

# THE WORD AND SPIRIT

**WATCHING IN THE SPIRIT - EZEKIEL 33:7**

May 2010

## RESPECTING OUR SPIRITUAL FATHERS

*And Isaac digged again the wells of water, which they had digged in the days of Abraham his father; for the Philistines had stopped them after the death of Abraham: and he called their names after the names by which his father had called them. (Genesis 26:18)*

The future anointing of the church is linked to the past anointing of the church. We do not go back and build a monument and camp out, but we build on the foundation of our spiritual elders and fathers. We can follow them into the move of the Spirit for our day and then move on from there. We should always be learning and growing in things pertaining to and of the Holy Ghost. (1 Cor. 12:1)

### Respect

Isaac opened the wells that had been dug many years earlier by his father, Abraham. He had great respect for his father and called them by the same names that his father had given them. Sincere ministers and Christians, search for the true biblical doctrines of the church, the plan of Jesus Christ for the church, and the move of the Holy Ghost today. We must make use of the discoveries of our spiritual fathers, or we will waste much time and move away from the things of the Spirit. We have to enquire of the spiritual wells which our fathers dug, which the adversaries of truth have stopped up, and teach this generation what our spiritual fathers taught us.

### Following The World System

We live in the information and technological age. Information seems to come to us at the speed of light (186,000 miles per second). The pressure is on to identify with the world to the point of compromising what we have been taught by our spiritual fathers, to be accepted - cool, hip, modern, and up with the times. I agree society is different from what it was a few years back, but it is also different in that there are looser morals, values, and an *anything goes* mentality. It is getting progressively worse, almost daily, and there is a reason. (cont.)

Patti, Randy & Randall Grier

It is a direct result of the church world catering more to the physical senses of a Christian or person than to the human spirit. When the church advances in catering to the physical senses it causes the Christian to be more aware of physical things than spiritual things. The world operates by the physical senses, intellect and educational training. Therefore, the Christian becomes like the world, thinks like the world, and acts like the world. It takes them further away from God because they are trained not to accept what their physical senses cannot comprehend. The reality of God and the Holy Spirit must be accepted on a raw faith basis. Not by the physical senses, intellect or education.

I am not against using modern equipment to proclaim the gospel and we use it in our ministry. I am not for using sensual, mood setting devices to enhance the physical, soulful experience of a person in a church meeting. Jesus Christ is not for it either, because He told me so.

### The Visual Generation

*The light of the body is the eye: if therefore thine eye be single, thy whole body shall be full of light. But if thine eye be evil, thy whole body shall be full of darkness. (Matthew 6:22-23)* This has been declared the visual generation because of the electronic advances made in this area. Society is bombarded with visual images almost every waking moment. Fashion, style, and looks are the dominating criteria on how a person is accepted. This causes people to be constantly aware of the visual or physical realm. When this visual, physical realm is reinforced in church, Christians have a tendency to live by their senses instead of being led by the Spirit of God.

*The light of the body is the eye.* More demons enter people through the eye gate than any other way in our society. Almost all lusts, murders, robberies, rapes, molestation, and violence, etc occur because the person has first seen a visual image of it. Most TV and movies have become a hellhole for Satan to take advantage of people by entering their mind through the eye gate of their bodies. I came from that lifestyle, I know. (con't. pg. 2)

*(Respecting our spiritual fathers, Con't. from pg. 1)*

### **The People Want These Things**

The protest is made, *"But the people want these things."* It still does not make it right, good, or advantageous for them. The people that want those sensual, physical things are spiritual babies and don't know any better.

When my son was four or five years old he wanted to take a butcher knife and cut a watermelon. I slapped his hand, as he reached for the knife, and grabbed it before he did. My son was a baby and didn't know any better, but I did, and I let him know it by correcting him. Why? Because I loved him and didn't want to see him get hurt. I knew he was in danger, but he didn't. I am his father and I am to protect him and teach him right from wrong, not let him do things that will harm him. Spiritual babies have to be corrected and trained in the same way. Yes, there will be a lot of whining, crying and protesting from them, but correction must come for their own spiritual well being. Spiritual fathers must arise and take their place and teach this generation about the ways, operations, and manifestations of the Holy Ghost.

### **Train And Correct Before It Is Too Late**

*Train up a child in the way he should go: and when he is old, he will not depart from it. (Proverbs 22:6)*

In the natural, you can wait too long to correct and train a child. Once they reach a certain age, they can do what they want to and don't have to submit to your correction. If you waited too long, it becomes too late and you wish you had corrected them before now.

