the point that the sin that the Bible clearly speaks against is declared not to be sin. Homosexuals, lesbians and spiritual guru's have replaced anointed men and women in the pulpits of many American churches.

Internationally and nationally known preachers are declaring that 1 John 1:9 was not written to the church, but to the unbelievers. Some take this error further and say the Christian does not have to ask forgiveness when they sin because they are already forgiven. That is a bunch of bunk, junk and hogwash and it is a doctrine of the devil. 1 John was not written in chapter and verse. The Apostle John wrote the letter in its entirety to the church. You can't separate chapter one from the rest of the chapters. (Cont.)

(Discerning the Times, Cont. from page 1)

The most important key is that a person who is not born again is never told, in the Bible, to ask forgiveness of their sin to be saved. They are told to confess Jesus Christ as their Lord and believe in their heart that God has raised Him from the dead. Once a person is born again and then they sin, 1 John 1:9 must be obeyed by the Christian to restore their relationship with the Lord Jesus. When a Christian sins that does not mean they are immediately unborn again. It means their sin has come between their relationship with the Lord, just like Adam and Eve when they hid themselves in the garden. The Lord God restored their relationship with Him by the shedding of blood of an animal which is the act of repentance. When a Christian sins they must repent of their sin by obeying 1 John 1:9.

Doctrines Of Devils

Now the Spirit speaketh expressly, that in the latter times some shall depart from the faith, giving heed to seducing spirits, and doctrines of devils. (1 Timothy 4:1)

Once saved always saved is a doctrine of the devil. The Bible way to say it is "*Once saved always saved if you stay saved.*" A Christian can choose to deny the Lord Jesus Christ and no longer be saved. A popular trend today is those who claim to be Christians converting to the Muslim faith. If a Christian converts to the Muslim faith they have to deny the deity of Jesus Christ. That contradicts what the Bible states and is unscriptural.

Some Christians are converting to Wicca, Satanism and believing in the satanic bible and the occult. Some Christians are converting to Hinduism, Buddhism, witchcraft, homosexuality, lesbianism and same sex marriage. Some Christians are saying there are many paths that lead to God and Jesus Christ is not the only way. Some Christians deny the shed blood of Jesus Christ is the only way sin can be forgiven. Some Christians have embraced abortion (legal murder) as an accepted practice, etc, etc. All people who covert to these things and other unbiblical things have turned their lives over to Satan and denied the Word of God. It does not matter if they have confessed Jesus as Lord, at one time or not, they will not be saved by Jesus Christ, according to the Bible.

They will spend eternity in the lake of fire by their own choice. The Lord Jesus Christ will not send them to hell. They make their own choice and go there. You cannot disagree, disobey and deny the written Word of God (Bible) and go to heaven. *You are a fool if you believe that, and you are deceived by a seducing spirit from Satan.* If you could be saved doing that, then the devil himself would be saved. Yes, there is a false doctrine out there that states God loves all and even the devil will be saved. It would be funny if it wasn't so pathetic!

There are other false doctrines like speaking in tongues is satanic, and healing and miracles passed away with the last Apostle. The *doctrine of inclusion* which declares all religions are right, and all religions will go to heaven, is another one. The *doctrine of dual covenant theology* states that if a Jew does not confess Jesus as their Lord and dies, they will be given another chance to receive Jesus Christ and be saved after their death. It goes on to say that all other people groups must receive Jesus before they die or go to hell, only the Jews will be given another chance. Let me say again, that these and all false doctrines are a bunch of bunk, junk and hogwash!

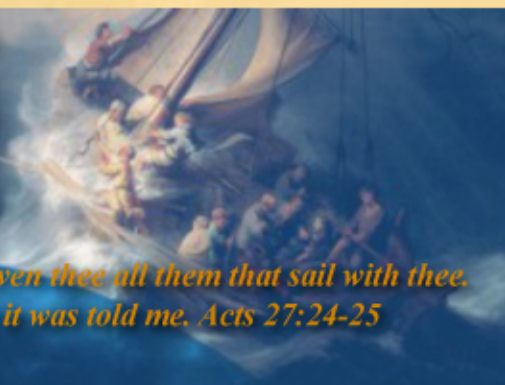

Demonic Influence Of President George W. Bush

Yes, I do pray for all those in authority as the Bible teaches me and I am not against any president or any other human being, but I am against the devil and his doctrines. In April 2008, I had a spiritual dream from God. I have only had about three spiritual dreams from God in my 55 years on planet earth. Very few dreams people have are from God.

