STAYING ON COURSE

RANDALL GRIER MINISTRIES

STAYING ON COURSE

I have fought a good fight, I have finished my course, I have kept the faith. (2 Timothy 4:7)

This verse gives us insight in the life and ministry of the Apostle Paul. He fought a good fight (he paid the price) to finish his course (he did not quit) and he kept the faith (he stayed with the same message and doctrine). He stayed on course and accomplished the perfect will of God. May this be a keynote verse for every minister and Christian today.

The Apostle Paul encountered much opposition to the gospel the Lord Jesus told him to preach and teach. His writings tell us of many threats on his life and being beaten and run out of cities. He was beaten and left for dead because he would not compromise the gospel to please the people of his day. He protected or guarded the revelation of the gospel of Jesus Christ. He preached and stayed with the same message all his life and ministry. He did not change.

We must stay on course today and not change our doctrine, which was the doctrine of the Apostle Paul, which is the doctrine of Jesus Christ.

The Lord Reveals Church Split

In September 2007, I was spending time fasting, praying and seeking the Lord. One morning, I was sitting at my desk meditating on the Bible, with prayer.

The Spirit of God spoke to me and said, *“There is a split, separation or division taking place in the church. Out of this church split two types of churches will emerge. One will be an **Informational Church** and the other will be a **Revelational Church**. This split or division has been going on since 2006. The popularity of **informational churches** will expand these churches in the next few years.”*

Informational Church Defined

These be they who separate themselves, sensual, having not the Spirit. (Jude 19)

Informational Churches have a keynote truth that they are established upon. They have moved away from the Bible and the Holy Ghost and have established their own form of unbiblical, unspiritual and humanistic worship.

They rebel against the truths that our elders taught and go their own way. I am not saying that the “*old church model*” didn’t need a change but this makeover that is sweeping through the church is headed in the wrong direction. It seems that Satan always takes advantage of our desperation in the church. Yes, I desperately want to see a change and fresh fire, like you. Satan takes advantage of this and gets them to accept something he packaged.

Revelational Church Defined

Beloved, when I gave all diligence to write unto you of the common salvation, it was needful for me to write unto you, and exhort you that ye should earnestly contend for the faith which was once delivered unto the saints. (Jude 3)

The central truth of this church model is that they are committed to strict adherence to the Bible, Holy Ghost and the Lord Jesus Christ. This commitment causes them to walk in total victory over Satan. They are contending for the faith on which the church was founded in the New Testament. This church knows that there is an outpouring of the Spirit of God that we are in the edges of. They seek God in prayer and will not accept anything that does not come directly from heaven. *They realize, that if you ever embrace the false you will never have the real.*

The Church Must Be On Course

I am a pilot and I know it is imperative that I am flying the correct compass heading if I am going to arrive at my destination. Any pilot will tell you that if he deviates from his flight plan just one degree from the charted course, he will not make his destination. For every one-degree off course from the flight plan, he will miss his charted destination by one mile for every 60 miles he is flying. If the pilot can't find a safe place to land he will crash and probably die. One degree off course makes a big difference.

For instance, if a pilot begins a flight on the equator and flies around the globe, one degree off, he will be 500 miles off course when he returns. He will crash or land in the wrong place. To illustrate it more clearly, a flight from Salt Lake City, Utah to London, England that is off by one degree will land or crash somewhere in the country of France. No pilot will ever reach his destination if he is off by only one degree, on his compass heading.

I was flying the RGM airplane to New Mexico recently to preach. I was encountering winds aloft that were blowing me off course. At times the opposing winds were 35 knots and greater. The autopilot had to adjust my heading many times to keep me on course. If that had not occurred I would have missed my destination airport by many miles.

The Church Course

It is imperative that the church be on course. Certainly others, in the church, can see that we have deviated from our original, Holy Ghost, course. Dear Heavenly Father, please give unto the church the spirit of seeing and knowing, in the name of Jesus. There are times, it seems, I am sounding an alarm that no one is hearing. Many seem to think that the church is on course. The church will never accomplish its mission if it is off course. We must not wander in the wilderness until we die. The devil is trying to blow us off course. We must make adjustments.

The Wilderness Generation

We know the story of how The Lord God delivered Israel from Egypt. There are some principles from that time that are applicable to the church today.

Moses was ordained by God to lead them out of bondage, as Jesus was sent to lead us out of bondage. One of the first things to occur was that the people rebelled against Moses. They did not like the way he was taking them and wanted to turn back into Egypt. They forgot, it was all God's idea. It was not Moses' plan, it was God's.

They went out across the wilderness and soon forgot about their miracle working God. God called Moses up on the mountain to give him further directions. The people did not want to wait patiently until Moses returned with God's Word. The people got off course into sin. They made a golden calf and began to worship it as god! Aaron knew better but yielded to the pressure of the people.