Rev. Kenneth E. Hagin used to say that neglect brings regret. I know, by the Spirit of God, that many spiritual babies are going to be lost back to the world system if they are not corrected now. Many older Christians will be caught up in this mentality and will fall away also, if measures are not taken to bring the church back into the middle of the road - back to what is right and wrong, and being led by the Spirit of God, instead of the flesh and what feels good. Morals and values, commitment, paying the price, and crucifying the flesh are some of the truths that must be proclaimed loudly in this day. I pray God will raise up a loud voice to proclaim these things throughout our land. I have prayed that way for seven years now and still have faith.

### **God Closed The Door In Noah's Day**

Noah proclaimed Godly truths to his generation and no one seemed to pay attention. He told them that God's judgement was coming and to prepare for it. I assume they thought He was crazy and an old fogie. The day came that God told Noah to enter the Ark and then God shut the door, not Noah. It was too late after God shut the door.

I am proclaiming to you that a day is approaching that there will be no room for repentance and it will be too late. I can hear into the future, by the Spirit of God. *(con't.)*

I hear crying, groaning, and travailing because of regret. I can see into the future and I see people weeping in agony because of regret. When we enter over into 2011 we will be there. The countdown began about five years ago, the Lord Jesus told me.

### **Warnings From The Past**

I was praying with several people, about eight months before September 11, 2001. I had a vision. I saw airplanes running into buildings with devastation, destruction and people running every where. The Lord told me to proclaim it to the prayer group and I did. About eight months later, it happened just like I saw it. It was confirmed by the group.

I was praying with another group of people on September 8, 2000. I had a vision of a demonic cloud spreading from the Atlantic Ocean to the Pacific Ocean. The Lord said, "The two people that stand at the forefront of what is called the "Gold Dust Phenomenon" will be removed from the scene because they are deceiving many with these demonic miracles. I have given them space to repent and they have failed to do so." That was on a Friday and on Friday of the following week, the first one died and the other died in about six months. (I had no knowledge of these people's actions before this experience.) It was confirmed by the group.

I was in a restaurant, years ago, and someone called my name. I looked to see who it was. When I looked at the person I saw what looked like a white mask on their face. It was a pastor I knew. The Lord said, "Two weeks from today they will fall dead in their pulpit." They fell dead just like the Lord said.

In September 2004, while praying with a group of people, I had a vision of devastation and destruction coming on the United States. The Lord said, "Judgement is coming to the U.S. in 2005." It happened just like the Lord said. It was confirmed by the prayer group.

In the last three Presidential elections the Lord spoke to me, during times of prayer, and told me who the next President of the United States would be and what He thought about them being President. The first time it was confirmed by an individual and the last two times it was confirmed by the groups I was praying with.

I could write more about experiences I have had along these lines, but that is enough. Most of them I don't particularly care to have or proclaim. They happen as the Spirit of God wills, not me. I only mentioned these in hopes that people will give heed to what is said in this newsletter. *(end)*

## CASUAL CHRISTIANITY

*So then because thou art lukewarm, and neither cold nor hot, I will spue thee out of my mouth. (See Revelation 3:14-22)*

There is no such thing as casual Christianity in the Bible. It is a movement inspired by the devil and accepted by man. The devil is setting up those who believe this demonic seduction to rule and reign over them. You must first bind the strong man before you can spoil his goods. (Matt. 12:29)

Meeting with the Lord only an hour or two a week is like trying to win *the strongest man in the world* contest by lifting weights an hour or two a week, then expecting to win. You would be laughed at, called dumb and could never win. It is the same in spiritual things. If you are not strong in the Lord and the power of His might you will have very weak faith and be overcome by satanic influence. You cannot win by praying a baby prayer or two a week and quoting a Bible verse or two a week.

The only method of victory for the Christian is: *But they that wait upon the LORD shall renew their strength; they shall mount up with wings as eagles; they shall run, and not be weary; and they shall walk, and not faint. (Isaiah 40:31)* The more time you spend with the Lord the stronger you will be! For those who wait, victory is sure!

On August 13, 2003, I was eating with Kenneth E. Hagin after one of his services, when he had a spiritual experience. This happened about a month before he moved to Heaven. He pushed back from the table, in a private dining room, and said, "My Lord, I sense the Holy Ghost!" The Glory of God filled the room! The Lord said to me, "Get your notebook and take notes." Suddenly Dad Hagin began to weep and said, "My, my, my - my, my, my we must get back to having extended meetings. The Holy Ghost is grieved with this generation because they will not wait on Him and allow Him to move as He wills. That is why we don't have the miracles and gifts of the Spirit like we should in our services." He went on to explain that in his extended meetings years ago, he never saw a notable, spectacular miracle until the third week of his meetings. There are reasons for that but I do not have space to explain it. The Lord led both myself and Pastor Larry Westforth to have this meeting at this time to honor the Spirit and Glory of God by allowing Him to move as He chooses. You will experience the Glory if you meet Him with us!
