THE PRESIDENTIAL ELECTION

And he changeth the times and the seasons: he removeth kings, and setteth up kings: he giveth wisdom unto the wise, and knowledge to them that know understanding. (Daniel 2:21)

PATTI, RANDALL, & RANDALL GRIER JR.

The Spirit of God spoke to me in December 2015. He said, "*A shaking will occur in the government of the land because it has tried to hinder My plan.*" I didn't know what would happen, that would cause a shaking in the political scene of this nation at that time. It is clear now to understand by what has already happened.

We basically have a two party political system in our nation - the Democrats and the Republicans. There is the Libertarians, but they have never gained much political ground. Each one of these parties have an agenda or platform that they intend to implement in this nation. Research Democratic platform and Republican platform and read them for yourself. When you vote, you are not just voting for a man or a woman. You are voting for and approving of the laws the party wants to pass in this nation, to implement their ideologies. Most people never think of it this way.

Times And Seasons

We have entered into a time and season like we have never been in before in our nation. Our nation has had many problems in the past, but the morals and values of our nation have never declined to the present level. Right and wrong have, mostly, been lost in the nation and the church.

There is a new time or season that we are entering into. The Lord God will allow us to be brought to our knees, if we are not there already. He is still God and His will is presently coming to pass in this nation. He has heard the prayers of the saints. We all have our own ideas about how this will occur, but it will take place according to His will and way.

Revelation From The Lord

On Tuesday, September 20, 2016, I was awakened about four o'clock in the morning. The Lord immediately began to speak to me about the shaking in the government of the land. He revealed that there would be a shaking in the church world also. Things in the church and nation are out of His divine order and must be dealt with. God will have His way in this day.

Chapter And Verse

Anytime the Lord has spoken to me, over the years, He has always given me chapter and verse in the Bible with the principle He is speaking about. He always works in line with His Word. He gave me the scriptures on that Tuesday morning like He always had. Also, I don't know it all. I only know what the Lord allows me to see.

And he changeth the times and the seasons: he removeth kings, and setteth up kings: he giveth wisdom unto the wise, and knowledge to them that know understanding. (Daniel 2:21)

God changes the times and the seasons. This is not just referring to the weather. It is speaking of spiritual times and seasons in the earth. He removes kings and sets up kings. This means He gets involved in governmental affairs of men on the earth. This happens through prayers of the saints who ask Him to change things in the political realm. We don't have kings in our nation. We have presidents and other political offices.

Demonic oppression and spiritual darkness invaded our nation when Mr. Obama was elected in 2008. His goal has been to eradicate Christianity in the U.S.A. It is also Mrs. Clinton's goal to continue to follow Mr. Obama's plan by her own admission.

He declared that the United States is no longer a Christian nation to the world. This was the voice of demonic powers whose goal was to destroy Christianity. Politicians can be used by the devil to implement his plans, just as God can use politicians to implement His plans. God permitted Mr. Obama to be president because the majority of the people voted for him and the church failed to pray as it should. God also permitted Israel to wander, and many died, in the wilderness because the majority wanted it. Neither was the will of God, but He permitted it and many people suffered needlessly.

The prayers of the saints will hold back this decline in our nation. I keep being prompted to pray intensely for our nation, and many others are too, whether they obey the prompting or not.

King Belshazzar Principle

They drank wine, and praised the gods of gold, and of silver, of brass, of iron, of wood, and of stone. In the same hour came forth fingers of a man's hand, and wrote over against the candlestick upon the plaister of the wall of the king's palace: and the king saw the part of the hand that wrote. (Daniel 5:4-5)

King Belshazzar gave a party with at least one thousand in attendance. He decided to mock God and drink from Holy Vessels taken from the Temple of God.

The political powers of that day decided to make fun of the one true God and praised the nonexistent gods of gold, silver, brass, iron, wood, and of stone. How many false gods are being praised by our government today? True Christians are mocked and made fun of and the Bible has been removed from most public places, as well as prayer in the name of Jesus Christ.

Judgement Of God

In the same hour came forth fingers of a man's hand, and wrote over against the candlestick upon the plaister of the wall of the king's palace: and the king saw the part of the hand that wrote. (Daniel 5:5)

Judgement day came, with no space for repentance, with the hand writing on the wall. This political regime had mocked God for the last time and it was about to come to an end. In our day, judgement has already begun in both political parties. I will say more about this later.

Needless to say, the laughing was over when the hand appeared and wrote on the wall. The king was in great fear, and rightly so. He wanted to know what the writing said. He called the devil worshippers, whether they knew it or not, and they could not read the writing on the wall. They could not interpret to the king what was written.

The Queen heard how the king's wisemen could not read the writing. She told him about Daniel who had interpreted King Nebuchadnezzar's dream. Daniel was called in by Belshazzar. He offered Daniel great riches and honor if he would tell him what the writing meant. Daniel refused to take any of the gifts because the gifts in his life were not for sale. I wonder how many can be bought today with money, prestige or position?