People today are the same as then and do not want to wait to hear from God. They become impatient and form golden calves from the world and bring them into the church and worship them. As Aaron, most ministers know better but seem to be yielding to the pressure of the people and times that we live in. The world has infiltrated the church until you can hardly tell the difference between the two. The church should change the culture of society not embrace it!

That Entire Generation Died

That entire generation, twenty years old and up, died in the wilderness. They got off course by disobeying the words of Moses, which were the Words of God. Two men, Joshua and Caleb, were the only ones, from that generation, to enter the Promised Land. That is a very low percentage rate. That means every other person missed and disobeyed the will of God for that generation. That generation delayed the plan of God but did not stop those who would obey God in the next generation.

The Generation Of Today

The church generation of today has many of the characteristics of Israel in the wilderness. The respect for the elders that heard from God and gave us directions are mostly rejected. Some have gone as far as to disdain them. As the people rebelled against Moses and God's Word, people are in rebellion today. There is a remnant that is obeying as Joshua and Caleb did. They will go into the Promised Land of the Spirit.

Aaron was anointed by the Lord to oversee the people in the absence of Moses. He disobeyed God because the people wanted to be like the world that they came out of. They pressured Aaron to make them a golden calf so they could worship it as god. The ungodly Egyptian culture was brought back into God's camp by a rebellious people. They entered into the sin of Egypt.

Paul Kept The Church On Course

Now I beseech you, brethren, mark them which cause divisions and offences contrary to the doctrine which ye have learned; and avoid them. (Romans 16:17)

This is the word of the Apostle Paul. He knew it was imperative that the doctrine be protected, even to the point of staying away from those who were in error. There are doctrines today that are false and you should not listen to those who promote them. There are those that I, personally, will not listen to or read after. Why? The number one way a seducing spirit influences you is through another person whom is already deceived by it. If you hang around that spirit, it will get off on you, and you will get into error eventually.

Eat The Hay Throw The Sticks Away

And if any man obey not our word by this epistle, note that man, and have no company with him, that he may be ashamed. Yet count him not as an enemy, but admonish him as a brother. (2 Thess. 3:14-15)

We were taught to eat the hay and throw the sticks away. This means glean the good you can from a message but don't accept the error. That is true unless the message is poison. I was told 90% of rat poison won't hurt you at all. There is 10% of it that will kill you though. There are doctrines that are absolute poison and you can't eat the hay and throw the sticks away. Paul said, Stay away from those brothers, admonish them.

The Apostle Paul would be very unpopular today, just as he was in his day. The new gospel of some today is to compromise the message and truths our elders taught us. The idea is, the world will like us more, if we embrace their ways and show them we are just like them. The problem is, we are not like the world and they should realize they are different from a Christian. When a sinner or demon-possessed person can sit comfortably in a church service, there is a problem.

Conviction Or Condemnation

The unscriptural message today is the church is preaching too much condemnation. Therefore, we must present a new message of grace that embraces all lifestyles and even sin. What many are calling condemnation, is really the convicting and reproofing of the Holy Ghost to get people to repent. That is one major reason the Holy Ghost is in the earth. If our doctrine does not have the conviction and reproofing of the Spirit of God in it, God is nowhere around. We may have a wonderful, motivational message but the Lord doesn't agree with it.

The Church Will Not Fail

The church will not fail because there is a Joshua and Caleb remnant that have stayed on course and the plan of God will take place in the earth. One monkey or a group of monkeys will not stop His show in the earth. Praise God for His wonderful works in the earth!

PARTNERSHIP WITH JESUS

Saying, Fear not, Paul; thou must be brought before Caesar: and, lo, God hath given thee all them that sail with thee. Wherefore, sirs, be of good cheer: for I believe God, that it shall be even as it was told me. (Acts 27:24-25)

I remember back in 2008 when the Lord told me that a natural and spiritual correction was coming. Jesus said, "There will be a correction in the natural world first, then a spiritual correction will take place in the church because things are out of My divine order." He specifically revealed to me that our economy would be affected.

The Lord said, "Fear not! I will take care of you and I have given you all them that sail with you." I knew the Lord was speaking of those who were partners with us in ministry. Since that time, we have had marvelous reports of our partners who were saved from the storm. This is the Lord's doings, not mine, so He gets the glory and praise for it. This is exactly what the Lord told the Apostle Paul when they were in a great storm. Everyone on the ship was saved because they stayed with Paul.

I invite you to sail with RGM and become a monthly financial partner and witness the Lord Jesus Christ perform His Word in your life, church, work and business. Seek Him and be led by His Spirit.

A Reformation Has Begun: The Church Split & The Restoration Of The Church

There is a split taking place within the church today. Some have decided to follow man's plans, while other have decided to follow the Holy Spirit. **A Reformation Has Begun** will give you more information on this split and how you can follow God and not be deceived. **The Restoration of the Church** will reveal the steps the church needs to take to rebuild the church, which will restore our nation. These messages were given by the Holy Spirit for the body of Christ, to accomplish the Lord's will on the earth.