In my dream, I was walking along a road and nothing or no one was around. I looked in front of me and saw someone walking toward me. When the person got close enough I recognized it was President Bush! I was shocked and wondered why he was there? He was by himself. He walked up to me and looked up at me. (I was taller than he was.) I looked down at him. He didn't say a word and I didn't either because I didn't know what to say. He kept looking at me for a minute or more. Suddenly the anointing came on me and I said, "*President Bush sir, please don't be a lame duck president in the last months of your administration. There are things the Lord wants you*

Saying, Fear not, Paul; thou must be brought before Caesar: and, lo, God hath given thee all them that sail with thee. Wherefore, sirs, be of good cheer: for I believe God, that it shall be even as it was told me. Acts 27:24-25

to do that you have not accomplished." I was amazed that I said that to him!

He replied, "You are right son, the Lord Jesus told me to run for president to carry out His will in this nation and I have failed to complete some tasks He gave me. Son, the political pressure of this job is much greater than I ever imagined and I have great opposition from people and the devil in doing the Lord's will." He looked at me a moment, shook my hand and turned and walked away and so did I.

Suddenly he said, "Son I want to ask you something before you go." I turned and hurried back to him. He asked me, "What do you think about my policy in Israel?" I knew a little about him trying to bring peace in Israel. He wanted to split Jerusalem in half to create a Palestinian State in Israel hoping it would bring peace. I didn't know what to say?

Again the Spirit of God came on me and I said, "President Bush sir, there are only two people that will bring peace to the middle east. One is Jesus Christ and the other is the antichrist. If your aren't either one of them then please leave Israel alone." He shook my hand again and turned and walked away and so did I. The dream was over. I noticed he finally gave up on bringing peace in Israel. Notice, he had satanic opposition so the devil tried his best to influence him. I don't believe President Bush ever fully accomplished what the Lord wanted him to do and he didn't get everything right.

Demonic Influence Of President Barack H. Obama

On Friday, October 31, 2008, I was praying with a group at Cumming New Life church in Georgia. We were praying about the presidential election that would take place the following Tuesday. Suddenly I had a vision. In the vision I saw President Obama. Standing beside him was the most beautiful demon spirit I had ever seen. (The Bible tells us Satan transforms himself into an angel of light. 2 Cor. 11:14) I was startled as I saw the demon try to influence our president. I commanded the demon to leave President Obama alone, in the name of Jesus Christ! The demon said to me, "You can't make me leave him alone!" I said, "Yes I can, in the name of Jesus Christ!"

The demon said, "No you can't because the majority of the people of this nation want me and like me." I heard a

voice speak from above. I assume it was the Lord Jesus. The voice said, "The demon is right. You can't make it leave because you do not have authority over human wills as I don't. If the majority of people vote for this in the United States this demon will cause havoc in this nation." I was shocked as I received this revelation! I saw the demon take control of our president and give him power over the minds and wills of the people of the United States. The demon began to laugh with glee at me.

The Lord Jesus Christ spoke to me and said, "He will be elected president next Tuesday and great turmoil and upheaval will soon occur in this nation in the political realm, economic realm, social realm and in the environment of the earth. Demonic opposition will increase greatly against the Bible and church. The principles of 1 Samuel chapter 8 will take place and there will be much heartache and remorse among the people."

I published what the Lord told me the next day but many Christian people rejected God's will as well as the majority of the unsaved and voted wrong. Their rejection of God and the principles of His Word was an acceptance of Satan and his evil works. This allowed the devil to gain a stronghold in this nation and cause all the problems we now have in this nation.

There Is Only One Solution

If my people, which are called by my name, shall humble themselves, and pray, and seek my face, and turn from their wicked ways; then will I hear from heaven, and will forgive their sin, and will heal their land. 2 Chron. 7:14