Daniel began by telling Belshazzar that he knew God had made Nebuchadnezzar live in the woods and eat grass like a cow. This happened because he had lifted up himself and not recognized the God of Heaven. He basically told Belshazzar that even though he knew this, he got lifted up also and dishonored the God of Heaven. Many governmental officials dishonor the God of heaven today, but the handwriting is on the wall.

Daniel said, And this is the writing that was written, mene, mene, tekel, upharsin. This is the interpretation of the thing: mene; God hath numbered thy kingdom, and finished it. tekel; Thou art weighed in the balances, and art found wanting. peres; Thy kingdom is divided, and given to the Medes and Persians.

That night Belshazzar was killed and his kingdom divided.

Belshazzar Principle Today

The handwriting on the wall began in December 2015 when the Lord revealed to me, and I am sure to others, what He did. He said, *“There is coming a shaking in the government of the land because they have tried to hinder My plan.”*

On September 20, 2016 the Lord revealed how some of the shaking had already occurred in the political realm. First, I will tell about the Republican Party. An outsider of the party, Mr. Trump began to gain momentum even though many said he was a joke. It was declared he was unfit to be president and would never make it as the nominee for the party. He called the insider Republicans names on international TV over and over. He berated them and rebuked them for their failure to resolve the problems of the nation. Mr. Trump's actions were not politically correct and were not practiced by any other candidate. Many laughed at him and made fun of him, declaring he would never be the nominee.

I believe the Lord used him to rebuke the Republican party after He had allowed them to control the House and Senate. They failed to do what they had promised, to turn the nation back in a Godly direction.

God used a donkey in the Old Testament to rebuke the prophet for disobeying Him. The Republican politicians were rebuked. Not one of the insiders were elected as the nominee to run for president. Against their pleas, outcries, and complaints; Mr. Trump rose to the top. I do not agree with everything Mr. Trump says or does, but you must admit he has risen to the top. I believe God permitted him to be there, whether the people recognize it or not. The Republican kingdom was divided and taken from those who disobeyed the will of God in the party. Their high and mighty attitude and rebellion brought them down just like Belshazzar. Look and see for yourself.

Chaos and confusion filled the Democratic party as Mrs. Clinton fell behind to a proclaimed socialist, Mr. Bernie. They could not believe how he was winning against her. They laughed at him, but he gained more and more momentum as he won different states against their chosen one, Mrs. Clinton.

The chairwoman of the party put together a plan to block Mr. Bernie from being nominated. This was exposed at the Democratic convention through leaked e-mails. Outrage took place in the party and they were divided.

The ones who were for Mr. Bernie proclaimed the chairwoman blocked him from being nominated by crooked dealings through delegates. The Democratic chairwoman made history and was fired from her position during the convention. It became clear, God was shaking the party.

A legal investigation took place against Mrs. Clinton about classified e-mails being misused. This still continues today. This made history as a presidential candidate was under criminal investigation while running for president. It seems almost unbelievable, but it is occurring.

Mrs. Clinton began to have serious health problems that were quickly covered up by the party. At one point, she had a seizure, fainted and would have collapsed on the ground if the secret service had not taken hold of her and placed her in a van. The whole world witnessed this on international TV. I believe there are reasons for this, beyond normal health problems, that I will not go into right now.

The Lord is shaking the political realm like He said. Mocking God and His church is not good. Saul found that out on the road to Damascus. *God is with us and His will is coming to pass.*

PARTNER WITH US

For there stood by me this night the angel of God, whose I am, and whom I serve, Saying, Fear not, Paul; thou must be brought before Caesar:and, lo, God hath given thee all them that sail with thee. Wherefore, sirs, be of good cheer:for I believe God, that it shall be even as it was told me.

(Acts 27:23-25)

Never had the Lord Jesus Christ made a promise to me about finances like this. It was right before the presidential election in 2008. The Lord spoke to me and said, *“There is coming a shaking in the financial realm of this nation. Every sector of the financial world will be affected. It will not affect you, your ministry, or your ministry partners like it does the world around you. Fear not! I will take care of you and I have given you all them that sail with you as I did with Paul.”*

To our partners, God is with you and He will take care of you and yours. We are praying for you.

Support your local church and pray for its success and your pastor in reaching people with the gospel. I invite you to sail with RGM and become a monthly financial partner. The Lord will bring His Word to pass.

UNDERSTANDING JUDGMENT SPECIAL

God's Judgment is often misunderstood by Christians today. Many think that God no longer judges people because we live in the dispensation of grace. God does not change. God's judgment can be found in both the Old Testament and the New Testament. In this series, Rev. Randall Grier goes throughout the Bible to reveal how God judges under the old and new covenants. God's judgement is to correct His people, for their benefit. This series will help you understand God's judgment and what is going on in the world today.
